**The Memoirs and Correspondence** Frieda Lawrence,1961 Erindringer af og breve til og fra forfatteren D H Lawrence s kone 1879 1956    **Frieda Lawrence** Frieda von Richthofen Lawrence,Ernest Warnock Tedlock,1982-01-01    *The*

*memoirs of Frieda Lawrence* Frieda Lawrence,James Elery Holland,1976    **A Russian Jew of Bloomsbury** Galya Diment,2011 A Russian Jew of Bloomsbury looks at the remarkable influence that an outsider had on the tightly knit circle of Britain s cultural elite Among Koteliantsky s friends were Katherine Mansfield Leonard and Virginia Woolf Mark Gertler Lady Ottoline Morrell H G Wells and Dilys Powell But it was his close and turbulent friendship with D H Lawrence that proved to be Koteliantsky s lasting legacy In a lively and vibrant narrative Galya Diment shows how despite Kot s determination he could never escape the dark aspects of his past or overcome the streak of anti-Semitism that ran through British society including the hearts and minds of many of his famous literary friends

**Writing the Lives of Writers** Warwick Gould,T. Staley,1998-07-15 Writing the Lives of Writers ponders that strange ventriloquized dialogue between biographers and their subjects a dialogue all the stranger when the subject is a writer It contains 22 essays by internationally distinguished scholars and biographers including Martin C Battestin Isobel Grundy John Haffenden Hermione Lee Lawrence Lipking Ray Monk Hazel Rowley Max Saunders Martin Stannard and John Worthen They tackle the lives of Chaucer Tyndale More Fielding and Lady Mary Wortley Montagu Wordsworth Henry James Ford Madox Ford Yeats Lawrence Dorothy Richardson Virginia Woolf Malcolm Lowry F R Leavis Richard Wright and Brian Penton

**D. H. Lawrence, Technology, and Modernity** Indrek Männiste,2019-02-07 While the dehumanizing effects of technology modernity and industrialization have been widely recognized in D H Lawrence s works no book length study has been dedicated to this topic This collection of newly commissioned essays by a cast of international scholars fills a genuine void and investigates Lawrence s peculiar relationship with modern technology and modernity in its many and varied aspects Addressing themes such as pastoral vs industrial mining war robots ecocriticism technologies of the self film poetic devices of technology entertainment and many others these essays help to reevaluate Lawrence s complicated standing within the modernist literary tradition and reveal the true theoretical wealth of a writer whose whole life and work according to T S Eliot was an assertion of what the modern world has lost

**Sons and Lovers: The Biography of a Novel** Neil Roberts,2016-08-11 The book recounts the story of how Sons and Lovers was written how Lawrence s life was transformed during the writing and the contributions of the women in his life to his work    **More Than Petticoats: Remarkable New Mexico Women, 2nd** Beverly West,2012-03-06 New Mexico has not always been the Land of Enchantment It was shaped into the great state that it is today by remarkable people throughout history More than Petticoats Remarkable New Mexico Women describes the lives of female teachers writers entrepreneurs and artists who helped to create the state of New Mexico and change the face of American history    **Aldous Huxley Donald Watt**,2013-09-05 This set comprises forty volumes covering nineteenth and twentieth century European and

American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first sixty eight volume set of Critical Heritage published by Routledge in October 1995     **The Genius of Aldous Huxley** Samiran Kumar Paul,2020-12-08 The Genius of Aldous Huxley is an attempt to make a critical analysis of Aldous Huxley s novels essays and plays The significant results of his stance in terms of his critical heritage were threefold the explicit message of the later fiction struck most readers as being detrimental to its artistry criticism of Huxley s craft often became indistinguishable from criticism of his ideas the popular response to Huxley s work continued to grow but the critical reception declined While they were looking to him for guidance practically none of Huxley s readers were prepared for the directions he took in the coming books His critics had so consistently overlooked the deeper import of the earlier work that the new outspoken idealism seemed an abrupt reversal if not a contradiction of attitudes The shift of emphasis in Huxley s work introduced during the war years a period of new ferment and trial for his critical reputation The volume of response never slackened if anything it increased He has revealed himself as one of the few capable makers of cultural synthesis in our time His concern for mankind is so obvious that one can only think readers who see nothing in his later fiction but obsessions and bitterness are incapable of appreciating his intentions or his powers     [Metaphor and Meaning in D.H. Lawrence's Later Novels](#) John B. Humma,1990 Although D H Lawrence s later novels have been the subject of much discussion by critics few scholars have recognized or dealt with his sense of craft By examining Lawrence s careful and finely orchestrated strategies with language especially metaphor Humma argues that a number of the longer works from Aaron s Rod on and including the posthumously published The Virgin and the Gipsy are small masterpieces Different in kind from Women in Love or The Rainbow these fictions are very important in their own way Humma maintains that the early and middle novels work largely through powerful symbols Those of the last decade though develop through an intricate interlacing of metaphor and symbolic detail Humma devotes a chapter to each to Aaron s Rod The Ladybird Kangaroo St Mawr The Plumed Serpent The Virgin and the Gipsy Lady Chatterley s Lover and The Escaped Cock Aaron s Rod as a transitional work reveals much about Lawrence s narrative method and its dependence upon combinations of images The Plumed Serpent Humma suggests is Lawrence s most ambitious failure Other critics have faulted plot character and meaning but Humma sees incoherent metaphors as the basis for those other problems Because Lawrence s metaphors shape myths essential to central actions and meanings the reader cannot fully appreciate the strategic function of metaphor in them When Lawrence s method is successful as it is in Lady Chatterley s Lover for example figures of speech overlap each other crossing boundaries in a web of interpenetrating metaphors that provide both structural integrity and thematic resonance Paying close attention to the texts Metaphor and Meaning in D H Lawrence s Later Novels shows that Lawrence was far from the indifferent craftsman in his later fiction that he has frequently been considered In fact Lawrence was acutely aware that language and meaning are inseparable that technique as Mark Schorer said is discovery John Humma s fresh perspective

upon the art and meaning of Lawrence s later work provides a major revaluation of this last phase in the writer s career

*Love between Men in English Literature* Paul Hammond,1996-11-12 This is the first book to provide an account of the representation of emotional and sexual relationships between men across English literature from the Renaissance to the modern period Based on new research but aimed at the student and the general reader Paul Hammond discusses major writers such as Marlowe and Shakespeare Tennyson and Wilde Forster and Lawrence but also introduces less familiar texts which cast light on the homosexual culture of their periods There is an extensive bibliography *The Life of Bertrand Russell* Ronald Clark,2011-09-28 The eloquent and intimate biography of one of the most significant figures of the last century Bertrand Russell was a British philosopher logician mathematician historian writer social critic political activist and won the Nobel Prize for literature Born into the high world of the Whig aristocracy among people for whom Waterloo was still almost a personal memory Russell lived to inspire the campaign against nuclear warfare He was imprisoned in 1918 for his Pacifism Ronald Clark with access to a mass of material provides a fascinating and graphic portrait of the man There is virtually no aspect of Russell s long life to which something new and often unexpected is not added by this remarkable and incisive book *The Quest for Rananim* George J. Zytaruk,1970-01-01
