Fresh Verdicts On Joan Of Arc:

Fresh Verdicts on Joan of Arc Bonnie Wheeler, Charles T. Wood, 2014 **Joan of Arc** Deborah A. Fraioli, 2000 Does an immense service to anyone interested in Joan of Arc skillfully disentangles countless textual threads all centered around one problem the nature of Joan's mission as it was examined in the early theological debates A thorough and timely book

MYSTICS QUARTERLY Joan of Arc arrived at the French court claiming to be sent by God to come to the aid of the dauphin Charles Most studies of Joan focus on her political expediency but the starting point of this book is her assertion that she was sent by God it is the first real exploration of the application of the Catholic doctrine of *discretio spirituum* the discernment of spirits to her case and of her reception as a visionary woman The author examines contemporary theological documents which show genuine debate about Joan's mission and whether she was diabolically or divinely inspired also taking into account the two major literary works dealing with her Christine de Pizan's *Ditie de Jehanne d'Arc* and Martin Le Franc's *Le champion des dames* as well as Joan's own letter to the English Appendices offer translations of pertinent Latin and French texts Professor DEBORAH FRAIOLI teaches in the Department of Foreign Languages and Literatures at Simmons College Boston

Joan of Arc Scott Manning, 2023-01-09 Joan of Arc is the most recognizable woman from medieval Europe yet the details of her life remain obscure to the general public while heavily debated by specialists Rising from obscurity to insert herself into the court of French King Charles VII before marching with his armies to combat the enemies of the crown during the Hundred Years War she was eventually captured tried in an inquisition and then executed as a relapsed heretic at the age of 19 Joan of Arc A Reference Guide of Her Life and Works focuses on her life and legacy It features a chronology an introduction offers a brief account of her life a dictionary section lists entries on people groups places events topics terms and medieval documents central to Joan's life including her letters contemporary perspectives her condemnation trial and the nullification proceedings eventually blessed by the pope to overturn the verdict of the condemnation trial This book aims to provide an understanding not just of Joan but of the culture that produced and ultimately destroyed her

Joan of Arc: Her Story Regine Pernoud, Marie-Veronique Clin, 1999-10-15 In a distinguished English translation the bestselling French book now considered the standard biography of Joan published just in time for the upcoming film by Luc Besson

The Interrogation of Joan of Arc Karen Sullivan, 1999 The transcripts of Joan of Arc's trial for heresy at Rouen in 1431 and the minutes of her interrogation have long been recognized as our best source of information about the Maid of Orleans Historians generally view these legal texts as a precise account of Joan's words and by extension her beliefs Focusing on the minutes recorded by clerics however Karen Sullivan challenges the accuracy of the transcript In *The Interrogation of Joan of Arc* she re-reads the record not as a perfect reflection of a historical personality's words but as a literary text resulting from the collaboration between Joan and her interrogators Sullivan provides an illuminating and innovative account of Joan's trial and interrogation placing them in historical social and religious context In the fifteenth century interrogation was a method

of truth gathering identified not with people like Joan who was uneducated but with clerics like those who tried her When these clerics questioned Joan they did so as scholastics educated at the University of Paris as judges and assistants to judges and as pastors trained in hearing confessions The Interrogation of Joan of Arc traces Joan s conflicts with her interrogators not to differing political allegiances but to fundamental differences between clerical and lay cultures Sullivan demonstrates that the figure depicted in the transcripts as Joan of Arc is a complex multifaceted persona that results largely from these cultural differences Discerning and innovative this study suggests a powerful new interpretive model and redefines our sense of Joan and her time The Medieval World Peter Linehan,Janet L. Nelson,2013-09-13 This groundbreaking collection brings the Middle Ages to life and conveys the distinctiveness of this diverse constantly changing period Thirty eight scholars bring together one medieval world from many disparate worlds from Connacht to Constantinople and from Tynemouth to Timbuktu This extraordinary set of reconstructions presents the reader with a vivid re drawing of the medieval past offering fresh appraisals of the evidence and modern historical writing Chapters are thematically linked in four sections identities beliefs social values and symbolic order power and power structures elites organizations and groups Packed full of original scholarship The Medieval World is essential reading for anyone studying medieval history **Reader's Guide to Military History** Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations *21st Century Medievalisms* Karl Christian Alvestad,2023-06-01 21st Century Medievalisms Between the Global and Individual is an edited volume consisting of 14 chapters by scholars interested in contemporary medievalisms across the world It is a timely contribution to the growing scholarship on medievalisms offering chapters that consider both the individual experiences of medievalisms as well as those of societies and cultures at large The chapters of the book are grouped into three parts the first explores stereotypes and myths in medievalisms the second examines medievalisms that speak to particular communities and audiences and the third studies how medievalisms are impacted by or stimulate conversations of politics and gender These chapters all reflect a growing interest in medievalisms and the appreciation of how they are present materialise and evolve in different contexts and offers insights into medievalisms in politics popular culture social activism and more Throughout the book examples and case studies demonstrate how medievalisms in the modern age are at times individual experiences at other times global phenomena and sometimes are in between Therefore these medievalisms can speak to different audiences at the same time showcasing how the Middle Ages and their memory continue to be a pertinent topic of study within the wider field of medieval studies **The Reel Middle**

