**Magic: The Life of Earvin "Magic" Johnson** Roland Lazenby,2023-10-24 The definitive biography of the basketball legend Earvin Magic Johnson from the highly respected career sportswriter and author of Michael Jordan The Life Magic Johnson is one of the most beloved and at times controversial athletes in history His iconic smile lifted the dowdy sport of American professional basketball from a second tier sport with low ratings into the global spotlight a transformation driven by Magic s ability to eviscerate opponents with a playing style that featured his grand sense of fun He was a master entertainer who directed the Los Angeles Showtime Lakers to the heights of both glory and epic excess all of it driven by his mind blowing no look passes and personal charm Then in 1991 at the height of his charismatic power Johnson shocked the world with a startling cautionary tale about sexually transmitted disease that pushed public awareness of the HIV AIDS crisis Then out came his confession of unprotected sex with hundreds of women each year followed by his retirement an attempted return and a proper farewell on the iconic 1992 Olympic Dream Team Longtime biographer Roland Lazenby spent years tracking the unlikely ascension of Johnson an immensely popular public figure who was instantly scandalized but who then turned to his legendary will to rise again as a successful entrepreneur with another level of hard won success In Lazenby s portrayal Johnson s tale becomes bigger than that of one man It is a generational saga spanning parts of three centuries that reveals a great deal not just about his unique basketball journey but about America itself Through hundreds of interviews with Johnson s coaches representatives past and present teammates opponents friends and loved ones as well as key conversations with Johnson himself over the years Lazenby has produced the first truly definitive study both dark and light of Earvin Magic Johnson Jr the revolutionary player the icon the man

Howard-Cooper, 2025-02-25 In the tradition of *Blood in the Garden* and *Three Ring Circus* comes a bold history of the iconic  
UCLA Bruins championship teams led by legendary coach John Wooden set against the turmoil of American culture in the  
1960s and 70s Few basketball dynasties have reigned supreme like the UCLA Bruins did over college basketball from 1965  
1975 seven consecutive titles three perfect records an eighty eight game winning streak that remains unmatched At the  
center of this legendary franchise were the now iconic players Kareem Abdul Jabbar and Bill Walton naturally reserved  
personalities who became outspoken giants when it came to race and the Vietnam War These generational talents were led  
by John Wooden a conservative counterweight to his star players whose leadership skills would transcend the game after his  
retirement But before the three of them became history they would have to make it together Los Angeles native and longtime  
sportswriter for the Los Angeles Times Scott Howard Cooper draws on more than a hundred interviews and extensive access  
to many of the principal figures including Wooden's family to deliver a rich narrative that reveals the turmoil at the heart of  
this storied college basketball program Making the eye opening connections between UCLA and the Nixon administration  
Ronald Reagan Muhammad Ali and others *Kingdom on Fire* puts the UCLA basketball team's political involvement and  
influence in full relief for the first time Perceptive and exciting this is a slam dunk for college hoops fans *Publishers Weekly*
