Catalogue A. Dulau & Co,1925 **After the Bounty** James Morrison,2022-11 In this journal Boatswain s Mate James Morrison recounts the Royal Navy ship HMS Bounty s 1787 voyage and the ensuing mutiny providing an invaluable resource for naval historians and an enthralling tale for the general reader *T.E. Lawrence* Harold Orlans,2002-10-08 Lawrence of Arabia as adviser to Prince Feisal led camel riding Bedouin in a guerrilla war against Turkey from Arabia to Damascus The great British hero of World War I he helped Winston Churchill draw the map of the modern Middle East creating Jordan and making Feisal king of Iraq Then in 1922 he shed the rank of colonel and his name to serve as a private in the Royal Air Force until shortly before his death in 1935 at age 46 Lawrence has been characterized as a man with extraordinary powers and as an imposter who manufactured his own legend This careful study based on virtually all published and unpublished English language sources sides neither with Lawrence s eulogists nor with his denigrators Presenting a fair balanced picture of his life it shows the lifelong continuity of his puzzling conduct the often needless deviousness that troubled even close friends the self hatred and savage masochism that cursed his adult years *Folk Tales and Fairy Stories from India* Sudhin N. Ghose,1996-01-01 16 delightful tradition stories including Palwahn the Wrestler How Princess Maya got her Deserts The Munificent Miser The End of the World and 12 other traditional tales **Design School: Type** Richard Poulin,2017-10-01 Design School Type is an in depth guide to the rules and practices of typography you ll learn the essential skills of the professional typographer in the detail Searching for a way to increase your skills as a typographer This instructive guide specially designed for students recent graduates and self taught designers is a comprehensive introduction to typography These guided lessons offer in depth analysis of all the major areas of theory and practice used by experienced professional designers Each section is interspersed with tests designed to help you retain the information they ve covered and a selection of relevant support files in popular design software formats so you can test yourself with provided demos This guide to the rules and practices of typography avoids the temptation to stray into other areas of design technique preferring to cover the essential skills of the professional typographer in the detail required to arm students and graduates with the knowledge needed for a successful start to their chosen career **The New Statesman** ,1923 **Harvard Alumni Bulletin** ,1928

Catalogue Wells, Edgar H. & Co,1923 **Collected Books** ALLEN OSB;AHEARN AHEARN (PATRICIA.),Patricia Ahearn,2013-02 An introduction to and advice on book collecting with a glossary of terms and tips on how to identify first editions and estimated values for over 20 000 collectible books published in English including translations over the last three centuries about half are literary titles in the broadest sense novels poetry plays mysteries science fiction and children s books and the other half are non fiction Americana travel and exploration finance cookbooks color plate medicine science photography Mormonism sports et al **Art and Commerce in the British Short Story, 1880-1950** Dean Baldwin,2015-10-06 The short story was a commercial phenomenon which took off in the late nineteenth century and lasted

through to the rise of television and film Baldwin uses a wide variety of sources to show how economic factors helped to dictate how and what a wide variety of authors wrote **The Nation and Athenæum**, 1923 Catalogue Sotheby & Co. (London, England), 1962 **The Studio**, 1929 **The Letters of George Santayana** George Santayana, 2001 Since the first selection of George Santayana's letters was published in 1955 shortly after his death many more letters have been located The Works of George Santayana Volume V brings together a total of more than 3000 letters *The Secrets of Generation* Raymond Stephanson, Darren Wagner, 2015-11-26 From theories of conception and concepts of species to museum displays of male genitalia and the politics of breastmilk *The Secrets of Generation* is an interdisciplinary examination of the many aspects of reproduction in the eighteenth century Exploring the theme of generation from the perspective of histories of medicine literature biology technology and culture this collection offers a range of cutting edge approaches Its twenty four contributors scholars from across Europe and North America bring an international perspective to discuss reproduction in British French American German and Italian contexts The definitive collection on eighteenth century generation and its many milieus *The Secrets of Generation* will be an essential resource for studying this topic for years to come **H.G. Wells and the Short Story** J. Hammond, 1992-09-15 H G Wells is justly famous as a writer of short stories but for too long the originality of his contribution in this field has been unacknowledged The present study argues that in his short stories Wells was not simply emulating the styles and themes of his predecessors but making a distinctive contribution to the genre grounded firmly in his approach to fiction The study demonstrates that Wells's short stories merit far closer critical attention than they have yet received and possess considerable psychological and symbolic insight

Bookseller's catalogues Thornton J. and son, 1883 Library Collection Development Policies Frank Hoffmann, Richard J. Wood, 2005-08-25 This book represents an ongoing effort to fill the void in the library literature relating to collection development policies The authors whose experience each spans four decades as library educators and practitioners created the book as well as a forthcoming companion volume devoted to school libraries to assist both library school students and professionals in the field in the compilation revision and implementation of collection development policies Cutting edge trends such as digital document delivery and library cooperation are also covered Furthermore given the premise that a well rounded policy reflects all activities concerning the collection management process including the evaluation selection acquisition and weeding of information resources it is hoped that this work will also prove useful to non librarians possessing some kind of stake in high quality library holdings such as library board members politicians and administrators directly responsible for library operations and institutional patrons **Shakespeare's Comedies** Jeanne Arthur, 2023-09-18 These translations of Shakespeare's comedies stand on their own so that they may be read quickly and easily eliminating the need to search for the meaning of every second word but they are supplemented by supporting explanations of the world in which Shakespeare lived for those who are curious about it Jeanne Arthur's translations make Shakespeare accessible to the

ordinary person She hopes that they will make the fun and warmth of Shakespeare's comedies live in contemporary Western culture once again for many more people

SHAKESPEARE'S ROMANCES Jeanne Arthur, 2025-01-21 Shakespeare's Romances is a prose translation of Shakespeare's nine romantic comedies into Standard English These translations of Shakespeare's romances stand on their own so that they may be read quickly and easily eliminating the need to search for the meaning of every second word of Shakespeare's original text As well they are supplemented by explanations of the world in which Shakespeare lived for those who are curious about it Jeanne Arthur's Shake Shakespeare's Hand and make a friend for life translations make Shakespeare's texts accessible to the ordinary person by clearing away four hundred years of changes to the English language to reveal the fresh liveliness of Shakespeare's dialogue She hopes that they will enable the reader or audience member to travel back in time to enjoy the romances Shakespeare wrote for his own audience and make them live in contemporary Western culture once again for many more people Some lovers of Shakespeare's writing may object to the idea that his work needs to be translated However Jeanne Arthur believes that their love of Shakespeare argues for a translation rather than against one It is over four hundred years since Shakespeare's death Not only has the English language evolved since this time but so has the culture of the world Making a translation of the language enables us to appreciate more accurately the cultural differences and similarities between us and the world he lived in With the right help our imagination is a wonderful tool that can enable us to move freely into the past across cultures and into the future Drama and other fictional forms exploit this capacity that we have to imagine ourselves anywhere and in any time
