An Introduction to the Comparative Phonetics of English and French in North America Marc Picard, 1987-01-01 This textbook is designed to fill two basic needs One is for a clear and straightforward presentation of the

rudiments of articulatory phonetics which is geared specifically to the requirements of the future language teacher and not exclusively to the student of linguistics and in which the basic concepts and terminology are introduced via English as opposed to a variety of languages. An even greater need perhaps and one that has gone unfulfilled for too long is for a simple but reasonably complete overview of the phonetic inventory of North American French. *French Applied Linguistics* Dalila Ayoun, 2007-01-01 Focuses on French applied linguistics
