Freedom Through Military Victory:

Freedom Through Military Victory R. B. Thieme, 2003 Freedom Through Military Victory Robert Bunger **Heathenism** R. B. Thieme, Ir., 2023-12-11 Heathenism answers the questions What about those who have never heard the good news of salvation What about primitive peoples who live far beyond the frontiers of civilization and speak in obscure languages What about those in any civilization or culture who have never had the chance to hear the Gospel God never overlooks the positive volition of anyone He provides abundant evidence by which every individual can become aware of His existence He overcomes every obstacle to disseminate the Gospel to those who seek Him No one is hidden from His grace His divine attributes guarantee the provision of Gospel information even to the remotest part of the earth Theological Study of The Book of Romans Arch Bishop D.A. Miller, D.D. Ph.D., 2012-02-11 Paul addressed the Book of Romans to both Jews and Gentiles even though Rome was primarily a Gentile city Therefore it is reasonable to conclude that most believers in the churches at Rome were Gentiles The reason that this was important is that the Judaizers continued to infiltrate the local churches and Paul was determined to stop their false message of adding law keeping to grace from taking root and to demonstrate that the Gospel is for all Jews and Gentiles The Angelic Conflict R. B. Thieme, Jr., 2012-01-01 The Angelic Conflict rages around us This is not a world war This is a war beyond the world an invisible warfare between the forces of Satan and the forces of God Ultimately God will win Long before the advent of human history Satan arrogantly rebelled against his Creator He wanted to make himself like the Most High and recruited one third of the angels to follow him God justly condemned Satan and his fallen angels to spend eternity in the lake of fire Satan appealed the sentence claiming unfairness questioning how a loving God could cast His creatures into hell Planet Earth is now the battleground where Satan seeks to outmaneuver God prove the judgment unfair and foil the execution of his sentence Satan will not suffer defeat without an intense struggle God created man to resolve this angelic conflict Human volition is the focal point of the firestorm Will man choose God's grace plan of salvation or follow the arrogant system of Satan Through the freewill decisions of mankind God proves to Satan His perfect justice and love again and again As believers it is imperative we understand this spiritual warfare that surrounds us Satan uses every ruse at his command to derail and discredit those who are in Christ For our defense God has provided an overwhelming advantage in a powerful suit of spiritual armor With it we can withstand the flaming missiles of the evil one and become heroes in the invisible war God is glorified as we lock shields and stand firm on Catalog of Copyright Entries. Witnessing R. B. Thieme, Jr.,1992-01-01 Witnessing is the declaration of the good news of salvation the Gospel of Jesus Christ to the unbelieving world But is this responsibility and privilege reserved solely for the pastor missionary and evangelist Definitely not Every believer is responsible for presenting the Gospel to a lost and dying world What do you tell

unbelievers about Christ You must explain what He accomplished on the cross and how anyone can receive His incomparable gift Your guiding principle is faith alone in Christ alone You are the point of contact in the unbeliever's search for meaning and purpose in life Without faith in Christ and an eternal future ultimately his life is meaningless When a loved one friend or even stranger believes in Christ as Savior from your presentation of the Gospel you will experience the inexpressible reward of serving our Lord through witnessing **Congressional Record** United States.
