Dying to Grow (Free eBook Sampler) Nathan Lorick ,2013-08-01 Never before have we seen the church degenerate at such a rapid pace This is largely due to the church pursuing congregational growth instead of kingdom growth The church is dying because our growth isn't based on strategies to reach the lost with the gospel The time to change is now we can't wait any longer People's eternities are at stake What is your church's priority Are you more concerned with filling your building or furthering the Kingdom This book will challenge you to evaluate just how important gospel based evangelism is to you and your church and call on you to restore an intentional evangelism strategy within the body Hell will tremble when churches once again make evangelism the central theme of their strategy

Invitation to Evangelism Timothy K. Beougher, 2021-08-24 Essential guidance for a lifestyle

of sharing God's good news with a lost world. What exactly does it mean to evangelize in a Christian sense? And how is such evangelizing supposed to be done? Longtime pastor, evangelist, and professor of evangelism Timothy K. Beougher answers these questions and more from theological, historical, and practical perspectives. Beougher demonstrates God's goodness in evangelism through relatable anecdotes, Bible teaching, and encouraging instruction. *Invitation to Evangelism* welcomes believers into the experience of stepping out in faith on behalf of people God loves. Most Christians know that they should be sharing the good news of Jesus Christ with nonbelievers, and most also know they aren't witnessing very well, or even at all. They need help internalizing the content of gospel proclamation and identifying the best way to go about making evangelism a natural part of their lives. *Invitation to Evangelism* guides readers through the essential issues of the gospel message, evangelism methods, and witnessing models so they are ready and excited to move out in faith as everyday evangelists. Beougher's biblical, theological, historical, and practical teaching revolves around following essential aspects of being an evangelist: Having compassion as the motivation for evangelism; Understanding the good news of Jesus Christ; Seeing lost people as persons God loves; Relying on the power of the Holy Spirit; Paving the way for new believers to share their faith eagerly with others. Covenant Companion, 2004. *Leadership Secrets of Billy Graham for Graduates* Harold Myra, Marshall Shelley, 2006-02. Give the graduate a look into the leadership secrets of one of the most renowned leaders today, Billy Graham. Filled with devotions and Scriptures to challenge the new graduate, this book is an ideal gift. □□□□ □□□□□□□□. **To Believe or Not to Believe** Jack Perkins, DMin. LADC, 2022-10-12. Research has shown there is a great divide between the church and the unaffiliated to include those who tend toward atheism. This concern inspired the author to step away from full-time ministry to work as a counselor in a state-owned and operated residential facility to better understand the thought processes of those who are not invested in Christianity. He became aware of an us versus them mindset held by some Christians; this attitude has resulted in Christians drawing a tight circle around themselves that has created a barrier for reaching those not affiliated with the church. There are several consequences. First, it has resulted in a deep decline in baptisms and church affiliation; for churches, less than 50 percent of Americans surveyed are members of a church. Second, it has resulted in Christians believing there is no hope for those outside the church. Third, the gospel presentation utilized by many is to continually make jabs at the unaffiliated, bordering on a scare tactic. Too many churches have attempted to use revival-era styles of evangelism, contemporary approaches, and/or a social perspective; however, the chasm has widened. This book takes an in-depth look at the philosophical systems that keep people from embracing Christianity. The author also provides a theological model for helping others understand a theological base for the Christian worldview. The greatest contribution of the book is the way it offers hope for reaching the unaffiliated and provides practical ways of connecting with those outside the church. American Book Publishing Record, 2004. **Telling the Story, Second Edition** Luis Palau, Tim Robnett, 2023-07-26. Have you been called to tell the story? Maybe you think you would like to
