Goju Quest Robert Leiterman, 2005 Martial arts was one thing that Shawn a 15 year old boy from a small California town was good at and he knew it But it was his misguided anger from his parent s separation that got him into trouble When Shawn s Sensei found out that he had been starting fights he rallied to set Shawn straight giving him two choices to either quit the arts that he loved so much or to take him and his friend on a quest into the wilderness It takes a fight with persistent bullies to encourage Shawn to choose a quest into the heart of the wilderness a place he has never been before The deeper they traveled into the shadows of the ancient forest the greater the mystery became With the help of a spirit guide he pushes himself beyond his wildest dreams The solitude only seems to make his imagination come alive as he challenged his mind body and spirit Despite all he has learned felt and seen he finds that his hardest challenge was yet to come **TEEN**
