

# 7 steps to becoming happily self-employed

## Step 1

### Identify your business niche

Decide on a specific business niche and focus on offering services that differentiate you from others.

## Step 2

### Create a business plan

Marketing tactics, pricing strategies, you name it! Be detailed, and map-out a solid plan.

## Step 3

### Create a budget for your solo business

Plan out the costs involved in setting up and running your self-employed business.

## Step 4

### Figure out legal structure

Choose the right legal form and register your self-employed business with this chosen structure.

## Step 5

### Plan and track your finances

Stay in full control by tracking your expenses, income, and setting aside enough to pay your taxes.

## Step 6

### Plan which tools and software to use

Choose the right toolstack to help you save time and focus on your core business.

## Step 7

### Start offering services and growing your solo business

Time to put your planning into practice and grow your self-employed company as you go.
