After the Ball Patricia Beard,2021-06-02 Set in 1905 against a backdrop of magnificence excess and corrupting glamour After the Ball s themes are stunningly fresh greed and chicanery flawed love between fathers and sons and contradictory American attitudes about wealth Glamorous cultured and ambitious but fatally young and na ve James Hazen Hyde was twenty three when he inherited the majority shares in the billion dollar Equitable Life Assurance Society in 1899 Five years later at the pinnacle of social and financial success he made a fatal miscalculation and set in motion the first great Wall Street scandal of the twentieth century On the last night of January 1905 Hyde gave one of the most fabulous balls of the Gilded Age Falsely accused of charging the party to his company he was sucked into a maelstrom of allegations of corporate malfeasance that involved the era s most famous financiers and industrialists Wonderfully foreboding exactly on pitch a textured and compelling tragedy USA Today *Historic American Buildings Survey Selections* ,1969 *Start-up at the New Met* Paul Jackson,2006-12 In this new work Paul Jackson examines the decade that saw the move from the old house uptown to the technological marvel at Lincoln Center There Rudolf Bing s final six years give way to four seasons of management turmoil until 1976 when James Levine was named music director and took hold of the Met s artistic future

Music in Other Words Ruth A. Solie,2004-02-19 Just as the preoccupations of any given cultural moment make their way into the language of music the experience of music makes its way into other arenas of life To unearth these overlapping meanings and vocabularies from the Victorian era Ruth A Solie examines sources as disparate as journalism novels etiquette manuals religious tracts and teenagers diaries for the muffled even subterranean conversations that reveal so much about what music meant to the Victorians Her essays giving voice to what goes without saying on the subject that cultural information so present and pervasive as to go unsaid fill in some of the most intriguing blanks in our understanding of music s history This much anticipated collection bringing together new and hard to find pieces by an acclaimed musicologist mines the abundant casual texts of the period to show how Victorian era people English and others experienced music and what they understood to be its power and its purposes Solie s essays start from topics as varied as Beethoven criticism Macmillan s Magazine George Eliot s Daniel Deronda opera tropes in literature and the Victorian myth of the girl at the piano They evoke common themes including the moral force that was attached to music in the public mind and the strongly gendered nature of musical practice and sensibility and in turn suggest the complex links between the history of music and the history of ideas *A Selected List of Books, Pamphlets and Magazine Articles on Part-time Education* Dorothy Alice Plum,New York State Library. Finding List ,1908 *The Mother of George Washington and her Times* Sara Agnes Rice Pryor,2019-06-03

The mothers of famous men survive only in their sons. This is a rule almost as invariable as a law of nature. Whatever the aspirations and energies of the mother, memorable achievement is not for her. No memoir has been written in this country of the women who bore, fostered and trained our great men. What do we know of the mother of Daniel Webster or John Adams or Patrick Henry or Andrew Jackson or of the mothers of our Revolutionary generals? This book is dedicated to Mary Ball Washington, the second wife of Augustine Washington, a planter in Virginia and the mother of George Washington, the first President of the United States.

Contents: Mary Washington's English Ancestry; The Ball Family in Virginia; Coat of Arms and the Right to bear it; Traditions of Mary Ball's Early Life; Revelations of an Old Will; Mary Ball's Childhood; Good Times in Old Virginia; Mary Ball's Guardian and her Girlhood; Young Men and Maidens of the Old Dominion; The Toast of the Gallants of her Day; Her Marriage and Early Life; Birthplace of George Washington; The Cherry Tree and Little Hatchet; The Young Widow and her Family; Betty Washington and Weddings in Old Virginia; Defeat in War; Success in Love; In and Around Fredericksburg; Social Characteristics; Manners and Customs; A True Portrait of Mary Washington; Noon in the Golden Age; Dinners, Dress, Dances; Horse races; The Little Cloud; The Storm; Mary Washington in the Hour of Peril; Old Revolutionary Letters; The Battle ground; France in the Revolution; On with the Dance; let Joy be unconfined; Lafayette and our French Allies; In Camp and at Mount Vernon; Mrs. Adams at the Court of St. James; The First Winter at Mount Vernon; The President and his Last Visit to his Mother; Mary Washington's Will; her Illness and Death; Tributes of her Countrymen.
