

The Freja Mission

The background of the cover is a photograph of the Freja satellite in orbit. The satellite is a complex, multi-lobed structure with various instruments and antennas. It is positioned in the center-right of the frame, with its long boom extending towards the left. The Earth's horizon is visible on the left side, showing a curved edge and a bright, hazy atmosphere. The sky is a deep blue, filled with numerous small, white stars. Several thin, white lines radiate from the satellite, likely representing its communication or data links.
