## **French Fascism:**

**French Fascism** Robert Soucy, 1995-01-01 Did fascism have a significant following in France in the 1930s? Were its supporters predominantly from the political right or left? This provocative book, in conjunction with its acclaimed predecessor *French Fascism: The First Wave*, demolishes the notion that fascism never took hold in France. Robert Soucy argues that France has a long-standing fascist tradition, one that arose, he argues, more from counterrevolutionary forces on the right than from forces on the left. Analyzing fascist double talk, Soucy underscores the social and economic conservatism of such mass movements as Francisme, the Solidarit Fran aise, the Parti Populaire Fran ais, and the Croix de Feu, as well as the ideological and membership crossovers between them. Examining police reports of the era, he penetrates beneath the socialist rhetoric of these movements and describes their financial backing from the steel and electricity industries and the middle and lower middle-class constituencies rather than workers who provided most of their recruits. Soucy investigates why thousands of French men and women found fascist ideas attractive during this period and what fueled the more authoritarian and brutal aspects of French fascism. According to Soucy, these tendencies seen most recently in the right-wing activity of Jean-Marie Le Pen's National Front periodically emerge from perceived threats from alien elements in French society, whether they be Communists, Socialists, immigrants, Jews, feminists, hedonists, democrats, or liberals soft on Marxism and secularism. [A History of Fascism in France](#) Chris Millington, 2019-12-12 CHOICE Outstanding Academic Title 2021 *A History of Fascism in France* explores the origins, development, and action of fascism and extreme right and fascist organisations in France since the First World War. Synthesizing decades of scholarship, it is the first book in any language to trace the full story of French fascism from the First World War to the modern National Front, via the interwar years, the Vichy regime, and the collapse of the French Empire. Chris Millington unpicks why this extremist political phenomenon has at times found such fervent and widespread support among the French people. The book chronologically surveys fascism in France whilst contextualizing this within the broader European and colonial frameworks that are so significant to the subject. Concluding with a useful historiographical chapter that brings together all the previously explored aspects of fascism in France, *A History of Fascism in France* is a crucial volume for all students of European fascism and France in the 20th century. [France in the Era of Fascism](#) Brian Jenkins, 2005 This volume brings together the leading critics of the immunity thesis to fascism in France in the 1930s: Robert Paxton, Zeev Sternhell, and Robert Soucy, who have refined and updated their positions in these essays.

**French Literary Fascism** David Carroll, 1998-07-21 Focusing first on three important extremist nationalist writers at the turn of the century and then on five of the most visible fascist intellectuals in France in the 1930s, David Carroll shows how both traditional and modern concepts of art figure in the elaboration of fascist ideology and in the presentation of fascism as an art of the political. **France and Fascism** Brian Jenkins, Chris Millington, 2015-03-24 *France and Fascism* (February 1934 and the Dynamics of Political Crisis) is the first English language book to examine the most significant political event in

interwar France the Paris riots of February 1934 On 6 February 1934 thousands of fascist rioters almost succeeded in bringing down the French democratic regime The violence prompted the polarisation of French politics as hundreds of thousands of French citizens joined extreme right wing paramilitary leagues or the left wing Popular Front coalition This French civil war the first shots of which were fired in February 1934 would come to an end only at the Liberation of France ten years later The book challenges the assumption that the riots did not pose a serious threat to French democracy by providing a more balanced historical contextualisation of the events Each chapter follows a distinctive analytical framework incorporating the latest research in the field on French interwar politics as well as important new investigations into political violence and the dynamics of political crisis With a direct focus on the actual processes of the unfolding political crisis and the dynamics of the riots themselves *France and Fascism* offers a comprehensive analysis which will be of interest to undergraduate and postgraduate students as well as scholars in the areas of French history and politics and fascism and the far right

**France in the Era of Fascism** Brian Jenkins, 2007-04-01 France's response to the rise of European fascism during the 1930s and subsequently to the Nazi occupation 1940-44 has been a difficult subject for the nation's historians The consensus amongst leading French authorities on the period has been the claim that France was largely immune to fascism in the 1930s and that the Vichy regime was an aberration produced by defeat and occupation Over the last 30 years this position has gradually been undermined mainly through the work of foreign scholars but it nonetheless remains intact This volume brings together for the first time the leading critics of the standard French interpretation who have used these essays to refine and update their positions or to move the debate onto new terrain

*Gender and Fascism in Modern France* Melanie Hawthorne, Richard Joseph Golsan, 1997 Discovering the ways gender issues are articulated in the cultures of the extreme right in modern France

*Fascism's Return* Richard Joseph Golsan, 1998-01-01 In *Fascism's Return* eleven leading American and European scholars examine the resurgence of fascism from many angles providing an essential and timely view of this troubling moment in European political cultural and intellectual history Intellectual and public scandals surrounding the fascist past including the highly publicized Barbie and Touvier trials in France are addressed Other writers focus on controversial efforts to revise the historical representation of fascism in Germany and France The reemergence of the new fascist movements and ideologies in various European nations is also examined A final essay considers the controversial U S support during the 1980s of Central American dictatorships

