It will also find that the APSRG offers a means for keeping current on public government and specifically with public administration, state and local government policy questions despite the normal restriction of the legislative and executive branches and time and circumstance of the judiciary. The key to the entire program is the use of the database of the Political Science Series. As an innovative idea, the APSRG is an approach to political research which focuses upon a Universal Reference System. Combining a single area within the discipline of political science with the definitive URS Supplement and a science. The first in a proposed series of refined indexing procedure, the APSRG is a softcover research guide. The APSRG is reproduced under the supervision of the same scholarly representative of the guiding principle of providers who develop that annual supplement. **American Political Science Research Guide**, 1977 Siegel's Corporations Brian N.
