Going Solo

Roald Dahl

Going Solo:

Going Solo Roald Dahl, 2009-01-22 From the bestselling author *Charlie and the Chocolate Factory* and *The BFG* comes an autobiographical account of his exploits as a World War II pilot Superb stories daring deeds fantastic adventures Learn all about Roald Dahl's encounters with the enemy his worldwide travels the life threatening injuries he sustained in a plane accident and the rest of his sometimes bizarre often unnerving and always colorful adventures Told with the same irresistible appeal that has made Roald Dahl one of the world's best loved writers *Going Solo* brings you directly into the action and into the mind of this fascinating man

Going Solo Eric Klinenberg, 2013-01-29 With eye opening statistics original data and vivid portraits of people who live alone renowned sociologist Eric Klinenberg upends conventional wisdom to deliver the definitive take on how the rise of going solo is transforming the American experience Klinenberg shows that most single dwellers whether in their twenties or eighties are deeply engaged in social and civic life There's even evidence that people who live alone enjoy better mental health and have more environmentally sustainable lifestyles Drawing on more than three hundred in depth interviews Klinenberg presents a revelatory examination of the most significant demographic shift since the baby boom and offers surprising insights on the benefits of this epochal change

Going Solo G. Stuart Smith, 2011-05-30 The traditional model of video news reporting has always had two separate roles reporting and videography For years however small market news outlets have relied on one man bands individual reporters who shoot and edit their own video for stories and footage Lately as the journalism landscape has evolved this controversial practice has grown more and more popular With the use of video constantly expanding many large market TV stations networks and newspaper Web sites are relying on one person to carry out a job formerly executed by two News outlets now call these contributors VJs digital journalists backpack journalists or mobile journalists But no matter what they are called there's no denying the growing significance of solo videojournalists to the media landscape *Going Solo: Doing Videojournalism in the 21st Century* details the controversy history and rise of this news genre but its main objective is to show aspiring videojournalists how to learn the craft While other textbooks depict the conventional reporter and videographer model *Going Solo* innovates by teaching readers how to successfully juggle the skills traditionally required of two different people Award winning journalist G Stuart Smith begins by describing how and why the media's use of solo videojournalists is growing then delves into the controversy over whether one person can cover a story as well as two He illuminates how together the downsizing of the media downturn in the economy and growth of video on the Web have led to the rise of the solo videojournalist model *Going Solo* profiles TV stations and newspaper Web operations across the country that are using the model and offers helpful advice from VJs in the field The book presents useful guidelines on how to multitask as a reporter videographer conducting interviews shooting cover video and writing and editing a good video story Readers will also learn how to produce non narrated stories and market themselves in a competitive field Smith who started his career as a one man band insightfully covers an area of

journalism that despite its growing market demand has received little academic attention *Going Solo* Doing Videojournalism in the 21st Century is useful for students learning the basics and those already in the field who need to upgrade their skills By presenting industry know how and valuable tips this unique guidebook can help any enterprising videojournalist create a niche for him or herself in the increasingly fragmented news media market **GOING SOLO** James Voigt,2021-07-14 2 That nagging voice in your head is probably right I am not on a crusade to convince everyone to go solo My crusade is to reach those who want to go solo but are afraid to try to pull it off Jim Voigt had had the spirit of a solo professional from a young age starting his first business Corporate Start Ups at the age of 14 After a successful career in sales Jim turned to law and put his sales skills to work building a strong book of business But traditional employment never clicked and Jim longed for more freedom both financially and personally His transition to solo practice went well but he saw other solo professionals struggle He wanted to help *Going Solo* is the result of his research into the struggles and successes of his own career and those professionals he met along his journey Jim now brings his practical message of the attainability of solo freedom to others who feel trapped in traditional firms or underperforming solo practices **Going Solo** Robert Beeson,2018-04-03 As parents face the difficult reality of a broken home a sense of being completely overwhelmed can shut down the perspective they need to find restoration Parents need to know that they can choose to define this season of their lives instead of becoming defined by circumstances They can deliberately look toward God and come to a deeper understanding of His true nature power and intimate care As this former Christian music industry executive shares his story of divorce his seven years as a single father and his transition to a second marriage and a blended family he also offers readers some hard learned lessons and insights on being an effective empathetic and empowered single parent answering crucial questions such as How do I find peace when everything around me is chaos How do I manage meeting needs when I have nothing to give How and where do I begin again The author addresses the fears and exhaustion of single parenting while revealing the keys to gaining strength and courage for each day He also shares how he found his solo relationship with his heavenly Father through his solo parenting season Readers will learn five helpful habits and practical healing principles they can immediately apply in this season of life *Going Solo* Genevieve Roberts,2019-04-18 *Going Solo* is the empowering and uplifting story of one woman s choice to become a single mother I hope this story gives hope to anyone who wants children and to anyone who finds themselves single Not to follow this path necessarily but to remember that there are always many options Aged thirty seven single and having experienced two miscarriages Genevieve Roberts found out that her fertility levels were dwindling On hearing this news she made the courageous decision to embark on motherhood solo and eventually became pregnant using a sperm donor Genevieve describes her initial fear of the prospect of birth without a partner and the trepidation she felt towards all the responsibility she has taken on She recounts all the milestones of pregnancy and motherhood that most women share with their partner going to NCT classes alone taking part in birthing workshops with her sister in law her