*A History of Fascism, 1914-1945* Stanley G. Payne, 1996-07-15 *A History of Fascism* is an invaluable sourcebook offering a rare combination of detailed information and thoughtful analysis It is a masterpiece of comparative history for the comparisons enhance our understanding of each part of the whole The term fascist used so freely these days as a pejorative epithet that has nearly lost its meaning is precisely defined carefully applied and skillfully explained The analysis effectively restores the dimension of evil Susan Zuccotti *The Nation* A magisterial wholly accessible engaging study Payne defines fascism as a form of ultranationalism espousing a myth

of national rebirth and marked by extreme elitism mobilization of the masses exaltation of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly

**Transnational Neofascism in France and Italy** Andrea Mammone, 2019-02-21 This book describes the establishment evolution and international links of the extreme right in one of the main Western European areas Andrea Mammone details the long journey in the development of right wing extremism in France and Italy emphasizing the transfer exchange and borrowing of ideals personnel and strategies and the similarities among neofascist movements activists and thinkers across national boundaries from 1945 to the present day including the Cold War years the election of the European Parliament in 1979 and the 2014 EU elections Mammone analyzes the adaptation of neofascism in society and politics the building of international associations and pan national networks and the right leaning responses to the defeat of fascism European integration decolonization the events of 1968 immigration and the recent EU led austerity politics As a book implicitly on space borders and belonging it shows how some nationalisms may embody a transnational dimension and at times even pan European stances

*Renegotiating French Identity* Jane F. Fulcher, 2018-04-19 In *Renegotiating French Identity* Jane Fulcher addresses the question of cultural resistance to the German occupation and Vichy regime during the Second World War specifically by addressing the role of music

**Fascist Visions** Matthew Affron, Mark Antliff, 2022-02-08 Bringing together studies by art historians historians and political scientists *Fascist Visions* explores the themes and paradigms that pervaded protofascist and fascist aesthetic discourse cultural policy and artistic production in France and Italy Whether traditionalist or innovative in idiom art functioned as the expression of fascism's ideological polarities nihilism and idealism modernism and antimodernism revolution and reaction This volume charts the unfolding of fascist aesthetics from its genesis in nationalist and antimaterialist ideologies before World War I to its full development during the interwar period and World War II It also highlights the shared motivations of advocates of fascist aesthetics including artists art critics political activists and government officials outside of Germany The eight essays in this book investigate the intersection of fascist ideology and aesthetics through a wide range of historical examples Topics include theories of cultural regeneration in Italy from the Risorgimento to fascism the impact of fascism upon the work of such artists and art critics as Ardengo Soffici Mario Sironi Valentine de Saint Point and Waldemar George the theories of modernist urbanism developed by Georges Valois's Faisceau and official sponsorship of painting and the decorative arts in Mussolini's Italy and in Vichy France The contributors to this volume include Walter Adamson Matthew Affron Mark Antliff Emily Braun Michelle Cone Emilio Gentile Nancy Locke and Marla Stone

*French Fascism* Robert Soucy, 1995-01-01 Did fascism have a significant following in France in the 1930s Were its supporters predominantly from the political right or left This provocative book in conjunction with its acclaimed predecessor *French Fascism The First Wave* demolishes the notion that fascism never took hold in France Robert Soucy argues that France has a long standing fascist tradition one that arose he argues more from counterrevolutionary forces on

the right than from forces on the left Analyzing fascist double talk Soucy underscores the social and economic conservatism of such mass movements as Francisme the Solidarit Fran aise the Parti Populaire Fran ais and the Croix de Feu as well as the ideological and membership crossovers between them Examining police reports of the era he penetrates beneath the socialist rhetoric of these movements and describes their financial backing from the steel and electricity industries and the middle and lower middle class constituencies rather than workers who provided most of their recruits Soucy investigates why thousands of French men and women found fascist ideas attractive during this period and what fueled the more authoritarian and brutal aspects of French fascism According to Soucy these tendencies seen most recently in the right wing activity of Jean Marie Le Pen s National Front periodically emerge from perceived threats from alien elements in French society whether they be Communists Socialists immigrants Jews feminists hedonists democrats or liberals soft on Marxism and secularism

