This cultural dictionary of French provides the reader with clear and concise explanations of the crucial cultural dimension behind the most frequently used words and phrases found in the contemporary French press. This vital background information gathered here in this innovative and entertaining dictionary will allow readers to go beyond a superficial understanding of the French press and the French language in general to see the hidden yet implied cultural significance that is so transparent to the native speaker. Key features: a broad range of cultural references from the historical and literary to the popular and classical with an in-depth analysis of punning mechanisms; over 3 000 cultural references explained; a three-level indicator of frequency; over 600 questions to test knowledge before and after reading. *The Routledge Dictionary of Cultural References in Modern French* is the ideal reference for all undergraduate and postgraduate students of French seeking to enhance their understanding of the French language. It will also be of interest to teachers, translators, and Francophiles alike. *Renoir: An Intimate Biography* Barbara Ehrlich White, 2017-11-07. A major new biography of this enduringly popular artist by the world's foremost scholar of his life and work. Expertly researched and beautifully written by the world's leading authority on Auguste Renoir's life and work, *Renoir* fully reveals this most intriguing of Impressionist artists. The narrative is interspersed with more than 1 100 extracts from letters by and about Renoir, 452 of which come from unpublished letters. Renoir became hugely popular despite great obstacles: thirty years of poverty followed by thirty years of progressive paralysis of his fingers. Despite these hardships, much of his work is optimistic even joyful. Close friends who contributed money, contacts, and companionship enabled him to overcome these challenges to create more than 4 000 paintings. Renoir had intimate relationships with fellow artists Caillebotte, Cassatt, Monet, and Morisot; with his dealers Durand-Ruel, Bernheim, and Vollard; and with his models Lise, Aline, Gabrielle, and Dora. Barbara Ehrlich White's lifetime of research informs this fascinating biography that challenges common misconceptions surrounding Renoir's reputation. Since 1961, White has studied more than 3 000 letters relating to Renoir and gained unique insight into his personality and character. *Renoir* provides an unparalleled and intimate portrait of this complex artist through images of his own iconic paintings, his own words, and the words of his contemporaries. Barbara White is a biographer of courage, seriousness, and unrelenting honesty. She has read and dissected about 3 000 letters about Renoir written by him, his friends, his family, as well as the newspapers of the day.

Practically every member of the Renoir family has entrusted their personal documents to her a pledge of trust totally deserved Whenever I am asked a question about Auguste I write to Barbara to ask her opinion or call on her knowledge since she has become an indisputable reference for me She is always careful and verifies facts and contexts by every route possible The Renoir family and Auguste himself are very lucky that Barbara is so passionate about her subject and I feel personally lucky to know her I thank her from the bottom of my heart for this work of a lifetime a magnificent success I am very pleased that her book has been edited by the quality editors at Thames Hudson as it will remain a point of reference for many generations to come Sophie Renoir great granddaughter of Auguste Renoir granddaughter of his eldest son Pierre and daughter of Renoir s grandson Claude Renoir Jr June 7 2017 [The Canadian Magazine](#) J.
