Gold Safari:

Ebony Mask / Ebony Gold Wallace Collins, 2003-03-23 Years ago I met a friend in London I had not seen in many years He posed a very interesting question to me He wanted me to give him a statement on Jomo Kenyatta who was then incarcerated as the leader of the Mau Mau uprising in Kenya Though I did not have an answer for my friend I kept his question in my mind Then years later my wife and I decided to visit Kenya on Safari with friends which I recount here vividly in this book They were like two birds set free hoop the coop flew away from their prison abode caged for decades until February 1990 on that sunny day in Capetown when I saw Nelson Mandela live on CNN Television with his wife Winnie Mandela They strolled through the gates of Pollsmoor Prison away from 37 years of incarceration by the Apartheid Regime That experience intrigued me enough that my wife and I decided with a group of friends to visit South Africa and see what would happen to us as a group of African Americans it was while there that I touched yellow Ebony Gold as detailed in my book *The Gold Book*, 1990

Jerome Mandel's NOTHING GOLD CAN STAY is a compassionate, profound exploration of human nature and self-discovery. **Gold, Ivory and Slaves** Norman Handy, 2019-11-07 Norman Handy vividly describes travelling down the West Coast of Africa. He writes about the misery of Africans captured and shipped across the Atlantic to be sold into slavery. European manufactured goods were traded in Africa to buy slaves who were then shipped to the Americas to be traded again for tobacco, sugar, and rum. More than twelve million Africans were slaves until they were eventually freed. In the scramble for Africa, colonial powers competed to grab as much African land as they could. It wasn't about slavery but about despicable economic exploitation. Borders were arbitrarily decided by colonial powers with no regard to local realities. Then came independence and exploitation of the local people by their own people, widely known as The African Way. Is it any better today?

A Deadly Shade of Gold John D. MacDonald, 2013-03-12 John D. MacDonald was the great entertainer of our age and a mesmerizing storyteller. Stephen King. With an Introduction by Lee Child. When Travis McGee picks up the phone and hears a voice from his past, he can't help it. He has to meddle. Especially when he has the chance to reunite Sam Taggart, a reckless, restless man like himself, with the woman who's still waiting for him. But what begins as a simple matchmaking scheme soon becomes a bloody chase that takes McGee to Mexico, a beautiful country from which he hopes to return alive. Deception. Betrayal. Heartbreak. When Sam left his girlfriend Nora and vanished from Fort Lauderdale, no one was surprised. But when he shows up three years later, lying in a pool of his own blood, people start to ask questions. And his old friend Travis McGee is left to find answers. But all he has to go on are a gold Aztec idol and a very angry ex-girlfriend. Is that enough to find his friend's killer? And when the truth is as terrifying as this, does he really want answers after all? Praise for *A Deadly Shade of Gold*: Travis McGee is the last of the great knights errant, honorable, sensual, skillful, and tough. I can't think of anyone who has replaced him. I can't think of anyone who would dare. Donald Westlake. John D. MacDonald is a shining example for all of us in the field. Mary Higgins Clark. ***Finding Gold Amongst the Shit - Paradise in 2017*** Trevor Martinson, 2018-01-14 I started 2017 with high hopes and so much positivity. My aim was to document the positives during the year, the small positives that in our busy lives so often get overlooked. In one way, the year was a build-up to my climb of Kilimanjaro in September, which the HR Manager's Tale records. However, the reality soon came to be that there was so much more happening during the year, a lot of which challenged my ability to find the gold amongst the shit. But find it I did, and I persevered with this project despite the problems and negativity I saw for others and felt in myself. To me, this made this year-long project even more worthwhile and even more real.
