Gold Prices And Wages Under The Greenback Standard:

Gold, Prices, and Wages Under the Greenback Standard Wesley Clair Mitchell, 1908 **Gold Prices, and Wages Under the Greenback Standard** Wesley Clair Mitchell, 1908 **Gold** Wesley Clair Mitchell, 1966 *Gold prices and wages under the greenback standard* Wesley C. Mitchell, 1966 **Gold, Prices, and Wages Under the Greenback Standard** Wesley Clair Mitchell, 2015-08-31 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Gold, Prices, and Wages Under the Greenback Standard - Primary Source Edition Wesley Clair Mitchell, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *The Settlement of Wage Disputes* Herbert Feis, 1921 **Gold Production and Prices Before and After the World War** Lionel Danforth Edie, 1928 **The Wages of Unskilled Labor in Manufacturing Industries in the United States, 1890-1924** Whitney Coombs, 1926

Wages and Labor Markets in the United States, 1820-1860 Robert A. Margo, 2009-02-15 Research by economists and economic historians has greatly expanded our knowledge of labor markets and real wages in the United States since the Civil War but the period from 1820 to 1860 has been far less studied Robert Margo fills this gap by collecting and analyzing the payroll records of civilians hired by the United States Army and the 1850 and 1860 manuscript federal Censuses of Social Statistics New wage series are constructed for three occupational groups common laborers artisans and white collar workers in each of the four major census regions Northeast Midwest South Atlantic and South Central over the period 1820 to 1860 and also for California between 1847 and 1860 Margo uses these data along with previously collected evidence on prices to explore a variety of issues central to antebellum economic development This volume makes a significant contribution to economic history by presenting a vast amount of previously unexamined data to advance the understanding of the history of

wages and labor markets in the antebellum economy **The Greenback Era** Irwin Unger, 2022-07-11 In this book which won the Pulitzer Prize The Greenback Era is not a financial history rather it is an attempt to locate the source of political power in the crucial Reconstruction years through a socio economic study of American financial conflict during the years 1865 to 1879 **The Purchasing Power of Money** Irving Fisher, Harry Gunnison Brown, 1925 The Business of Civil War Mark R. Wilson, 2006-07-15 This wide ranging original account of the politics and economics of the giant military supply project in the North reconstructs an important but little known part of Civil War history Drawing on new and extensive research in army and business archives Mark R Wilson offers a fresh view of the wartime North and the ways in which its economy worked when the Lincoln administration with unprecedented military effort moved to suppress the rebellion This task of equipping and sustaining Union forces fell to career army procurement officers Largely free from political partisanship or any formal free market ideology they created a mixed military economy with a complex contracting system that they pieced together to meet the experience of civil war Wilson argues that the North owed its victory to these professional military men and their finely tuned relationships with contractors public officials and war workers Wilson also examines the obstacles military bureaucrats faced many of which illuminated basic problems of modern political economy the balance between efficiency and equity the promotion of competition and the protection of workers welfare The struggle over these problems determined the flow of hundreds of millions of dollars it also redirected American political and economic development by forcing citizens to grapple with difficult questions about the proper relationships among government business and labor Students of the American Civil War will welcome this fresh study of military industrial production and procurement on the home front long an obscure topic *Miscellaneous Bulletins on Reconstruction in the United States*, 1919 **Bulletin ... of Books Added to the Public Library of Detroit, Mich**, 1908 An Outline of International Price Theories Chi-Yuen Wu, 2007 Chi Yuen Wu from China was an Austrian price theorist writing during Mises s own time His great contribution was this 1939 treatise written while studying at the London School of Economics under the guidance of Lionel Robbins Though the author deals primarily with the history of thought Murray Rothbard considered it to be a seminal contribution to the theory of price and international trade **Indiana University Studies** Indiana University, 1928 *Comparative Morphology of the Oriental Maydeae* Paul Weatherwax, 1926 **The Value of Money** Benjamin McAlester Anderson, 1917 The Value of Money BENJAMIN MACALESTER ANDERSON (JR.), 2020-02-26 Reprint of the original first published in 1917
