## **Frequent Hearses A Detective Story:**

Frequent Hearses Edmund Crispin, 1952      **Frequent Hearses** Edmund Crispin, 1987-06-16 When Oxford don Gervase Fen serves as a literary advisor on a film he becomes involved with the death of a bit part actress      **Frequent Hearses** Edmund Crispin, 2011-10-28 Stars Starlets Floozies and factotums to the film world Gervase Fen suspects them all The young actress Gloria Scott drowns after throwing herself off Waterloo Bridge The news sends shock waves around her film studio where Gervase Fen Oxford Don and amateur criminologist just so happens to be working With help from friend the Inspector Humbleby the tragic loss of young life leads them to many more dark places Young Ms Scott's apartment has been searched and all signs of her real identity have been removed and what's more minutes before Humbleby interrogates her co workers one of them a lecherous cameraman is poisoned Equal parts compelling witty and ingenuous this novel is a classic example of great British detective fiction First published in 1950 *Frequent Hearses* was Edmund Crispin's seventh novel      *The Essential Mystery Lists* Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher's Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction      **Twelve Englishmen of Mystery** Earl F. Bargaïnner, 1984 There are hundreds of satisfactory and satisfying British mystery writers whose works should be studied both for their own individual accomplishments and for their comments on the society in which they were published in the last 150 years but who have not received any critical comment lately This volume is designed to correct that fault in a dozen of those unjustifiably neglected British authors Wilkie Collins A E W Mason G K Chesterton H C Bailey Anthony Berkeley Cox Nicholas Blake Michael Gilbert Julian Symons Dick Francis Edmund Crispin H R F Keating and Simon Brett      *The Collector's Book of Detective Fiction* Eric Quayle, 1972 A survey history of detective stories      *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress. Copyright Office, 1949      **Bruce Montgomery/Edmund Crispin: A Life in Music and Books** David Whittle, 2017-07-05 Under his real name Bruce Montgomery 1921-1978 wrote concert music and the scores for almost 50 feature films including some of the most enduring British comedies of the twentieth century amongst them a number in the series started by *Doctor in the House* and the first six *Carry On* films Under the pseudonym of Edmund Crispin

he enjoyed equal success as an author writing nine highly acclaimed detective novels and a number of short crime stories as well as compiling anthologies of science fiction which helped to increase the profile of the genre A close friend of both Philip Larkin and Kingsley Amis Montgomery did much to encourage their work In this first biography of Montgomery David Whittle draws on interviews with people who knew the writer and composer These interviews together with in depth research provide great insight into the development of Montgomery as a crime fiction writer and as a composer in the ever demanding world of films During the late 1950s and early 60s these demands were to prove too much for Montgomery Alcoholism combined with the onset of osteoporosis and a retreat into a semi reclusive lifestyle resulted in him writing and composing virtually nothing during the last 15 years of his life David Whittle examines the reasons for Montgomery s early and rapid decline in this thoroughly researched and engagingly written biography

**Detective Fiction and the Ghost Story** M. Cook,2014-07-15 Detective Fiction and the Ghost Story is a lively series of case studies celebrating the close relationship between detective fiction and the ghost story It features many of the most famous authors from both genres including Conan Doyle Agatha Christie M R James and Tony Hillerman

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1951 Includes Part 1A Books and Part 1B Pamphlets Serials and Contributions to Periodicals

*Building Character* Amy Cook,2018-02-28 What can we learn about how we understand each other and ourselves by examining the casting we find on stage and film the casting we find perfect and the casting we find wrong Building Character examines how the process of casting an actor in a part creates a character and how this can be usefully understood through deploying theories from the cognitive sciences A casting director may match the perceived qualities of an actor with the perceived qualities of the character but the combination is also synergistic casting a character creates qualities While casting directors do this professionally all of us do this when we make sense of the people around us This book argues that we build the characters of others from a sea of stimuli and that the process of watching actors take on roles improves our ability to cast those roles in our daily lives Amy Cook examines the visible celebrity casting such as Robert Downey Jr as Ironman or Judi Dench as Bond s M the political casting of one candidate as presidential and another as weak the miscasting of racial profiling and sexual assault and the counter casting that results when actors and characters are not where or who we expect

