The Oxford Handbook of French Politics Robert Elgie, Emiliano Grossman, Amy Mazur, 2016 The Oxford Handbook of French Politics provides a comprehensive and comparative overview of the French political system through the lens of political science The Handbook is organized into three parts the first part identifies foundational concepts for the French case including chapters on republicanism and social welfare the second part focuses on thematic large scale processes such identity governance and globalization while the third part examines a wide range of issues relating to substantive politics and policy among which are chapters on political representation political culture social movements economic policy gender policy and defense and security policy The volume brings together established and emerging scholars and seeks to examine the French political system from a comparative perspective The contributors provide a state of the art review both of the comparative scholarly literature and the study of the French case making The Oxford Handbook of French Politics an invaluable resource for anyone interested in the foundations of contemporary political life in France

The Wokisme Controversy Hervé-Thomas Campagne, 2025-06-12 Focusing on French controversies about wokisme a literal translation of the American word wokeism this book reflects on France s ongoing transformation into a multicultural society and the divisions this change has caused In the wake of the murder of George Floyd in 2020 and following the Black Lives Matter and MeToo movements American debates on race gender and equity reverberated throughout France While some welcomed progressive ideas on identity gender and race others perceived them as the expression of a new form of American cultural imperialism incompatible with France s universal model which rejects distinctions among citizens based on culture race religion ethnicity sex or gender Given that wokisme is seen by many in France as a facet of American soft power this book delves into French ambivalence toward Americanization Combining analysis of political academic and journalistic discourse with international relations approaches it unpacks the topic of French anti Americanism especially in the context of recent debates on U S style woke

ideology intersectionality and cancel culture **Problems of Contemporary French Politics** Dorothy Pickles,2023-02-14
First published in 1982 *Problems of Contemporary French Politics* looks at the most important political controversies that have preoccupied France from the death of de Gaulle up to and including 1981 presidential and legislative elections Three areas are discussed the evolution of government and opposition parties focusing in particular on their electoral attitudes and on the relations between parties making up the respective coalitions the changes in the European and world situation and their effects on French political thinking in the field of foreign policy and the political situation in which the fourth President of the Fifth Republic and the first socialist President takes up his office Dorothy Pickles looks dispassionately at what promise to be the main issues dominating French politics in the 1980s asking questions rather than suggesting answers This book is a must read for students and scholars of French politics French history European politics and international relations

Government and Politics of France Anne Stevens,2017-03-14 Updated throughout to cover the period of Chirac Jospin cohabitation and the implications of Chirac s success in the dramatic 2002 presidential and parliamentary elections the third edition of this popular and widely used text provides a clear and comprehensive account of the contemporary French political system **Politics in Europe** M. Donald Hancock,Christopher J. Carman,Marjorie Castle,David P. Conradt,Raffaella Y.

Nanetti,Robert Leonardi,William Safran,Stephen White,Michelle Hale Williams,Mary N. Hampton,2018-05-29 *Politics in Europe* Seventh Edition introduces students to the power of the European Union as well as seven political systems the UK France Germany Italy Sweden Russia Poland within a common analytical framework that enables students to conduct both single case and cross national analysis Each case addresses the most relevant questions of comparative political analysis who governs on behalf of what values with the collaboration of what groups in the face of what kind of opposition and with what socioeconomic and political consequences Packed with captivating photos and robust country descriptions from regional specialists the Seventh Edition enables students to think critically about these questions and make meaningful cross national comparisons **Historical Dictionary of France** Gino Raymond,2008-10-23 From the construction of Notre Dame and the Eiffel Tower to the Fall of the Bastille and the Declaration of the Rights of Man and the Citizen to Napol on Bonaparte s defeat at Waterloo to Albert Camus L Etranger and the existentialism of Jean Paul Sartre France has been a part of some of the greatest and most memorable events in human history Author Gino Raymond relates the history of these events in the second edition of the *Historical Dictionary of France* Through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on kings politicians authors architects composers artists and philosophers a thorough history of France is presented *The Politics of Electoral Systems* Michael Gallagher,Paul Mitchell,2005-09-15

Electoral systems matter They are a crucial link in the chain connecting the preferences of citizens to the policy choices made by governments They are chosen by political actors and once in existence have political consequences for those actors They are an important object of study for anyone interested in the political process and in this book we subject them to

systematic analysis In addition to some comparative chapters the book contains full accounts of the operation of electoral systems in 22 countries France the UK Germany Italy Israel Spain Austria Belgium Denmark Finland The Netherlands Ireland Hungary Russia Australia Canada India the USA Japan New Zealand Chile and South Africa The book provides detailed analyses of the operation of a diverse set of electoral systems in their national context Each chapter explains how the electoral system really works in the given country examining the strategic incentives the system provides to voters candidates and parties All country chapters have a common format and structure Successive sections analyse the institutional context how each electoral system was chosen historically how the current electoral system operates the rules mechanics and ballot structure and the political consequences of the current system the impact on the party system the internal life of parties and the impact on parliament and government formation Each country chapter then contains a final section which focuses on the politicization of electoral institutions In recent years many countries have changed their electoral systems either entirely or in part so there is a strong focus on the processes of electoral reform both historically and prospectively The book concentrates on the real world politics as well as the political science of electoral systems The book will be of interest to those concerned with the practical political business of electoral reform The book contains a wealth of evidence about the performance of various kinds of proportional representation and of non PR systems This will be invaluable for anyone interested in the question What would be the best electoral system for my country