amazement that two people in her pregnancy yoga class are following the same path as her But ultimately what triumphs is Genevieve's excitement at meeting her daughter She recalls the first months of parenthood navigating the love worry and tiredness of life with a newborn without a partner She describes the beautiful simplicity of the relationship between herself and her daughter as she gets to know Astrid without having to consider a partner Going Solo is for anyone whose life has taken an unexpected twist for people who are interested in modern families and for those who want to take control of their life and follow their dreams of parenthood It celebrates the fulfilment that comes from following what makes you happy and reminds us that beauty may be found when life offers a surprise or a deviation from convention **Going Solo in the**

Kitchen Jane Doerfer, 1998-08-25 At last a supremely practical cookbook designed expressly for single people With more than 350 superb yet simple recipes for all occasions and loaded with time and money saving strategies for buying storing and recycling food in quantities that won't get wasted Going Solo in the Kitchen is for solo cooks who don't want to spend a lot of time in the kitchen but who are tired of take out and who want to eat food that's delicious nutritious and inexpensive Whether it's a quick one dish meal of Sautéed Beef with Mushrooms a satisfying soup supper such as Vegetable Bean Soup with crusty bread a summer night's dinner of Avocado Papaya and Shrimp Salad or a Sunday splurge of Chicken Breast Baked with Garlic with enough leftovers for a sandwich at work the next day and a cold chicken salad later in the week here is food that will lure beginners and seasoned cooks alike into the kitchen putting a variety of flavors and a wealth of taste into every meal *Going Solo - Travel Safety Tips for Women - How to Travel Safely Around the Country or Around the World* Dueep Jyot Singh, John Davidson, 2015-03-17 Table of Contents Going Solo Travel Safety Tips for Women Introduction Getting Prepared to Travel Traveling Internationally When to Call Your Embassy for Help Potential Trouble Situations Dress Code What to Have in Your Purse Woman Safety App Money Money Money While on a Journey In an Unknown Neighborhood Parleying in the Local Lingo Harassment Harassed by Flirts Silence is Golden Meeting New Acquaintances Driving Rules Travel Plans Conclusion Author Bio Publisher Introduction Going Solo Thanks to the world shrinking due to more advanced transport facilities more and more women are taking the first step of traveling to other countries and exploring the new cultures and horizons open to them It is the first step outside your own safe and secure circle which is rather daunting So for most of us Going solo is not something which people normally do because let me tell you frankly I have noticed that a number of my women friends colleagues and acquaintances consider any sort of traveled to be a bore Who really wants to undergo the hassle of being a woman all lonesome on her own traveling to a strange country or city Traveling all alone in your own country or abroad you must be joking DJ This attitude was rather surprising because I took travelling alone to be a part and parcel of my own lifestyle while growing up and I definitely did not have any hassle in picking up my small travelling bag and catching my train all alone on a long journey even when I was 15 But then I was just going from one known destination to another known destination So I did not bother much about the safety aspects then because I knew both destinations well So

for me at that time Going solo was the rule and not an exception But things changed later while working It was a different matter altogether I never knew when the call would come from the top for me to get myself to such and such place by such and such time to attend such and such a meeting or meet XYZ At that time I always had a bag packed in a corner because I never knew when I had to drop everything and fly down to all corners of the compass on official duty Sometimes I had my team of colleagues and juniors with me Sometimes I was needed to go alone And half of them just hated the idea of traveling because they were not used to it Even when tickets hotel stay transport and all other facilities were laid out for them they just did not want to go and see a brand new place and experience a brand new culture How much they have missed out of life This book is for all those adventurous souls who want to go out somewhere and experience new experiences but there always daunted by the thought that it is not safe for women to travel anywhere in their own country or outside And definitely not traveling solo in this world full of crime and xenophobia This book is to explode some of those myths This book is also going to give you lots of useful information about safety tips for women traveling alone based on my experiences as well as the experiences of my other peripatetic friends Also there are some amusing anecdotes and episodes recounted to me by my well traveled father which may not exactly touch on safety but can touch on some of the experiences that you may face when visiting a new country So let the adventure begin