**Jolly Good Detecting** Bruce Shaw,2013-12-31 This book is an appreciation of selected authors who make extensive use of humor in English detective crime fiction Works using humor as an amelioration of the serious have their heyday in the Golden Age of crime writing but they belong also to a long tradition There is an identifiable lineage of humorous writing in crime fiction that ranges from mild wit to outright farce burlesque even slapstick A mix of entertainment with instruction is a tradition in English letters English crime fiction writers of the era circa 1913 to 1940 were raised in the mainstream literary tradition but turned their skills to detective fiction And they are the humorists of the genre This book is not an exhaustive study but an introduction into the best produced by the most capable and enjoyable

authors What the humorists seek is to surprise the reader by overturning their expectations using a repertoire of stylistic conceits and motifs recurring incidents devices references Humor has a liberating effect but is concerned too with comic contrast through ugliness and caricature In crime fiction one effect is intellectual pleasure at solving or attempting to solve a puzzle Another is entertainment but with serious undertones Mystery and Suspense Writers Robin W. Winks,1998 This volume contains bio critical information on popular writers of the genre *Women of Mystery* Martha Hailey DuBose,2000-12-11 In this remarkable book Martha Hailey DuBose has given those multitudes of readers who love the mystery novel an indispensable addition to their libraries Unlike other works on the subject *Women of Mystery* is not merely a directory of the novelists and their publications with a few biographical details DuBose combines extensive research into the lives of significant women mystery writers from Anna Katherine Green and Mary Roberts Rinehart with critical essays on their work anecdotes contemporary reviews and opinions and some of the women's own comments She takes us through the Golden Age of the British women mystery writers Christie Sayers Marsh Allingham and Tey to the leading crime novelists of today focused on the women who have become legends of the genre And though she laments so many mysteries so little time she makes a good effort mentioning some of the best of the rest When DuBose writes of the lives of her principal players she relates them to their times their families their personal situations and above all to their books She subtly points out that Sayers whose experience with the men in her life was inevitably disastrous created in Lord Peter the ideal lover one who is all that a woman desires and needs DuBose gives us the curriculum vitae that Dorothy Sayers created to help her bring Peter Wimsey to a virtual actuality Ngaio Marsh would give up an active presence in the theatrical world she loved but she recreated it for herself as well as her readers in many of her novels The biographies of these women are as engrossing as the stories they wrote and Martha DuBose has shined a different intimate and intriguing light on them their works and the lives that informed those works This book is so full of treasure it's hard to see how any mystery enthusiast will be able to do without it And what a gift it would make for anyone on your list who has been heard to announce I love a mystery Some of the treats inside In the Beginning The Mothers of Detection Anna Katherine Green Mary Roberts Rinehart A Golden Era The Genteel Puzzlers Agatha Christie Dorothy L Sayers Ngaio Marsh Margery Allingham Josephine Tey Modern Motives Mysteries of the Murderous Mind Patricia Highsmith P D James Ruth Rendell Mary Higgins Clark Sue Grafton and more

*History of Universities* Mordechai Feingold,2001-11-08 Volume XVI 2 of *History of Universities* contains the customary mix of learned articles book reviews conference reports and bibliographical information which makes this publication such an indispensable tool for the historian of higher education Its contributions range widely geographically chronologically and in subject matter The volume is as always a lively combination of original research and invaluable reference material

Whodunit? Rosemary Herbert,2003-05-08 Who populates the pages of crime and mystery writing Who are the characters we willingly follow into the mystery genre's uneasy imaginative territory And who created those characters in the first place

What life experience and expertise informs their work What are the sources of their themes regional accents and even the axes that some grind Why do some wish to give us a good laugh while others seem hell bent on making us shudder Whodunit answers these questions and more Here mystery expert Rosemary Herbert brings together enlightening and entertaining information on hundreds of classic and contemporary characters and authors Some such as P D James Ian Rankin Sherlock Holmes and Kinsey Millhone appear in individual entries Still more keep company in articles about characters we admire such as the Clerical Sleuth and in pieces about those we love to hate including the Femme Fatale and Con Artist There is even an article on a figure that haunts so many great works of mystery The Corpse Drawing on the Edgar Award nominated volume The Oxford Companion to Crime Mystery Writing Herbert adds 101 new entries on the hottest new names in works ranging from puzzling whodunits to chilling crime novels      **The Armchair Detective** ,1997      **Meddling with Ghosts** Ramsey Campbell,2001 This is a collection of ghost stories in the antiquarian tradition established by M R James It presents tales from authors who had an influence on James such as Sheridan Le Fanu Augustus Jessop and T G Jackson as well as recent writers      **Book Review Digest** ,1950      *Best Detective Stories of the Year* ,1972

### Frequent Hearses A Detective Story Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Frequent Hearses A Detective Story free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Frequent Hearses A Detective Story free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Frequent Hearses A Detective Story free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Frequent Hearses A Detective Story. In conclusion,

the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Frequent Hearses A Detective Story any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Frequent Hearses A Detective Story Books**

1. Where can I buy Frequent Hearses A Detective Story books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