Divided Government in Comparative Perspective Robert Elgie, 2001-11-08 Divided government occurs when the executive fails to enjoy majority support in at least one working house of the legislature To date the study of divided government has focused almost exclusively on the United States However divided government occurs much more widely It occurs in other presidential systems Moreover it is also the equivalent of minority government in parliamentary regimes and cohabitation in French style semi presidential systems This book examines the frequency causes and management of divided government in comparative context identifying the similarities and differences between the various experiences of this increasingly frequent form of government The countries studied include Denmark Ecuador Finland France Germany Ireland Mexico Poland and the US

and those interested and working in the fields of East European Politics Russian Politics EU Politics and more broadly in European Politics Comparative Politics Democratization Studies and International Relations *Comparative Public Administration* J.A. Chandler, 2014-05-30 This accessible introduction to the system of public administration uses a clear country by country analysis to the contemporary system of public administration and management in a number of significant countries This text examines the extent to which new public management politicians and public opinion can influence bureaucracies in various countries in addition it explores the role of public administration systems within the wider political systems and democratic frameworks of their states The new edition revises and updates several of the original country studies including the United States France the UK the Republic of Ireland and Italy and adds three more chapters on Greece Russia India and China Each chapter is written to a common framework which makes comparison easier and covers the following issues Political culture The Constitutional framework The civil service Public sector agencies Federal and local government Financing the system Co ordination of the system Managing the system Accountability secrecy and openness Democracy Further developments and the financial crash This student friendly volume is a highly valuable resource for students of Politics and Administration This textbook is essential reading for students of comparative public administration

Anti-Political Establishment Parties Amir Abedi, 2004-07-31 Recent electoral success of the Freedom Party in Austria List Pim Fortuyn in The Netherlands the People s Party in Denmark and the National Front in France have demonstrated the appeal of parties that challenge the political establishment This book seeks to explain why these parties have achieved a political breakthrough but unlike other studies in the area does not concentrate on only one type of party Instead it attempts to determine preconditions for the success of anti political establishment parties in general avoiding any time specific or ideology specific explanations

Global Ecological Politics Liam Leonard, John Barry, 2010-03-05 Examines the range of environmental campaigns that are occurring across the planet This title showcases a selection of case studies on grassroots initiatives and activism in areas such as green economic alternatives regional activism in defence of communities alternative or utopian communities green politics and ecotourism *The Europeanization of French Foreign Policy* R. Wong, 2005-12-16

This study examines the record of French and EU interactions with China Japan and Vietnam in the areas of economic exchanges political security relations and human rights to establish if there has been a trend of converging European politics and collective European conceptions of interest and identity It argues that the utility and impact of EU institutions on French foreign policy behaviour is more significant than is commonly imagined or admitted and that foreign policies of EU member states tend over the long term towards convergence **Decentralization and Constitutionalism in Africa** Charles M.

Fombad, Nico Steytler, 2019-09-10 This collection of essays assesses the efforts of African governments to constitutionalise decentralisation be it in the form of federalism local government or traditional authorities Since the end of the Cold War jurisdictions across Africa have witnessed an ostensible return to multi party democracy within the paradigm of

constitutionalism and the rule of law Linked to the democratisation process many countries took steps to decentralize power by departing from the heavily centralized systems inherited from colonial regimes The centralization of power typically characterized by the personalization and concentration of power in the hands of leaders and privileged elites in capital cities mostly resulted in repressive regimes and fragile states As decentralisation is a response to these challenges this volume analyses the dynamic relationship between the efforts to implement decentralization and presence or absence of constitutionalism This volume examines a variety of forms and degrees of decentralization found across Africa It advances a new understanding of trends and patterns and facilitates the exchange of ideas among African governments and scholars about the critical role that decentralisation may play in democratization of and constitutionalism in Africa

Representations and Othering in Discourse Beyza Ç. Tekin, 2010-11-11 This volume examines the construction of Turkey's possible European Union accession in French political discourse In today's France heated debates regarding Turkey's EU membership are turning into an essential part of European identity formation Once again the Turkish Other functions as a mirror for defining not only the European Self but also European values By providing a genuine and multi disciplinary approach for studying the Otherness attributed to Turkey this book contributes to our understanding of the Self Other nexus in International Relations Within a Critical Discourse Analysis framework this study explores the socio historical basis of the construction of Turkey's Otherness in an attempt to identify the processes through which past memories representations images and fantasies regarding Turkey are inserted into the French social imaginary Focusing on these significations which are re produced and become manifest through language this book strives to uncover the link between discourse and political action

The Burke-Wollstonecraft Debate Daniel I. O'Neill, 2010-11 Many modern conservatives and feminists trace the roots of their ideologies respectively to Edmund Burke 1729-1797 and Mary Wollstonecraft 1759-1797 Here according to the author Burke is misconstrued if viewed as mainly providing a warning about the dangers of attempting to turn utopian visions into political reality

The French Polity William Safran, 2003 Beautifully written and logically organized The French Polity Sixth Edition provides vital insight into the changing and constant character of the intricate French political scene Recent sometimes dramatic changes have taken place in French politics in the last several years This book features comprehensive and up to date coverage of all aspects of contemporary French politics policy and society with a lucid institutional approach that focuses on the executive political parties parliament the judiciary and interest groups as well as civil liberties public policy and administration
