French For Natalie A New Friend:

Love and Death in the Great War Andrew J. Huebner, 2018-02-01 Americans today harbor no strong or consistent collective memory of the First World War Ask why the country fought or what they accomplished and democracy is the most likely if vague response The circulation of confusing or lofty rationales for intervention began as soon as President Woodrow Wilson secured a war declaration in April 1917 Yet amid those shifting justifications Love and Death in the Great War argues was a more durable and resonant one Americans would fight for home and family Officials in the military and government grasping this crucial reality invested the war with personal meaning as did popular culture Make your mother proud of you And the Old Red White and Blue went George Cohan s famous tune Over There Federal officials and their allies in public culture in short told the war story as a love story Intervention came at a moment when arbiters of traditional home and family were regarded as under pressure from all sides industrial work women s employment immigration urban vice woman suffrage and the imagined threat of black sexual aggression Alleged German crimes in France and Belgium seemed to further imperil women and children War promised to restore convention stabilize gender roles and sharpen male character Love and Death in the Great War tracks such ideas of redemptive war across public and private spaces policy and implementation home and front popular culture and personal correspondence In beautifully rendered prose Andrew J Huebner merges untold stories of ordinary men and women with a history of wartime culture Studying the radiating impact of war alongside the management of public opinion he recovers the conflict s emotional dimensions its everyday rhythms heartbreaking losses soaring possibilities and broken promises

A Fatal Friendship Arnold Rogow,1999-09 For almost two centuries historians have struggled to explain the extraordinary duel that killed Alexander Hamilton the nation s first Secretary of the Treasury and ended Vice President Aaron Burr s political career In A Fatal Friendship the distinguished political scientist and writer Arnold Rogow argues that the roots of the fatal encounter lay not in Burr s admittedly flawed political and private conduct hut rather in Hamilton s conflicted history and character Rogow s brilliant analysis changes and deepens our understanding of honor politics and friendship in the early American Republic Publisher Shadow Fight(s) Rainer Bressler,2021-10-29 The author investigates his hatred of his long since passed away father He hated him and survived him He tries to approach his late father by drawing an as objective as possible portrait of him This man who came to Switzerland from Germany in 1937 Switzerland became his exile In Switzerland he marries a Swiss lady and history takes its course In the interest of an intimate clarity beyond the biographical facts the story is freely invented and fluidly told in relentless openness from a wide variety of perspectives and condenses into a humorous family and social novel that does not hide the fact that the son s supposed hatred of his father masks his longing for his father s love

French Leave Liz Ryan,2013-04-15 It was when she realised she was spending twelve hours a week and five thousand euro a year commuting to work that Liz Ryan began to question how great life in boom time Ireland really was and reached a decision the day an enraged biker hurled a helmet at her windscreen So she quit her job sold her house and moved to a remote hamlet in coastal Normandy Thus begins her French adventure in which she gets picked up by the police discovers the mixed pleasures of French homeownership flooded basements grim neighbours surreal phone companies busybody mayors and embraces the

challenges of creating a new life in a new country Liz hilariously charts her gradual immersion into village life the setbacks and the joys the local political intrigue the Gallic shrug and that famous French bureaucracy and paradoxical French attitudes to food politics sport dating and shopping on the grand scale But like any expat even as she revels in new pleasures she also experiences the tug of war between fresh fields and the place of one's birth the craic the humour and the warm embrace of lifelong friends

Women Dramatists, Humor, and the French Stage J. Johnston, 2014-12-04 Filling a critical void this book examines French women dramatists of the nineteenth century who staged works prior to the lifting of censorship laws in 1864 Though none staged overtly feminist drama Sophie de Bawr Sophie Gay Virginie Ancelot and Delphine Girardin questioned patriarchal dominance and reconstructed ideals of womanhood

Queer Sexualities in French and Francophone Literature and Film, 2015-07-14 The steady development of queer theory over the last two decades has provided useful analytical tools and the will to dismiss the watchdog of heteronormativity Modes of reading have evolved as this volume of FLS amply attests Following Bill Edmiston's introduction to the volume a concise and informative history of queer theory the fifteen articles reveal not surprisingly significant diversity One deals with queerness in the context of medieval writing where allegorical and euphemistic expression were understood to be irreconcilable Another treats translations in Early Modern France of an Ovidian fable that had an inconvenient lesbian dimension Rousseau's fixation on his bottom e.g. for spankings points to a queer streak while Gautier's *Mademoiselle de Maupin* enhances the theme of sexual misidentity with ornamental figures The queerness of Sand's *La Mare au diable* emerges in the course of a contrasexual reading A musicologist investigates the possibility of a lesbian esthetics of music in a work by Erik Satie while a literary scholar finds evidence of Proust's outing in Jean Santeuil Other articles address the sense of gender transformation wrought by sodomy a revised view on the writing subject in Jean Genet's fiction the queerness of heterosexuality in the works of Michel Houellebecq and recurring motifs in recent fiction produced by gay Paris Two of the articles treat activism and esthetics in film
