*The Delian Cycle* Alan Burt Akers, 2009-08-01 The first five books in the Saga of Dray Prescott of Earth and of Kregen are brought together in this omnibus edition Together they make up the Delian Cycle in which Dray Prescott comes to terms with the alien world of Kregen Here he tries to make sense of his situation the Star Lords the Savanti the marvelous

places strange beasts and stranger people And here he pursues his greatest love of two worlds Delia of the Blue Mountains Dray Prescott's saga has been acclaimed as the best planetary adventure series since Burroughs stopped writing about Barsoom Transit to Scorpio On the planet Kregen that circles Antares the brightest star of the Constellation of the Scorpion two forces contend for the world's destiny One of them the Savanti called in a human pawn from far away Earth His name is Dray Prescott and only the Savanti know his role But it soon turns out that Dray Prescott himself has to make a decision that will change him from a mere pawn to a bolder piece on the planetary chessboard The Suns of Scorpio Slave of the colossus builders or scourge of the Inland Sea Both roles await Dray Prescott on his return to Kregen Torn between two contending forces the Star Lords and the Savanti Prescott himself wants only to find his beloved Delia of the Blue Mountains But the powers that had drawn him across interstellar space to the world that orbit the red and green suns have set him a task the nature of which even he cannot fully comprehend Warrior of Scorpio Dray Prescott finds himself torn from the battles of the Inner Sea for a mission in the air For it is now his mission to carry his beloved Delia by airboat to that far kingdom Vallia from whence she had come But the route lies across the gaunt mountains and the shadowy jungles of the Hostile Territories and there Dray will be plunged among stranger peoples and more fantastic challenges than even his Kregen princess has known Swordships of Scorpio What does a man do when fate makes him the protector of the royal head of the land of his enemies If he is Dray Prescott he sets aside his quest to reach Vallia and his princess Delia and help her claim her throne But his duty is to defend Vallia's ancient foe and place its rightful heir on its throne So when the pirate fleets known as the swordships come between the two contending demands Dray sees that only by following his own personal star could the contradiction be resolved Prince of Scorpio Dray Prescott has fought long and hard through perilous lands to claim the hand of the heiress to the mighty Vallia Yet when finally he sets foot in that long sought empire it is not as hero or noble It is as an unknown a mendicant and finally as a condemned slave This edition contains a map and glossary planetary adventure sword and planet bulmer adventure series kregen krozair dray prescott sword wizard savanti scorpio antares burroughs gor barsoom sf fantasy science fiction delia pandahem seg kenneth bulmer sword and sorcery swordsman swordfighting alan burt akers

**The Jikaida Cycle** Alan Burt Akers, 2009 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Here in the unforgiving yet rewarding world of Kregen struggling through disaster and triumph Dray Prescott has made his home He has acquired a number of titles and estates but now the people of the island empire of Vallia which has been ripped to shreds by ambitious and mercenary invaders have called on him to lead them to freedom as their emperor Reluctant to accept the imperium he shoulders the burden because rightly or wrongly he sees this as the lesser evil A Life for Kregen Prescott is the unwilling battle arm of the mysterious Star Lords who contend for that planet with the powerful Savanti Yet Prescott's

ambitions are his own for he has inherited the remnant of a shattered empire and must fight to bring hope and freedom to all its peoples By his side stands his princess Delia of the Blue Mountains and a band of stalwart companions of many races and species But arrayed against him are flying armadas armed hordes the wizardry of a super scientist and most shocking of all the fury and steel claws of his own daughter Dayra A Sword for Kregen The most popular game among the many peoples of Kregen is one that resembles chess called Jikaida Jikaida is a battle of wits and war game pieces that suits well the tension charged atmosphere that envelops Dray Prescott Because reconquering Vallia is assuming the aspect of such a game move versus countermove horde against horde But Dray Prescott finds himself no longer in control of the game when he becomes a living chessman on a real life board at the dreaded arena of Jikaida City There every move is accompanied by bloodshed and behind every game might hang the fate of a city an island or even a nation A Fortune for Kregen Fame and fortune may await the winners of the life and death game called Jikaida but for Dray Prescott his triumphs seem to bring only infamy and misfortune Prescott needs to find a way out of his Jikaida City exile for his homeland needs him in its hour of danger But it seems that fate will place him in an even more terrifying game a treasure hunt played out in the illusion webbed catacombs of a haunted valley where desperate men come to find fortunes at the risk of their followers lives and their own sanity A Victory for Kregen The ending of Prescott s stark adventures as a living chess piece in the city of blood games was to be as terrifying as the perils that had gone before Because now that transposed Earthman has to fight his way back to his embattled Vallian homeland across a sky full of danger and a sea full of death And when he returns he will find the combat joined his son at doom s door his troops up against superior odds and a battle he must personally fight that would be two battles in two different places at the same time This edition contains a glossary to the Jikaida cycle The Encyclopedia of Fantasy John Clute,John Grant,1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art Emerge: Poems from My Soul Kassi Ydris,2018-05-01 Within each of us there is a spark a light in our souls that never dies It is the gift that is divine which God has given us It takes the form of art math teaching writing poetry counseling and something magical The darkness of the world and the illusions of technology have distracted us with their illusions and images of who we are not instead of helping us find the light inside ourselves which is the gift from God I wanted to write a series of poems that encourage others to find the light in their souls and in the process be happy doing what they are supposed to be doing and being who they are meant to be instead of wasting their lives away trying to please others and the images of who others want them to be Within each of us there is a spark of the divinethe soul your light We need you to find the light within yourself so you can shine with your light and make the world a less dark and a happier place This is my soul and these are my words Kassi Ydris January 4 2018 Costa Mesa California USA **Xenograffiti** R.
