Gold Rush Boy:

The Gold Rush Kid Mary Waldorf,2008-06-16 When 12 year old Billy McGee s mother dies suddenly of typhoid fever he and his older sister Edna are faced with the unhappy prospect of getting sent to live with distant relatives Instead Edna disguises herself as a boy and the two set out from their home in Skagway Alaska for the Yukon Territory They know that plenty of adults with all the right equipment and supplies have attempted the grueling trek over the mountains to Canada and haven t made it But Billy and Ed are determined to find their pa who left for the gold fields two weeks earlier With the help of a young man named Jack and a dog named Persey the McGees persevere and adjust to life on the gold rush trail Prospecting for gold isn t quite the grand adventure Billy imagined it would be though Survival in such an unforgiving environment demands sacrifices And sometimes those sacrifices can seem horribly unfair like having to say goodbye to a beloved pet This deftly drawn tale of grit luck and survival is full of seamlessly integrated details of the Klondike gold rush of the 1890s Told with humor and suspense here is a fast paced action packed story that will captivate the imaginations of adventure and historical fiction fans alike Rock N Roll Gold Rush Maury Dean,2003 An appreciation of Rock n Roll song by song from its roots and its inspriations to its divergent recent trends A work of rough genius DeanOCOs attempt to make connections though time and across genres is laudable Boys' Life ,1980-06 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **Boys' Life** ,1948-10 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *Boys' Life* ,1933-06 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **Educational Films** ,1973 **Ruby Red and Goldrush Yellow** Branwen C. was born to Dutch parents on the island of Goeree and Overflakkee in the southwest region of the Netherlands It was depression time that not only affected the United States but also in Europe and other parts of the World Survival was only for the strong The weak and timid would perish under the world s oppression It was a time that many would never forget It was about survival obtaining food clothing shelter and achieving employment Watching out for one another became a family affair Work was scarce along with food and money The young and old alike persisted in their efforts to make ends meet It is through the eyes and collective thoughts of this little boy from Holland that we are introduced to his more than ordinary life near the North Sea As life goes on many follow the same road from childhood to adulthood It is through life changing circumstances that ultimately shape our well being What happens in our lives and what we learn will define us in what we become and achieve The autobiography of Roland s life is indeed extraordinary The stories of his life his loves his adventures and his quest to succeed in life are imaginable but yet remind us of our human nature and our ever increasing need to live our lives to the fullest Modernization was unheard of There was no television or modern appliances like a washer dryer and refrigerator People were poor and many families were quite large Roland came from a family of seven children He was the second oldest of six brothers and one sister As many families found out each day was a struggle For the Krygsman family growing up during the depression period meant that they all needed to work together Each child was to be treated equally Each received just enough to survive There was never abundance only what each child would get from mother and father Even grandpa and grandma from both sides of the family assisted in caring for all the children It was truly a family affair Mother and father shouldn t have picked their favorites but they did Roland would come to find out sooner than later in his young life that he wasn t wanted How could such loving parents like his deny him of love or to be loved It is through our childhood that helps shape us into the men and women we become How we reach that pinnacle is embedded in our minds As children we dream of someday becoming someone we can respect honor and adore We all have dreams but somehow many are robbed of the grand scheme and fall short in life We have to settle for less and of course our play on life is distorted We are locked into life s grip of being less than worthy We share feelings of inadequacy and failure and wonder aimlessly through life looking for the right answers Roland was such a boy who developed into a young man looking for life s answers As a young boy he suffered the loss of a dear brother and was destined to forever try winning over his mother and father s admiration While going from childhood to adolescence he faced many challenges and adventures that would have many children today standing in awe From repairing to rebuilding bicycles Roland hustled to carve out a piece of his own stake Attending technical school to become a dental assistant he persevered to achieve the most in life Some of his adventures are shared with the reader Throughout all what he lived through life was never simple
