sleuth their way through the tangles of bureaucracy and the many layers of deception within the Goldsen crew they discover there is more to this incident than what meets the eye The deeper they dig they realize no one can be trusted not even the law Not only do they have to tiptoe around their still burning feelings for each other they need to come to a simple truce Can they watch each other s backs and find the answers in the darkest part of the forest **Appendix to Report of the Dublin**
