Freestyle Tim Street-Porter,1986 **Freestyle, the New Architecture and Interior Design from Los Angeles** Tim Street-Porter,1986 More than just a stunning book on radical design this is also an affectionate yet serious look at what s happening in Los Angeles America s laboratory for new ideas in architecture and interior design 200 full color photographs

Freestyle Tim Street-Porter,1995 A classic after four hardcover printings Tim Street Porter s *Freestyle* ushers readers into the revolutionary houses of a group of provocative architects and designers including Frank Gehry Eric Moss and Peter Shire 260 color photos **After the Future** Gary Shapiro,1990-01-23 This book brings together diverse aspects of postmodernism by philosophers literary critics historians of architecture and sociologists It addresses the nature of postmodernism in painting architecture and the performing arts and explores the social and political implications of postmodern theories of culture The book raises the question of whether postmodernism is to be seen as one more epoch or period within a succession of eras or as a challenge to the modernist practice of periodization itself The nature of the subject and of subjectivity is explored in order to resituate and contextualize the autonomous subject of the modern literary traditions Postmodern approaches to philosophy both analytical and continental including the work of Deleuze Derrida Foucault Rorty and Cavell are scrutinized and compared with a view to the question of foundationalism and with respect to philosophy s historical reflection on its own exclusionary practices *After the Future* discusses the ramifications of technology and programs for the renewal of community in a radically pluralistic society It also discusses the question of language and the diverse ways of distinguishing the articulate from the inarticulate Where Stuff Comes From Harvey

Molotch,2004-11-23 Molotch takes us on a fascinating exploration into the worlds of technology design corporate and popular culture We now see how corporations designers retailers advertisers and other middle men influence what a thing can be and how it is made We see the way goods link into ordinary life as well as vast systems of consumption economic and political operation The book is a meditation into the meaning of the stuff in our lives and what that stuff says about us
