Freeing Someone You Love From Alcohol And Other Drugs:

Freeing Someone You Love from Alcohol and Other Drugs Ronald L. Rogers, Ronald Rogers, Chandler S. McMillan, 1992 This realistic handbook offers sound advice for people whose lives are affected by alcoholism and other drug addictions and presents a step by step program of intervention *Freeing Someone You Love from Eating Disorders* Mary Dan Eades, 1993 A step by step plan that will heal lives and change obsessive relationships with food Helping the Addict You Love Laurence M. Westreich, MD, 2007-04-17 It's okay to love them It's your right to help them Addiction destroys people and can even end lives When you know or suspect that someone you love is suffering from addiction you have two goals getting your loved one into treatment and turning that treatment into full fledged sobriety Many addiction experts tell you that you have to disengage or risk being an enabler a codependent bystander in the wreckage of an addict's life that you have to cut all ties or be taken advantage of financially and emotionally that you have to protect yourself from your loved one who isn't the person you used to know But many friends and family members find it unnatural even impossible to turn away from a person they love who is at his lowest point and refuse to believe that their addict is lost to addiction Backed by his years of experience Dr Westreich guides you through the process of getting the addict you love on the road to treatment and recovery He provides detailed scripts to lead you through pivotal conversations with the addict in your life highlighting the words that he's found to be most effective and the words to avoid With this book in hand family and friends will know for example how to motivate their addict to recognize his problem based on the addict's own definition of what addiction looks like how to raise the bottom that addicts so often must hit to a more acceptable level such as embarrassment job loss or ill health and when to use gentle disagreement quiet listening or forceful confrontation to move the addict toward treatment while managing and protecting their own emotions Dr Westreich also shows you how to engage a therapist in the process and provides methods for combating an addict's defense mechanisms By outlining several treatment options he helps you to weigh what each can and cannot accomplish which is the most effective treatment for the kind of addiction you are dealing with what each treatment requires of the recovering addict and the friend or family member and how successful each is Dr Westreich also takes care to discuss the kinds of special situations you may face when the addict in your life in addition to having a substance abuse problem is a minor is pregnant has mental or medical diseases or has other issues that are likely to affect recovery Helping the Addict You Love is the guide that so many loved ones of addicts have desperately needed Dr Westreich supports you through the emotional process of helping the addict you love tells you it's okay to want to help and teaches you how to do so *Handbook for Child Protection Practice* Howard Dubowitz, Diane DePanfilis, 1999-12-22 The timing of the publication with the revised Working Together guidelines could not be more advantageous This book is a unique and important contribution to child care literature No agency should be without Child Abuse Review Professionals concerned with the protection of children face many challenges This work demands knowledge from several disciplines a wide variety of

skills and interdisciplinary collaboration The editors Howard Dubowitz a pediatrician and Diane DePanfilis a social worker together with over 70 experts in this field offer what is known about how best to work with maltreated children and their families in a very practical concise and user friendly way Structured to follow the life of a case from the time a report of child maltreatment is made through the various pathways in the child protection system this edited volume synthesizes the best practice principles for responding to reports of child abuse and neglect engaging children and other family members in intervention developing cross cultural practice competencies assessing risk evaluating safety and conducting family assessments defining outcomes and planning intervention evaluating risk reduction and making permanency decisions and discusses the unique legal medical ethical and other practice issues that work in the child protection field involves Professionals facing tough dilemmas in practice should find valuable guidance in these pages *A Nation In Denial* Alice S. Baum, 2019-03-07 This book presents a comprehensive review of the scientific evidence that up to 85 percent of all homeless adults suffer the ravages of substance abuse and mental illness resulting in the social isolation that has been the hallmark of homelessness in the United States since colonial days Congressional Record United States.