Ages Kevin J. Harty, 2015-08-13 Those tales of old King Arthur Robin Hood The Crusades Marco Polo Joan of Arc have been told and retold and the tradition of their telling has been gloriously upheld by filmmaking from its very inception From the earliest of Georges Melies's films in 1897 to a 1996 animated Hunchback of Notre Dame film has offered not just fantasy but exploration of these roles so vital to the modern psyche St Joan has undergone the transition from peasant girl to self-assured saint and Camelot has transcended the soundstage to evoke the Kennedys in the White House Here is the first comprehensive survey of more than 900 cinematic depictions of the European Middle Ages date of production country of origin director production company cast and a synopsis and commentary A bibliography index and over 100 stills complete this remarkable work

Medieval Women on Film Kevin J. Harty, 2020-04-02 In this first ever book length treatment 11 scholars with a variety of backgrounds in medieval studies film studies and medievalism discuss how historical and fictional medieval women have been portrayed on film and their connections to the feminist movements of the 20th and 21st centuries From detailed studies of the portrayal of female desire and sexuality to explorations of how and when these women gain agency these essays look at the different ways these women reinforce defy and complicate traditional gender roles Individual essays discuss the complex and sometimes conflicting cinematic treatments of Guinevere Morgan Le Fay Isolde Maid Marian Lady Godiva Heloise Eleanor of Aquitaine and Joan of Arc Additional essays discuss the women in Fritz Lang's The Nibelungen Liv Ullmann's Kristin Lavransdatter and Bertrand Tavernier's La Passion Beatrice

The Cambridge Companion to Medieval Women's Writing Carolyn Dinshaw, David Wallace, 2003-05-22 The Cambridge Companion to Medieval Women's Writing seeks to recover the lives and particular experiences of medieval women by concentrating on various kinds of texts the texts they wrote themselves as well as texts that attempted to shape limit or expand their lives The first section investigates the roles traditionally assigned to medieval women as virgins widows and wives it also considers female childhood and relations between women The second section explores social spaces including textuality itself for every surviving medieval manuscript bespeaks collaborative effort It considers women as authors as anchoresses dead to the world and as preachers and teachers in the world staking claims to authority without entering a pulpit The final section considers the lives and writings of remarkable women including Marie de France Heloise Joan of Arc Julian of Norwich Margery Kempe and female lyricists and romancers whose names are lost but whose texts survive

Heroes and Legends of Fin-de-Siècle France Venita Datta, 2011-04-11 In Heroes and Legends of Fin de Siècle France Venita Datta examines representations of fictional and real heroes in the boulevard theater and mass press during the fin de siècle 1880-1914 illuminating the role of gender in the construction of national identity during this formative period of French history The popularity of the heroic cult at this time was in part the result of defeat in the Franco-Prussian War in 1870 as well as a reaction to changing gender roles and collective guilt about the egoism and selfishness of modern consumer culture The author analyzes representations of historical figures in the theater focusing on Cyrano de Bergerac Napoleon and Joan of Arc

and examines the press coverage of heroes and anti heroes in the Bazar de la Charit fire of 1897 and the Ullmo spy case of 1907

Medieval Hagiography Thomas F. Head, 2001 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

A Cultural History of Women in the Middle Ages Kim M. Phillips, 2015-04-02 The medieval era has been described as the Age of Chivalry and the Age of Faith but also as the Dark Ages Medieval women have often been viewed as subject to a punishing misogyny which limited their legal rights and economic activities but some scholars have claimed they enjoyed a rough and ready equality with men The contrasting figures of Eve and the Virgin Mary loom over historians interpretations of the period 1000 1500 Yet a wealth of recent historiography goes behind these conventional motifs showing how medieval women s lives were shaped by status age life stage geography and religion as well as by gender A Cultural History of Women in the Middle Ages presents essays on medieval women s life cycle bodies and sexuality religion and popular beliefs medicine and disease public and private realms education and work power and artistic representation to illustrate the diversity of medieval women s lives and constructions of femininity

