The Path to the Beloved Ruh Smith, 2004-09 The Path to The Beloved is a collection of poems written over many years revealing the spiritual path of a Lover of God Beginning with The Search one experiences awe before the beauty and magnificence of Mother Earth and Her elements Then in The Enclosed Garden where True Lovers meet is where the Sacred Marriage of the Divine Feminine and the Divine Masculine takes place

It is where one hears When The Beloved Speaks and learns within the heart that there is no distinction between Love Lover and Beloved Inspiration for much of Qutbuddin Loren Ruh Smith's poetry comes through a lineage of Sufi poets of whom the most well known is Jalaluddin Rumi At this time when our planet Gaia's future is in delicate balance we must open our hearts to the living interrelatedness of all life so that we may all move Toward the One The Perfection of Love Harmony and Beauty and toward The Beloved

Drowning In God's Love K.L. Bauman, 2022-12-15 The call of God is not just for a select few but for everyone Whether I hear God's call or not depends on the condition of my ears and exactly what I hear depends on my spiritual attitude Oswald Chambers We are all children of God How easy it is to forget this God loves us all in the same way and in the same amount It is a given like the breath we draw each day by each beat of our heart by all that makes each of us holy Faith and love are important pieces of our lives They may be all that keep us moving on in our journeys Just as we begin life's journey beginning and continuing the journey is important in our spiritual lives If we are looking for God God is also looking for us We have heard the saying Seek and you shall find This saying can

Wait in the Stillness Don MacLeod,2017-06-30 Most of these poems are based on the deep desire to know God Since I was a child I was awakened to the knowledge that there was more to this world than what most people see Though there is no way in truth to explain or describe that transcendent place or the connection when it happens this is my attempt to put that experience of the longing and the connecting into words We have removed God to Heaven We have pushed God to only be experienced after death So why would we experience God here and now From what I have seen and experienced God is not far away God is so close that you won t believe it We are taught God is omnipresent but I find that most people don t appear to believe it or live like it What most people practice and act like is that God is in Heaven When you die you will see God is what people actually believe No if God is omnipresent God is here NOW Right So we don t have to die to see feel touch experience or be with God Believe and think what you want but I am telling you God is much closer than you think Some of these poems are an attempt to describe those moments There are also poems about connecting to others and the challenges and growth that brings The most we can do as a human is try to be vulnerable and connect heart to heart We are taught not to expose ourselves that way because you will pay for it socially People will be mean They will Time to change that It is time for us to allow each other to be tender and not immediately smash the other person for it We don t have to toughen up for the cruel world we have to change the cruel world That means WE have to change Know that God is looking through your eyes As Alan Watts said Through our eyes the universe is perceiving itself Through our ears the universe is listening to its harmonies We are the witnesses through which the universe becomes conscious of its glory of its magnificence Show less
