collaboration in French museology      **Cannibal Culture** Deborah Root, 2018-10-08 The book examines the ways Western art and Western commerce co-opt, pigeonhole and commodify so-called native experiences. It raises important and uncomfortable questions about how we travel, what we buy and how we determine cultural merit      *The Invisible Hand in Popular Culture* Paul Arthur Cantor, 2012-11-05 Popular culture often champions freedom as the fundamentally American way of life and celebrates the virtues of independence and self-reliance. But film and television have also explored the tension between freedom and other core values such as order and political stability. What may look like healthy, productive and creative freedom from one point of view may look like chaos, anarchy and a source of destructive conflict from another. Film and television continually pose the question: Can Americans deal with their problems on their own or must they rely on political elites to manage their lives? In this groundbreaking work, Paul A. Cantor explores the ways in which television shows such as *Star Trek*, *The X-Files*, *South Park* and *Deadwood* and films such as *The Aviator* and *Mars Attacks* have portrayed both top-down and bottom-up models of order. Drawing on the works of John Locke, Adam Smith, Alexis de Tocqueville and other proponents of freedom, Cantor contrasts the classical liberal vision of America, particularly its emphasis on the virtues of spontaneous order, with the Marxist understanding of the culture industry and the Hobbesian model of absolute state control. *The Invisible Hand in Popular Culture* concludes with a discussion of the impact of 9/11 on film and television and the new anxieties emerging in contemporary alien invasion narratives: the fear of a global technocracy that seeks to destroy the nuclear family, religious faith, local government and other traditional bulwarks against the absolute state      *The Medieval World* Peter Linehan, Janet L. Nelson, 2013-09-13 This groundbreaking collection brings the Middle Ages to life and conveys the distinctiveness of this diverse, constantly changing period. Thirty-eight scholars bring together one medieval world from many disparate worlds, from Connacht to Constantinople and from Tynemouth to Timbuktu. This extraordinary set of reconstructions presents the reader with a vivid re-drawing of the medieval past, offering fresh appraisals of the evidence and modern historical writing. Chapters are thematically linked in four sections: identities, beliefs, social values and symbolic order; power and power structures; elites, organizations and groups. Packed full of original scholarship, *The Medieval World* is essential reading for anyone studying medieval history      **Spanish Culture Behind Barbed Wire** Francie Cate-Arries, 2004 By the end of the Spanish Civil War, in March of 1939, almost 500,000 Spaniards had fled Francisco Franco's newly established military dictatorship. More than 275,000 refugees in France were immediately interned in hastily constructed concentration camps, most of which were located along the open shorelines of France's southernmost beaches. This book chronicles the cultural memory of this war refugee population, whose stories as camp inmates in the early 1940s remain largely unknown, unlike the wide dissemination of the literature and testimony of the survivors of Nazi death camps. The hidden history of France's seaside camps for Spanish Republicans spawned a rich legacy of cultural works that dramatically demonstrate how a displaced political community began to reconstitute itself from the ruins of war, literally from

the sands of exile Combining close textual analyses of memoirs poetry drama and fiction with a carefully researched historical perspective Spanish Culture behind Barbed Wire Investigates how the most significant literature of the early post civil war exile period appropriated the concentration camp as a discursive vehicle **Nature and Culture in the Early Modern Atlantic** Peter C. Andrew McKinney,2023-05-03 There is a messy secret within the Western evangelical church and it is starting to get out We re not who we think we are and it is becoming painfully obvious to the rest of the world around us The secret We have abandoned the preaching of the true gospel and as a result admitted thousands of people into our local assemblies who are lost and dead in their sin This has landed the evangelical church in utter ruin and devastation Rather than hearing the cross and the gospel of Christ proclaimed in our churches we now hear the relative gospel a gospel of ceremonial works that cannot save anyone And we are facing judgment because of this Scandals wreck whole denominations Sin plagues our congregations and pulpits People remain dead in their sin and the testimony of Christ suffers shame The church is now almost indistinguishable from the secular culture that we are called to reach We have wholly embraced cultural Christianity It is time to face the ugly truth in the mirror and return to the preaching of the true biblical gospel as revealed in Holy Scripture We must return to preaching the fundamental truths of God s Word God is holy in His righteousness Man is dead in his sin and incapable of saving himself Hell awaits any who would dare to trust in anything other than Christ to save them for He alone is our atonement and propitiation Trusting in His death and resurrection is the only means of salvation from sin and hell We must call people to repent of their sin submit to Jesus as Lord trust in Him alone and follow Him It is time to condemn the relative gospel in all of its forms for what it is a false gospel Salvation is not found in a ceremonial ritual politician political party or ideology It is found in Christ alone We must repent turn back to the Bible preach it unashamedly and trust God alone to save It is time to condemn cultural Christianity **Where Cultures Meet** David J.
