Beyond Health, Beyond Choice Paige Hall Smith, Bernice Hausman, Miriam Lobbok, 2012-08-15 Current public health promotion of breastfeeding relies heavily on health messaging and individual behavior change Women are told that breast is best but too little serious attention is given to addressing the many social economic and political factors that combine to limit women's real choice to breastfeed beyond a few days or weeks The result women's infants and public health interests are undermined Beyond Health Beyond Choice examines how feminist perspectives can inform public health support for breastfeeding Written by authors from diverse disciplines perspectives and countries this collection of essays is arranged thematically and considers breastfeeding in relation to public health and health care work and family embodiment specifically breastfeeding in public economic and ethnic factors guilt violence and commercialization By examining women's experiences and bringing feminist insights to bear on a public issue the editors attempt to reframe the discussion to better inform public health approaches and political action Doing so can help us recognize the value of breastfeeding for the public's health and the important productive and reproductive contributions women make to the world

Rekindling Martien Snellen, 2010-03-29 We all know parenthood brings massive changes But not every couple is prepared for the impact pregnancy and childbirth can have on their intimate relationship Sure we expect to put sex on hold for a while just before and after the birth but most of us naively assume that things will eventually return more or less to normal Unfortunately for many couples it doesn't work out like that And although it's true as Martien Snellen points out that no one ever died from lack of sex Well sometimes it can make a relationship feel a little bit under the weather Dr Martien Snellen is a psychiatrist with an extensive practice in relationship counselling In this new edition of his immensely well received book originally released as Sex from divergent levels of interest to just not being able to find the time And most importantly he offers practical suggestions to help get the
