**Costa Rica** Marlin Calvo Mora, Leidy Bonilla Vargas, Julio Sánchez Pérez, 1995 **Costa Rica** Marlin Calvo Mora, Museo Nacional de Costa Rica (San José, Costa Rica), 1995 Jade in Ancient Costa Rica Mark Miller Graham, 1998 Published in conjunction with its namesake Metropolitan Museum of Art exhibition September 16 1998 February 28 1999 this finely illustrated catalogue providing context to pre Columbian works of jade tempts one to see the originals from Costa Rica s Museo del Jade Marco Fidel Tristan Castro and elsewhere Annotation copyrighted by Book News Inc Portland OR *Costa Rica* Marlin Calvo Mora, L.. Bonilla Vargas, J.. Sanchez Perez, 1997 **Gold and Power in Ancient Costa Rica, Panama, and Colombia** Jeffrey Quilter, John W. Hoopes, 2003 The lands between Mesoamerica and the Central Andes are famed for the rich diversity of ancient cultures that inhabited them Throughout this vast region from about AD 700 until the sixteenth century Spanish invasion a rich and varied tradition of goldworking was practiced The amount of gold produced and worn by native inhabitants was so great that Columbus dubbed the last New World shores he sailed as Costa Rica the Rich Coast Despite the long recognized importance of the region in its contribution to Pre Columbian culture very few books are readily available especially in English on these lands of gold Gold and Power in Ancient Costa Rica Panama and Colombia now fills that gap with eleven articles by leading scholars in the field Issues of culture change the nature of chiefdom societies long distance trade and transport ideologies of value and the technologies of goldworking are covered in these essays as are the role of metals as expressions and materializations of spiritual political and economic power These topics are accompanied by new information on the role of stone statuary and lapidary work craft and trade specialization and many more topics including a reevaluation of the concept of the Intermediate Area Collectively the volume provides a new perspective on the prehistory of these lands and includes articles by Latin American scholars whose writings have rarely been published in English The Jaguar Within Rebecca R. Stone, 2012-09-21 An important new way of viewing the prehistoric art of the Americas The Jaguar Within demonstrates that understanding a work of art s connection with shamanic trance can lead to an appreciation of it as an extremely creative solution to the inherent challenge of giving material form to nonmaterial realities and states of being Shamanism the practice of entering a trance state to experience visions of a reality beyond the ordinary and to gain esoteric knowledge has been an important part of life for indigenous societies throughout the Americas from prehistoric times until the present Much has been written about shamanism in both scholarly and popular literature but few authors have linked it to another significant visual realm art In this pioneering study Rebecca R Stone considers how deep familiarity with and profound respect for the extra ordinary visionary experiences of shamanism profoundly affected the artistic output of indigenous cultures in Central and South America before the European invasions of the sixteenth century Using ethnographic accounts of shamanic trance experiences Stone defines a core set of trance vision characteristics including enhanced senses ego dissolution bodily distortions flying spinning and undulating sensations synaesthesia and

