Landau,2022-05-09 Bibliography of Social Science Periodicals and Monograph Series United States. Bureau of the Census,1964 *Enlightening: Letters 1946 - 1960* Isaiah Berlin,2012-06-30 People are my landscape Isaiah Berlin liked to say and nowhere is the truth of this observation more evident than in his letters He is a fascinated watcher of human beings in all their variety and revels in describing them to his many correspondents His letters combine ironic social comedy and a passionate concern for individual freedom His interpretation of political events historical and contemporary and his views on how life should be lived are always grounded in the personal and his fiercest condemnation is reserved for purveyors of grand abstract theories that ignore what people are really like This second volume of Berlin s letters takes up the story when after war service in the United States he returns to life as an Oxford don Against the background of post war austerity the letters chart years of academic frustration and self doubt the intellectual explosion when he moves from philosophy to the history of ideas his growing national fame as broadcaster and lecturer the publication of some of his best known works his election to a professorship and his reaction to knighthood These are the years too of momentous developments in his private life the bachelor don s loss of sexual innocence the emotional turmoil of his father s death his courtship of a married woman and transformation into husband and stepfather Above all these revealing letters vividly display Berlin s effervescent personality often infuriating but always irresistible Harper's New Monthly Magazine ,1881 Harper's New Monthly Magazine Henry Mills Alden,1882 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs **A Franco-American Overview** ,1980 The ^AOxford Companion to Politics of the World Joel Krieger,2001-08-02 The world has seen dramatic changes since the publication of the first edition of The Oxford Companion to Politics of the World in 1993 In the post Cold War world globalization now offers wealth and opportunities on a broader scale as well as greater international harmony but threatens to reinforce the advantage gap between wealthy and poor regions and intensify environmental degradation Conflict and squalor expressed in brutal brushfire wars epidemics and chronic underdevelopment vie with equally dramatic accounts of growth and democracy associated with a liberal political order and the global diffusion of trade investment and communications Drawing on the breadth of the first edition this updated edition reflects the changing world with a reassessment of many of the core themes of the Companion and new articles on the people concepts and events that have shaped the world since 1993 The second edition includes biographies of Kofi Annan Tony Blair Bill Clinton and Gerhard Schroder articles on events such as the Rwandan Genocide and the war in Kosovo and coverage of international trade developments such as NAFTA and the World Trade Organization Eighty seven of the 672 articles in the Second Edition are completely new most others are thoroughly revised This edition also features a substantial new set of articles a dozen essays on critical issues written by influential figures Recognizing the importance of including varying viewpoints the editors have commissioned these essays to provide an informed and often passionate debate

on controversial topics Discussions include Lani Guinier and Glenn Loury on Affirmative Action Francis Fukuyama and Milton Fisk on the Limits of Liberal Democracy and Lloyd Axworthy and John Bolton on the United Nations The contributors discuss nearly every nation in the world including extensive information on institutions political parties leaders and the sources of political mobilization and conflict The volume also includes biographies of more than seventy five political leaders and thinkers who have shaped the contemporary political world Articles include detailed discussions of critical historical developments and events concepts international law and organizations The Oxford Companion to Politics of the World Second Edition is an accessible timely thought provoking and comprehensive reference that captures the complexity and vitality of contemporary world affairs *Political Science in India* Rajendra Narayan Sharma, Santosh Bakshi, 1978

*Speaking Out in Vietnam* Benedict J. Tria Kerkvliet, 2019-06-15 Since 1990 public political criticism has evolved into a prominent feature of Vietnam's political landscape So argues Benedict Kerkvliet in his analysis of Communist Party ruled Vietnam *Speaking Out in Vietnam* assesses the rise and diversity of these public displays of disagreement showing that it has morphed from family whispers to large scale use of electronic media In discussing how such criticism has become widespread over the last three decades Kerkvliet focuses on four clusters of critics factory workers demanding better wages and living standards villagers demonstrating and petitioning against corruption and land confiscations citizens opposing China's encroachment into Vietnam and criticizing China Vietnam relations and dissidents objecting to the party state regime and pressing for democratization He finds that public political criticism ranges from lambasting corrupt authorities to condemning repression of bloggers to protesting about working conditions *Speaking Out in Vietnam* shows that although we may think that the party state represses public criticism in fact Vietnamese authorities often tolerate and respond positively to such public and open protests **Nigeria at Fifty** Ebenezer Obadare, Wale Adebani, 2013-09-13 Nigeria Africa's most populous and biggest democracy celebrates her fiftieth year as an independent nation in October 2010 As the cliché states As Nigeria goes so goes Africa This book frames the socio historical and political trajectory of Nigeria while examining the many dimensions of the critical choices that she has made as an independent nation How does the social composition of interest and power illuminate the actualities and narratives of the Nigerian crisis How have the choices made by Nigerian leaders structured and or have been structured by the character of the Nigerian state and state society relations In what ways is Nigeria's mono product debt ridden dependent economy fed by the politics of plunder And what are the implications of these questions for the structural relationships of production reproduction and consumption This book confronts these questions by making state centric approaches to understanding African countries speak to relevant social theories that pluralize and complicate our understanding of the specific challenges of a prototypical postcolonial state This book was published as a special issue of the *Journal of Contemporary African Studies* *France on Trial* Julian Jackson, 2023-08-22 In July 1945 France's disgraced former head of state was on trial As head of the Vichy regime Philippe Pétain was a lightning rod for

collective guilt and retribution But he has also been a conservative icon ever since Julian Jackson blends courtroom drama and brilliant narrative history to examine one of history's great moral dilemmas Who's who, 1968 The Origins of the French Nationalist Movement, 1886-1914 Robert Lynn Fuller, 2014-01-10 This narrative history explores the emergence of one of the most influential Nationalist movements of modern Europe It explains how and why the movement united the far right with the far left in a militant campaign to wrest control of France from the moderate republicans who were attempting to stabilize the country after a century of political volatility The agitation groups propaganda machines street fighting gangs and political hustlers who made up the Nationalists all campaigned for one end to overthrow the Third Republic The eruption of the Dreyfus Affair 1894-1899 provided the Nationalists with a convenient target for their assaults the Dreyfusard defenders of a wrongly convicted Jewish army captain Alfred Dreyfus This work based on original archival research in France argues that the Nationalists posed a real and dangerous threat that dissipated only when their goals were adopted by more moderate competing groups