Dare to Go Solo - The Things You Don't Know about Traveling Around the World Elizabeth Sugar Boese,2006-10-01 Learn all the tricks and tips on traveling through the world Know what to pack learn how to find cheap flights explore styles of traveling safety precautions and lots of good advice and scams to avoid It covers all the essentials from choosing where to go what to do before you go while you re there and when you return It also shows a lot of great tips on keeping to a low budget as well as how to track your money while you travel A must read before traveling Table of Contents What Why Where To Trip Planning Before You Go What to Bring While You re There Tips and Tidbits Scams and Shenanigans Top 10 s Quips Quirks and Quotes Why People Travel Could This Be You Where Does the Money All Go Resources About Me

Going Solo Catherine Jones,2013-07-04 Kate has almost resigned herself to remaining single for ever After all any man willing to take her on also has to take on an instant family in the form of her adorable baby son So this dedicated working mother is surprised to find not one but two men vying for her attention First there s her boss Greek hotel tycoon Andreas Powerful enigmatic and rich he makes it clear he d like to take their relationship beyond office hours And then there s Martin Kate feels the first stirrings of attraction for her sexy colleague Maybe she won t have to go through life solo after all

Traveling Solo, Faith Not Fear Karen Stilson Armour,2011-10-31 Karen Stilson Armour has been traveling abroad since 2001 She has traveled alone in Northern and Eastern Africa through Central America and into the South Pacific Her travels have been planned with God taken with God and blessed by God Ever deepening faith has made her a fearless traveler Through numerous conversations Karen came to the realization that there are an alarming number of Christians who fear With some probing from God she decided to tackle the issue of fear within her

travel writing debut The result is an entertaining compilation of some of her memorable travel experiences intertwined with her knowledge of how to conquer fear and build a relationship with God worthy of His protection and continuous blessing It is all about faith which is determined by how much knowledge you possess The more of God s word you know the less fear can take hold in your life Karen Stilson Armour Within this brilliantly intertwined text you will encounter adventure romance humor positive quotes chosen to make you think comprehensive how to prepare and go chapters and the Holy inspired word of God Whether you are an experienced traveler or an armchair traveler there is something written here for everyone karenstilsonarmour com

Yashiro-kun's Guide to Going Solo Dojyomaru,2022-09-26 Shigeaki Yashiro is proud to be a loner doing his own thing without getting involved with others From studying alone in a karaoke room to relaxing by himself in open air hot springs Yashiro is an expert in finding the perks of doing things solo But his solitary existence begins to unravel when Kanon Hanamizawa one of the popular girls at school asks him to teach her his ways She knows just how exhausting keeping up with all the latest trends can be especially since she s afraid to talk about her own uncool hobbies Yashiro becomes Hanamizawa s reluctant teacher but soon finds himself tangled in the antics of his apprentice s popular friends A lone wolf could learn some new tricks from social butterflies

Traveling Solo, but Never Alone Bill Harrison,2020-08-18 When my wife passed away four days before Christmas in 2017 I was devastated Mary and I had a challenging exciting and adventurous life together for over 53 years traveling the globe and finding success in a number of careers But suddenly she was gone I had lost my identity and purpose I cried out What now Lord Why am I still here What do you have in store for me now And over the ensuing months God began to show me that although my role had drastically changed my identity as his child remained the same and that he still had a purpose in my being here which he began to reveal to me And he reassured me though I was now traveling solo I would never be alone This book is the story of my journey since Mary s passing and what I have learned from my experiences I hope it will be a source of inspiration for those who have experienced great loss encouraging them with the knowledge that God is not finished with them but has much more for them to learn experience and accomplish To follow my continuing journey see my blogs at <https://spiritualentrepreneurship.com/blog/posta> Finally Enjoy Spiritual Entrepreneurship Fulfilling Your God Ordained Destiny By Bill and Mary Harrison Available Wherever You Buy Your Books
