Love Awakened by Love Mark O'Keefe OSB, 2014-04-14. A skilled moral theologian, Benedictine Father Mark O'Keefe leads God seekers to focus attention on St John of the Cross's teaching in *The Ascent of Mount Carmel*. The essence of the spiritual journey is union with God through the practice of the virtues, especially faith, hope, and love. It's virtuous living that enables us to truly love God and be conformed to God in divine union. For St John, religious experiences are not the essence of the spiritual journey at all, nor is asceticism for its own sake. John's emphasis on the *nada* is to lead us to liberating emptiness, authentic human freedom that equips us to be filled with the divine life. At the journey's summit we find the God who is Love. This book is an insightful companion to *The Ascent of Mount Carmel*. Ideal for personal and group study, Carmelite formation, college courses, and a must for every library.

The Story of Christian Spirituality Gordon Mursell, 2001. Beautifully illustrated throughout, *The Story of Christian Spirituality* is a readable and vivid guide to the spiritual riches of one of the world's most influential religions.

Befriend Jana Struková, 2023-12-06. *Befriend* narrates a personal experience of the author with the formation of a faith-based nonprofit in health services. It combines real-life examples with theories from several disciplines to describe the nature and role of nonprofit in a community. The book argues that faith-based nonprofits create spaces of hospitality and inclusion for diverse humanity. They are poised to teach practices of friendship based on the friendship of Trinity and personal awareness of how mental health can either contribute to friendships in communities or inhibit it.

Christian Spirituality Gordon Mursell, 2020-02-21. There is a growing interest today in the context and history of Christian spirituality. In this book, a team of expert authors from the East and West present a full and fascinating picture of humanity's desire for the divine across the centuries. Highlighting the contribution of significant figures through history, authors explore the ways in which Christians from the earliest times onwards have sought to express and live out the deepest truth of their faith. The Bible and the life of Jesus Christ are the starting point for the story. The reader is then guided through the development of spirituality, starting an exploration of the significance of the early church fathers and culminating in a survey of the explosion of expressions of Christian divinity across the world in the twentieth century. Interspersed with boxed features that provide more detail on key individuals and groups and timelines that put events into their chronological

Choosing Joy Dan Lord,2012-11-15 What is joy Ask ten different people and you ll get ten different answers Yet if you asked a man who grew up fatherless and destitute in the slums of Atlanta a young widow who decided to bring a neglected garden back to life in spite of agonizing physical pain and a deeply wounded spirit or author Dan Lord himself ex frontman for a popular indie rock band each would point to the one source of their joy Jesus They made the choice for joy against all odds and so can you though the obstacles might seem insurmountable Worry and anxiety pain and suffering the daily grind all these and more can block your path When faced with such challenges is it possible to get past the barriers let go and experience God s joy When you look around you might wonder although joy is a fruit of the Spirit it doesn t seem to be hanging visibly from many Christian boughs Choosing Joy aims to change that and change your life in the process as it helps you discover the key to this most attractive but seemingly elusive gift Choosing Joy will help you overcome the obstacles and focus your heart mind and strength on God so that you can receive the happiness and peace that the world cannot give
