

answer to the question is crucial to his thesis that the French nobility was in crisis.

The book remains, then, a discussion of 'how contemporaries saw the role of the nobility . . . following their own usually undifferentiated terminology' (p. 5). As such, it is an intelligent and honest introduction to a big problem. Everyone who reads it will look forward to a larger and perhaps more archival examination by Mr. Bitton of the themes and issues that he has so ably laid bare.

*French Political Pamphlets 1547-1648: A Catalog of Major Collections in American Libraries.* Comp. Robert O. Lindsay and John Neu. Madison, Wisconsin: The University of Wisconsin Press, 1969. xii+510. \$10.

In the absence of newspapers and other periodical publications such as exist today, the pamphlets that poured from the French printing presses in the sixteenth and seventeenth centuries kept their readers abreast of contemporary developments in many of which they participated. Those developments were varied, related, and momentous. In their totality, as they laid the bases of a new France which paradoxically is designated as 'the Old Regime,' they challenged their own historic heritage. When they did not entirely repudiate, they eroded existing institutional foundations, old social arrangements, economic practices, religious and cultural values which, with 'blood and sweat and tears,' with many passing setbacks and with even more unbroken continuity, had taken root in the French soil over the course of many generations.

While the sources of information concerning this troubled course are multiple, it is argued, correctly it appears, that the pamphlets were the single most numerous and revealing expression of views and opinions that aroused public interest or made impact upon public and personal feelings. Though they are customarily designated as 'political,' they were much more than that characterization connotes today. They vigorously examined and discussed all facets of national life and experience. All was grist for the mills of pamphleteers who both expressed public opinion and helped formulate it.

The largest single subdivision among these writings was the work of government or official publicists. Many such pamphlets have been reprinted in several French collections. But there were many others that also discussed the problems of government and society in rapid and tur-
