## Golden Snare:

**The Golden Snare** James Oliver Curwood, 2012-10-01 James Oliver Curwood was one of the highest paid writers of his time and many of the action adventure scribe s books were made into films during the early age of movie making The Golden Snare is a gripping tale that pits a rookie member of the Royal Canadian Mounted Police against a shadowy fugitive whose preternatural ability to survive in the wild makes him a formidable opponent The Facts on File Companion to British Poetry Before 1600 Michelle M. Sauer, 2008 Some of the most important authors in British poetry left their mark on literature before 1600 including Geoffrey Chaucer Edmund Spenser and of course William Shakespeare The Facts On File Companion to British Poetry before 1600 is an encyclopedic guide to British poetry from the beginnings to the year 1600 featuring approximately 600 entries ranging in length from 300 to 2 500 words *Plan De Un Seminario Creado Y Sostenido Por La Real Maestranza De Granada, Para Educar a La Joven Nobleza De Esta Capital Y Su Provincia* Imp de Fco B Valenzuela, 2019-08-02 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy **English & American Literature, Studies in Literary Criticism, Interpretation & History, Including Complete Masterpieces, in 10 Vol** Charles Herbert Sylvester, 1903 **The Silver Book of English Sonnets**, 1927 **English and American Literature** Charles Herbert Sylvester, 1903 **The Publishers Weekly**, 1921 The Heart of Unaga Ridgwell Cullum, 2019-12-13 In The Heart of Unaga Ridgwell Cullum masterfully weaves a tale that unfolds within the richly imagined landscapes of the North The novel is a profound exploration of the human spirit against the backdrop of nature s unyielding rawness intricately combining adventure and romance with the sociocultural realities of the time Cullum s evocative prose captures the essence of the early 20th century frontier embodying themes of isolation resilience and the relentless pursuit of belonging within a tumultuous world The plot follows the protagonist s quest for identity and connection exploring the delicate balance between civilization and wilderness while subtly critiquing the imperialistic ideologies of his contemporaries Ridgwell Cullum a Canadian author and adventurer draws on his deep seated experiences with the rugged terrains and diverse cultures of the North His intimate familiarity with the landscapes he depicts allowed him to create a vivid and authentic setting Cullum s background from his travels as a gold prospector to his work as a newspaper correspondent infuses his narratives with genuine emotion and insight reflecting the struggles and triumphs of those navigating the challenges of the wild The Heart of Unaga is a must read for anyone interested in early 20th century literature adventure and the human condition Cullum s gripping storytelling and profound character development will resonate with readers inviting them to explore the uncharted territories of both the exterior world and the human heart Dive into this poignant narrative that illuminates the spirit of adventure and the quest for

belonging making it both a thrilling and reflective journey      The Selected Works of James Oliver Curwood James Oliver Curwood, There are not many who will remember him as Thomas Jefferson Brown For ten years he had been mildly ashamed of himself and out of respect for people who were dead and for a dozen or so who were living he had the good taste to drop his last name The fact that it was only Brown didn't matter Tack Thomas Jefferson to Brown he said and you've got a name that sticks It had an aristocratic sound and Thomas Jefferson with the Brown cut off was still aristocratic when you came to count the red corpuscles in him In some sort of way he was related to two dead Presidents three dead army officers a living college professor and a few common people He was legitimately born to the purple but fate had sent him off on a curious ricochet in a game all of its own and changed him from Thomas Jefferson Brown into just plain Thomas Jefferson without the Brown He was one of those specimens who when you meet them somehow make you feel there are a few lost kings of the earth as well as lost lambs He was what we called a first sighter that is you liked him the instant you looked at him You knew without further acquaintance that he was a man whom you could trust with your money your friendship anything you had He was big with a wholesome brown face blond hair and gray eyes that seemed always to be laughing and twinkling even when he was hungry He carried about with him a load of cheerfulness so big that it was constantly spilling over on other people There was a time when Thomas Jefferson Brown had little white cards with his name on them That was when he went to college and his lungs weren't so good It was then that some big doctor told him that if he wanted to live to have grandchildren the best thing for him to do was to tramp it for a time live out of doors sleep out of doors do nothing but breathe fresh air and walk That doctor was Fate playing his game behind a pair of spectacles and a bumpy forehead He saved Thomas Jefferson Brown all right but he turned him into plain Thomas Jefferson For Thomas Jefferson Brown never got over taking his medicine He kept on tramping He got big and broad and happy Somewhere perhaps in a barn he caught a microbe that made him dislike ordinary work He would set to and help a farmer saw wood all day just for company and grub but you couldn't hire him to go into an office or settle down to anything steady for twenty five dollars a day He had a scientific name for the thing that was in him the wanderlust bug I think he called it and he said it was better than the Chinese lady bugs that the government imports to save California fruit The nearest Thomas Jefferson ever came to going back to Thomas Jefferson Brown was when he took a job at braking on the Southern Pacific That held him for three days less than two weeks