physical transformation from the human self into animal and other states of being Stone then traces these visionary characteristics in ancient artworks from Costa Rica and Peru She makes a convincing case that these works especially those of the Moche depict shamans in a trance state or else convey the perceptual experience of visions by creating deliberately chaotic and distorted conglomerations of partial inverted and incoherent images     Important Pre-Columbian and Native American Art Heritage Auction Galleries (Dallas, Tex.),2006     *Aves de piedra, barro y oro en la Costa Rica precolombina* Patricia Fernández Esquivel,Julio Sánchez Pérez,2009 A scholarly and physically stunning presentation of the use of bird imagery in pre Columbian Costa Rican art with an equal balance of photos and text Includes indigenous culture contemporary links and comparative photos of artifacts and actual birds     **The Art of Precolumbian Gold** Jan Mitchell,1985     The Archaeology of Mesoamerican Animals Kitty F. Emery,Christopher M. Gotz,2013-11-15 Recognition of the role of animals in ancient diet economy politics and ritual is vital to understanding ancient cultures fully while following the clues available from animal remains in reconstructing environments is vital to understanding the ancient relationship between humans and the world around them In response to the growing interest in the field of zooarchaeology this volume presents current research from across the many cultures and regions of Mesoamerica dealing specifically with the most current issues in zooarchaeological literature Geographically the essays collected here index the different aspects of animal use by the indigenous populations of the entire area between the northern borders of Mexico and the southern borders of lower Central America This includes such diverse cultures as the north Mexican hunter gatherers the Olmec Maya Mixtec Zapotec and Central American Indians The time frame of the volume extends from the earliest human occupation the Preclassic Classic Postclassic and Colonial manifestations to recent times The book s chapters written by experts in the field of Mesoamerican zooarchaeology provide important general background on the domestic and ritual use of animals in early and classic Mesoamerica and Central America but deal also with special aspects of human animal relationships such as early domestication and symbolism of animals and important yet otherwise poorly represented aspects of taphonomy and zooarchaeological methodology Spanish language version also available ISBN 978 1 937040 12 3     **The Explorer** Cleveland Museum of Natural History,1995     *San JosŽ & Costa Rica's Central Valley* Bruce Conord,June Conord,2009 It really gave us everything we needed to plan our trip and now that we are here we use it to find just about everything If you have not visited Costa Rica yet get a copy of this book and come on down it is fabulous PURA VIDA My husband and I just spent our honeymoon in Costa Rica and believe it or not found this Adventure Guide to be the best resource for exciting things to do and see It was also accurate for finding hotels that had that little bit of extra ambiance we wanted for romance We had used Lonely Planet guidebooks on other trips but found this guidebook to be much better It s easy to use has lovely photographs and for rainy nights it made good armchair reading I heartily recommend the Adventure Guide for a wonderful vacation in Costa Rica     **Costa Rica's Caribbean Coast** Bruce Conord,June Conord,2009 Peppered throughout the text

are quotes from literature music and popular sayings from everyone from Gilbert and Sullivan to Martin Luther King and The Beach Boys All fit the text and you ll be excused from breaking away from the travel information and thumbing through to see who the Conords will quote next The book recommends locking your passport in your hotel safe and when you go out carrying a photocopy that you ve made before you leave home That advice generates much debate in travel circles a question of balancing authorities insistence on seeing the original document with the risk of losing it In any case a copy made before departure without that all important entry stamp into the country would never suffice But these matters are small and forgivable in a guide packed with such solid information      **Pocket Adventures Costa Rica** Bruce Conord,June

Conord,2006-03 Annotation This guide contains all the practical travel information you need places to stay and eat tourist information resources travel advice emergency contacts and more plus condensed sections on history and geography that give you good background knowledge of the destination Plus this edition is now in full color throughout The authors are fascinated with the destination and their passion comes across in the text which is lively revealing and a pleasure to read Sidebars highlight unusual facts and tell of local legends adding to your travel experience Detailed town and regional maps make planning day trips or city tours easy Adventures covered range from town sightseeing tours and nature watching to sea kayaking and organized jungle excursions Travelers looking for a more relaxed vacation may want to sign up for language classes or take a course on traditional regional cooking these cultural adventures will introduce you to the people and afford you a truly unique travel experience We travel to grow our Adventure Guides show you how Experience the places you visit more directly freshly intensely than you would otherwise sometimes best done on foot in a canoe or through cultural adventures like art courses cooking classes learning the language meeting the people This can make your trip life changing unforgettable All of the detailed information you need is here about the hotels restaurants shopping sightseeing But we also lead you to new discoveries turning corners never before turned helping you learn about the world in a new way Adventure Guides make that possible I am here in Costa Rica in an internet cafe and had to take the time to tell everyone what a good book this is It really gave us everything we needed to plan our trip and now that we are here we use it to find just about everything If you have not visited Costa Rica yet get a copy of this book and come on down it is fabulous PURA VIDA
