Davis,2021-11-03 The Huguenots and their struggle for freedom of conscience and freedom of worship are largely unknown outside of France The entrance of the sixteenth century Reformation in France first through the teachings of Luther then of Calvin brought three centuries of religious wars before Protestants were considered fully French and obtained the freedom to worship God without repression and persecution from the established church and the tyrannical state From the first martyrs early in the sixteenth century to the last martyrs at the end of the eighteenth century Protestants suffered from the intolerance of church and state the former refusing genuine reform and unwilling to relinquish privileges the latter rejecting any threats to the absolute monarchy The rights gained with one treaty or edict of pacification were snatched away with another royal decree declaring Protestants heretics and outlaws Political and religious intrigues conspiracies assassinations and broken promises contributed to the turmoil and tens of thousands were exiled or fled to places of refuge Others spent decades as slaves on the king s galleys or imprisoned They lost their possessions they lost their lives They did not lose their faith in a sovereign God      **What in the World is God Doing?** C. De Young,2012-08-14 Give to Caesar the things that are Caesar s and to God the things that are God s With these words Jesus has impacted world history the First Amendment of the US Constitution and a Christian s submission to the rule of a state But what should a Christian do when there is widespread rebellion against government law and morality What recourse do Christians have when the state violates its divine mandate and endorses abortion gay marriage euthanasia the lottery and war If the state disobeys natural moral law should the Christian oppose the state What can Christian resistance from the past teach us about the present Is it wrong to pledge allegiance to the state What is the limit to allegiance Can morality be legislated James De Young seeks to answer these questions as he weighs the issues confronting the Christian as a citizen of this world yet also a citizen of heaven Carefully weighing texts such as Matthew 22 21 Romans 13 1 Timothy 1 and 2 and 1 Peter 2 the author challenges Christians to follow the Bible in this age of revolution and in the struggle for religious freedom      **Strangers Settled Here Amongst Us** Laura Hunt Yungblut,2003-09-02 During the reign of Elizabeth I large numbers of aliens immigrated into England for various reasons most notably to escape religious persecution and the wars that wrecked the Continent in the sixteenth century Much like governments facing immigration issues today England s governors struggled to strike a balance between the potentially beneficial and the potentially dangerous aspects of the aliens presence **Strangers Settled Here Amongst Us** focuses on the link between the aliens native English and the central government It explores policies and attitudes bringing new

Baker,2009-07-01 The great

burden of Al Baker s life that which drives him in Christian ministry more than anything else is to see the church of the Lord Jesus Christ rise up and become mighty as she has been so often in past years One thing has become very clear to Baker the western church is in big trouble Many pastors are terribly discouraged in their ministries So are their people Pastors have been told that they can model their ministries after whoever the latest and hottest preacher is and all will be well with them that they can expect exponential growth in their churches With few exceptions this has not been their experience They have attended the seminars and read the latest books but they have little to show for their efforts As a pastor Baker is heartbroken over the vastness of people s problems in today s church everything from incest child molestation homosexuality pornography severe depression suicide divorce wayward children adultery fornication and more The pastoral problems are epidemic The Christian faith in American churches is woefully lacking Church people are generally no different from those of the world What are we to do We need revival We need a revival culture in the western church We need like Israel laboring under Egyptian bondage to become intolerable of our circumstances Israel cried out to the Lord when their slavery became intolerable to them May God move us to divine discontent to be dissatisfied with the status quo     **The Reformers on War, Peace, and Justice** Timothy J. Demy,Mark J. Larson,J. the warfare as in central and southern Europe was between Christians and Muslims Other warfare in central and northwestern Europe was confessional warfare between Catholics and Protestants Religion was not the only cause of war during the period Revolts territorial ambitions and the beginnings of the contemporary nation state system and international order that emerged after the Treaty of Westphalia 1648 also fueled the trauma and tragedy of war In many ways the world of the Reformers and Protestant Reformation was a violent world and it was within such a sociopolitical framework that the Reformers and their followers lived worked and died This book introduces the teachings of the Protestant Reformers on war and peace in their context before offering relevant primary source readings