The Hundred Years War Revisited Anne Curry, 2019-08-24 The conflict between England and France in the 14th and 15th centuries never ceases to fascinate This stimulating edited collection inspired by the Problems in Focus volume originally published in 1971 provides a fresh and accessible insight into the key aspects of The Hundred Years War With chapters written by leading experts in the field based on new methodologies and recent advances in scholarship this book places the Anglo French wars into a range of wider contexts such as politics the home front the church and chivalry Adopting a sustained comparative approach with attention paid to both England and France The Hundred Years War Revisited provides a clear and comprehensive synthesis of the major trends in research on the Hundred Years War Concise and thought provoking this is essential reading for undergraduate and postgraduate students of medieval history

The Cambridge Companion to French Literature John D. Lyons, 2016 A fresh and comprehensive account of the literature of France from medieval romances to twenty first century experimental poetry and novels

Law, Justice, and Society in the Medieval World Esther Liberman Cuenca, M. Christina Bruno, Anthony Perron, 2025-05-06 This coursebook is the first full length study of cinematic legal medievalism or the modern interpretation of medieval law in film and popular culture For more than a century filmmakers have used the Middle Ages to produce popular entertainment and comment on contemporary issues Each of the twenty chapters in Law Justice and Society in the Medieval World represents an original contribution to our understanding of how medieval regulations laws and customs have been depicted in film It offers a window into the rules of medieval society through the lens of popular culture This book includes analyses of recent and older films avant garde as well as popular cinema Films discussed in this book include Braveheart 1995 Kingdom of Heaven 2005 The Passion of Joan of Arc 1928 The Last Duel 2021 The Green Knight 2021 The Little Hours 2017 and The Adventures of Robin Hood 1938 among others Each chapter explores the contemporary context of the film in question the medieval literary or historical milieu the film references and the lessons

the film can teach us about the medieval world Attached to each chapter is an appendix of medieval documentary sources and reading questions to prompt critical reflection

A Cumulative Bibliography of Medieval Military History and Technology Kelly DeVries,2001-11-01 There is perhaps no other more lively area for study in medieval history than medieval military history with its attendant and complementary field the history of medieval military technology In the past twenty years it seems that more major scholarly inroads have been made in this field than in any other historical genre of medieval studies or chronological period of military history What this has meant is that it is now more difficult to keep up with all of the trends and sources in the field than ever before Hence the need for a reference work which covers what has previously been written and which in turn can assist the scholar both the more experienced academic and the beginner to improve his or her work in medieval military history or the history of medieval military technology Utilizing library catalogues bibliographies and footnotes this bibliography has compiled the most complete list of secondary references to works in medieval military history and the history of military technology It keeps fairly strictly to a geography which centers on conventional medieval boundaries Europe Byzantium and the Middle East However the chronology does differ from the conventional medieval dates Because of its influence on the early Middle Ages references to Late Antiquity especially to the military history and technology of the third and fourth century Roman Empire have been included For the opposite reason the influence of the Middle Ages on the sixteenth and early seventeenth centuries references to military history and technology up to 1648 have been included as well This is especially important in the study of the Ottoman Turkish Wars and Arms and Armor where the end of the fifteenth century as a chronological terminus makes little sense

Saints and Sinners on Horseback Volume 1 Miriam A. Bibby,2023-08-01 In Saints and Sinners on Horseback Volume I we meet saints sinners and their horses mules and donkeys on the road Whether saint sinner or simply all too human the medieval individual s connection to equids reflected relationships with other animals the rest of humanity and with the deity Knowledge of horses permeated hagiographies and homilies histories and biographies Equids were recruited in commentaries on morality and Christian duty In a world in which equids are not so readily encountered Saints and Sinners on Horseback informs the modern reader about the essential part played by horses in medieval life literature and belief

Eloquent Virgins M. McInerney,2003-10-24 The tales of the virgin martyrs inevitably emphasize the torture and mutilation of beautiful young women To the modern reader these popular texts seem like exercises in sadism but while they could be made to function as vehicles for active misogyny they also provided Medieval women such as Hildegard of Bingen and Joan of Arc with role models who helped them to shape their own extraordinary destinies This book explores the ability of the virgin body to generate contradictory meanings both repressive and liberating depending on who told the tale and how it was told
