## Gold Cattle Country:

**Gold and Cattle Country** Herman Oliver, 1962      *Cattle Country* Kathryn Cornell Dolan, 2021-06 As beef and cattle production progressed in nineteenth century America the cow emerged as the nation's representative food animal and earned a culturally prominent role in the literature of the day In *Cattle Country* Kathryn Cornell Dolan examines the role cattle played in narratives throughout the century to show how the struggles within U S food culture mapped onto society's broader struggles with colonization environmentalism U S identity ethnicity and industrialization Dolan examines diverse texts from Native American African American Mexican American and white authors that showcase the zeitgeist of anxiety surrounding U S identity as cattle gradually became an industrialized food source altering the country's culture while exacting a high cost to humans animals and the land From Henry David Thoreau's descriptions of indigenous cuisines as a challenge to the rising monoculture to Washington Irving's travel narratives that foreshadow cattle replacing American bison in the West to Mar a Amparo Ruiz de Burton's use of cattle to connect race and imperialism in her work authors' preoccupations with cattle underscored their concern for resource depletion habitat destruction and the wasteful overproduction of a single breed of livestock *Cattle Country* offers a window into the ways authors worked to negotiate the consequences of the development of this food culture and by excavating the history of U S settler colonialism through the figure of cattle sheds new ecocritical light on nineteenth century literature      **Gold of the Gods** Marshal South, 1935

*Cattle Country & Back Trail* Erwin A Thompson, 2006-11 This is from the author's note for *Cattle Country* the first novelette of the three There are many things here that can be found in nearly any Western for it is not a calm book But I hope you will feel The courage of John Wade as he tries to fill a job that he knows is far too big for him The strain of the decision Wells has to make of whether to get out of town safely himself or help the sheriff who will probably arrest him when the shooting is over The sting of Wade's words as he tells Jim Halleran I'd like to think you were still a man I could be proud to know The frustration of Katherine Wade as she stamps her foot on the floor of the sheriff's office and says Damn Cowards The bigness of Henry Ashburn as he gives Bob Darlington a hand in a fight that does not concern him at all This is *Cattle Country* I grew up in times and places much like Erwin Thompson paints in *Cattle Country* *Back Trail* and *The Invincible Three* Although those times are gone Thompson's well written voice rings true with the memory and flavor of a world that should not be lost Jim Lyle author of *Things Seen in the Dessert*      **Gold of the Gods** Marshal South (pseud.), 1944\*      The Golden Age of Brazil 1695-1750 C.R. Boxer, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1962      **The Ranch of the Wolverine** B.
