*The Square and the Circle* Payam Nabarz, 2016-05-21 And in this way truly are erected the Holy Twin Pillars Boaz and Joachim kisses breasts In beauty and strength were they erected to the wonder and glory of all men Wiccan Book of Shadows On the face of it nothing could be further apart than Wicca a Goddess God centric modern Pagan mystery school whose Rede is An it harm none do what ye Will and Freemasonry a brotherhood sisterhood and system of morality veiled in allegory taught in a symbolic language whose great principles are brotherly love relief and truth But the connections between them are closer than might at first appear This book reviews the literature of the history of Wicca with especial reference to its links with Freemasonry demonstrating their surprisingly close historical affiliations In addition the links between Freemasonry Druidry Sufism and other modern Pagan movements are also examined For these truly are the five points of fellowship feet to feet knee to knee groin to groin breast to breast arms around back lips to lips Wiccan Book of Shadows I will defend the Five Points of Fellowship in enactment as well as concept Freemasonry s third degree initiation In the heart of both Freemasonry and Wicca there is the spiritual quest and journey as in many other mystery schools Freemasons begin as a rough ashlar stone and eventually transform to a perfect cube Its study of the seven liberal arts and sciences educates their initiates transforming their mind to become a living Temple to the Great Architect while the seven graces provide them with the moral compass to walk through daily life Wicca s teaching is clearly stated in its Charge of the Goddess To thou who thinkest to seek Me know that thy seeking and yearning shall avail thee not unless thou knowest the Mystery If that which thou seekest thou findest not within thee thou wilt never find it without For behold I have been with thee from the beginning and I am that which is attained at the end of desire The same message is also given to all Master Masons in their 3rd degree ceremony an injunction to reflect on that most interesting of all human studies the knowledge of yourself In both we can still hear down the centuries the echoes of Plato s teachings and the Delphic maxim at the Temple of Apollo at Delphi Know thyself Merry Meet Merry Part Merry Meet Again the Wiccan farewell Happy have we met happy have we been happy may we part and happy meet again words spoken at the end of the second degree Masonic initiation We live in fascinating times Right now a new zeitgeist is forming as we witness the first tentative steps of a new religion finding its feet in the public imagination Wicca is well and truly here and gaining momentum as it spreads from England across Europe and the US carried on the crest of a growing Neopagan revival It remains largely ungoverned and with only a framework spiritual canon which gives flexibility to its practitioners and has no doubt added to its great appeal to individuals and groups as the more established and orthodox institutions become seen as increasingly irrelevant or out of touch But is it new In this work Payam illustrates some of the surprising parents of this spiritual movement It is said that all religions borrow from what came before despite this being often fiercely contested by its adherents The family tree of Wicca has some odd bedfellows of which the most prominent and perhaps surprising is Freemasonry which with its strict governing body and fixed catechisms seems

almost a polar opposite of what is seen in Wicca The history and details of this relationship and the processes and people which intertwined them are here laid bare for the reader to see with a detailed and useful bibliography available for further study Ric Lovett Pagan Wiccan and Past Master     A Study in American Freemasonry Arthur Preuss,1908     **The Question of Freemasonry** Ed Decker,1992     An Encyclopædia of Freemasonry and Its Kindred Sciences Albert Gallatin Mackey,1912     *Seething Cauldron* Payam Nabarz,2010 The Sufi ritual meal ceremony of Deeg Jush translates as the Seething Cauldron or Boiling Cauldron and like its Celtic equivalent the Cauldron of Cerridwen it symbolizes the transformation and change of the initiate as he she becomes cooked in the cauldron In this collection of essays covering Persian Magi Zoroastrianism Sufism Freemasonry Wicca Druidry Neo Paganism Mithraism and Thelema Payam Nabarz takes a down to earth look at contemporary spirituality Contents The Persian Fool and Trickster Haji Firouz Anahita Lady Of Persia Zoroastrian Angels and Demons Mithras and the Right Handed Handshake Of The Gods Influences Of Freemasonry and Sufism On Wicca and Neo Paganism Sacred Plants Drugs In Religion The Right Hand Path Or Left Hand Path Star Wars Excalibur and Lord Of The Rings To Genes Memes Gods and Beyond Sex Chocolate and Religion Spirit Of Peace     **A Popular Dictionary of Paganism** Joanne Pearson,2013-10-18 This dictionary is a glossary of terms and a reference work whose entries cover the complex phenomenon of contemporary Paganism A valuable addition to the available academic literature     *The Mysteries of John the Baptist* Tobias Churton,2012-10-24 The search for the real historical person known as John the Baptist and the traditions that began with him Explores why John the Baptist is so crucially important to the Freemasons who were originally known as St John s Men Reveals how John and Jesus were equal partners and shared a common spiritual vision to rebuild Israel and overcome corruption in the Temple of Jerusalem Explains the connections between John as lord of the summer solstice his mysterious severed head fertility rites and ancient Jewish harvest festivals Few Freemasons today understand why the most significant date in the Masonic calendar is June 24th the Feast of the Birth of St John the Baptist and the traditional date for appointing Grand Masters Nor do many of them know that Masons used to be known as St John s Men or that John the Baptist was fundamental to the original Masonic philosophy of personal transformation Starting with the mystery of John in Freemasonry Tobias Churton searches out the historical Baptist through the gospels and ancient histories unearthing the real story behind the figure lauded by Jesus s words no greater man was ever born of woman He investigates John s links with the Essenes and the Gnostics links that flourish to this day Exposing how the apostle Paul challenged John s following twisting his message and creating the image of John as merely a herald of Jesus the author shows how Paul may have been behind the executions of both John and Jesus and reveals a precise date for the crucifixion and the astonishing meaning of the phrase the third day He examines the significance of John s severed head to holy knights such as the Knights Templar and of Leonardo s famous painting of John Churton also explains connections between John the summer solstice fertility rites and ancient Jewish harvest festivals Revealing John as a courageous

There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God's truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into their every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces **Traditional Witchcraft and the Pagan Revival** Suzanne Ruthven, 2013-08-30 Traditional Witchcraft and the Pagan Revival takes us on a journey into the past along the highways and byways of our pagan heritage to discover when the different aspects of magical influence entered traditional witchcraft It will appeal to everyone with an interest in magic witchcraft and paganism from grass roots to the more advanced levels of Wicca who wish to learn more about the