**The Extreme Right in Interwar France** Samuel Kalman,2016-12-05 Historians of the French extreme right frequently denote the existence of a strong xenophobic and nationalist tradition dating from the 1880s a perpetual anti republicanism which pervaded twentieth century political discourse Much attention is habitually paid to the interwar era deemed the zenith of this success when the leagues attracted hundreds of thousands of members and enjoyed significant political acclaim Most works on the subject speak of the French right or French fascism presenting compendia of figures and organizations from the Dreyfus Affair in the 1890s through the notorious Vichy regime the authoritarian construct which emerged following the defeat to Nazi Germany in June 1940 However historians rarely discuss the programmatic elements of extreme right wing doctrine which demanded the eradication of parliamentary democracy and the transformation of the nation and state according to group principles Instead most detail the organization and membership of various organizations and often recount their quotidian activities as political actors within and in opposition to the Third Republic This book offers a new interpretation of the extreme right in interwar French politics focusing upon the largest and most influential such groups in 1920s and 1930s the Faisceau and the Croix de Feu It explores their designs for extensive political economic and social renewal a project that commanded significant attention from the leadership and rank and file of both organizations providing the overarching goal behind their aspiration to power The book examines five components of these efforts A renewal of politics and government the establishment of a new economic order a revaluation of gender and familial relations the role of youth in the new socio political construct and the politics of exclusion inherent in every facet of Faisceau and CDF doctrine In so doing it contributes to a historical understanding of the programmatic elements of the interwar extreme right while simultaneously situating its most prominent exponents within their broader historical context *Crisis and Renewal in France, 1918-1962* Kenneth Mouré,Martin S. Alexander,2002 Since 1914 the French state has faced a succession of daunting crises This book showcases significant new scholarship reflecting greater access to French archival sources and focuses on the role of crises in fostering modernisation **Fascism, Liberalism and Europeanism in the Political Thought of**

**Bertrand de Jouvenel and Alfred Fabre-Luce** Daniel Knegt, 2025-10-01 Despite the recent rise in studies that approach fascism as a transnational phenomenon the links between fascism and internationalist intellectual currents have only received scant attention This book explores the political thought of Bertrand de Jouvenel and Alfred Fabre Luce two French intellectuals journalists and political writers who from 1930 to the mid 1950s moved between liberalism fascism and Europeanism Daniel Knegt argues that their longing for a united Europe was the driving force behind this ideological transformation and that we can see in their thought the earliest stages of what would become neoliberalism

**Women, Gender, and Fascism in Europe, 1919-45** Kevin Passmore, 2003 Investigates the role of women and gender in fascist and non fascist movements of the extreme right The text re examines the nature of the extreme right in the light of research in the field of women s and gender studies offering an accessible overview of developments in Europe

**World Fascism** Cyprian Blamires, 2006-09-18 This book shows how during the 20th century evils such as totalitarianism tyranny war and genocide became indelibly linked to the fascist cause and examines the enduring and popular appeal of an ideology that has counted princes poets and war heroes among its most fervent adherents From the followers of Hajj Amin Al Husseini the Arab leader who met with Adolf Hitler in November 1942 to the murderous death squads of the Croatian Ustasha to certain members of the British Establishment fascism s heady brew of extreme nationalism and revolutionary violence has attracted followers from across all religions races and classes Now widely reviled fascism became an immensely powerful political force in Western Europe throughout the 1930s and into the 1940s How did civilized nations like Italy Germany Austria and others succumb to an ideology now regarded by the political mainstream as barbarous and beyond the pale World Fascism A Historical Encyclopedia covers all the key personalities and movements throughout the history of fascism and brings to light some of the ideology s lesser known aspects from Hindu extremists in India to the influential role of certain women in fascist movements How did an ideology which was openly boastful of its belief in violence come to seduce the elites of some of the most civilized nations on earth What can explain fascism s enduring appeal

**The Third Republic in France, 1870-1940** William Fortescue, 2017-07-05 An essential introduction to the major political problems debates and conflicts which are central to the history of the Third Republic in France from the Franco Prussian War of 1870 71 to the fall of France in June 1940 It provides original sources detailed commentary and helpful chronologies and bibliographies on topics including the emergence of the regime and the Paris Commune of 1871 Franco German relations anti Semitism and the Dreyfus Affair the role of women and the importance of the national birth rate the character of the French Right and of French fascism

**Fascism: The 'fascist epoch'** Roger Griffin, Matthew Feldman, 2004 The nature of fascism has been hotly contested by scholars since the term was first coined by Mussolini in 1919 However for the first time since Italian fascism appeared there is now a significant degree of consensus amongst scholars about how to approach the generic term namely as a revolutionary form of ultra nationalism Seen from this perspective all forms of fascism have three common features anticonservatism a

myth of ethnic or national renewal and a conception of a nation in crisis This collection includes articles that show this new consensus which is inevitably contested as well as making available material which relates to aspects of fascism independently of any sort of consensus and also covering fascism of the inter and post war periods This is a comprehensive selection of texts reflecting both the extreme multi faceted nature of fascism as a phenomenon and the extraordinary divergence of interpretations of fascism

## French Fascism Introduction

In the digital age, access to information has become easier than ever before. The ability to download French Fascism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download French Fascism has opened up a world of possibilities. Downloading French Fascism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading French Fascism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download French Fascism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading French Fascism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading French Fascism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download French Fascism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About French Fascism Books

**What is a French Fascism PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a French Fascism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a French Fascism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a French Fascism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a French Fascism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
