Benedict XVI: A Life Volume One Peter Seewald, 2020-12-10 The first volume of Peter Seewald's long awaited authoritative biography of Pope Benedict XVI By any reckoning the papacy of Pope Benedict XVI was extraordinary with moments of high drama Not the least of these was his resignation from office in February 2013 the first papal resignation in almost 600 years But who was Joseph Ratzinger In this definitive biography based on meticulous historical research and many hours of taped interviews with his subject Peter Seewald shows the exceptional circumstances in which the exceptionally talented son of a Bavarian policeman became the first German pope for 950 years In this first volume covering the years 1927 1965 we witness Joseph Ratzinger's early days living above his father's police station

Ratzinger came to adulthood through the years of National Socialism Though hostile to the rise of Hitler his family knew well about Dachau and Ratzinger himself was conscripted into the Hitler Youth Joseph Ratzinger proved to be a man of exceptional intellectual gifts and by the time of the Second Vatican Council 1962-1965 he was already noted as one of the outstanding intellects present and was nominated a peritus or theological expert This was also the time of the start of his friendship with the Swiss theologian Hans Kung who was to become his nemesis Of his predecessor Pope Francis has said Pope Benedict was a great Pope great for the penetration of his intelligence great for his important contribution to theology great for his love of the Church and human beings great for his virtues and faith Even in this first volume we begin to understand how this came to be true

O Lord, I Seek Your Countenance: Explorations and Discoveries in Pope Benedict XVI's Theology Emery de Gaál Gyulai, Fr Emery de Gaal, 2018-10-03 Joseph Ratzinger's Pope Benedict XVI's list of accomplishments is unparalleled in modern times in both theological and academic terms He held prestigious teaching positions in Europe's finest universities He played a pivotal role in the deliberations of Vatican II and the formulation of its teachings His theological publications number above fifteen hundred And he served the Catholic Church as its Pontiff for eight years In *O Lord I Seek Your Countenance* Fr Emery de Gaal contends that Ratzinger Benedict is reminiscent of a Church Father in his theological virtuosity But beyond his brilliant intellect Benedict's deep Christ-centered spirituality is what gives life and verve to his academic pursuits Through essays that explore Benedict's rich and varied theological thought and achievements from the 1950s through his *Jesus of Nazareth* trilogy de Gaal apprehends Ratzinger as a theologian with philosophical sensitivity whose insights have shaped and will continue to shape the course of Catholic theology for years to come

Inventories of Textiles - Textiles in Inventories Thomas Ertl, Barbara Karl, 2017-06-12 Inventories are among the oldest documents to survive from ancient times Textiles take an important place within them and inform among other things about value context of use material fashion trade or techniques This is all the more relevant as textiles were then the most important trade goods after bullion and food The articles of this volume focus on the time between the High Middle Ages and the Early Modern Period They represent different approaches to this fascinating topic whose social framework includes popes kings merchants and farmers

Munich, Bavaria & the Black Forest, 2008-05 Bayerische Bibliographie. 1974-1976., 1982 The Theology of Pope Benedict XVI Emery de Gaál, 2010-11-22 Many refer to Pope Benedict XVI as the Mozart of Theology Who are the thinkers who have informed his theology What events and which religious devotions have shaped his personality This study attempts to shed light on the unifying melody of the policies and positions of a pontificate charged with spiritual and theological depth
