Golden State The Braziller Series Of Poetry By Bidart Frank:

Golden State Frank Bidart,1973 *On Frank Bidart* Liam Rector,Tree Swenson,2007 Essays that explore the art and craft of Frank Bidart s poetry with an interview with the poet Poetry Los Angeles Laurence Goldstein,2014-03-12 A look at the poetry of one of America s most populous and fascinating cities with poems spanning from 1942 to 2012 **The American Poetry Anthology** Daniel Halpern,2019-03-04 This book aims to gather a selection that represents the diversity and richness of American poetry written by poets who share a sophistication that promises to evolve with continued effort and risk a new and powerful poetic idiom The Oxford Companion to Modern Poetry in English Jeremy Noel-Tod,Ian Hamilton,2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry *The Columbia History of American Poetry* Jay Parini,1993-12-23 New York Times Book Review *Contemporary Poets* Tracy Chevalier,1991 Contains biographical entries a list of separately published books and an essay on each poet The News from Poems Jeffrey Gray,Ann Keniston,2016-08-11 A groundbreaking collection explores contemporary American poetry s relation to social critique and the public sphere Contemporary American Poetry Lloyd M. Davis,1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 The Situation of Poetry Robert Pinsky,2020-10-06 In this book Robert Pinsky writes about contemporary poetry as it reflects its modernist and Romantic past He isolates certain persistent ideas about poetry s situation relative to life and focuses on the conflict the poet faces between the nature of words and poetic forms on one side and the nature of experience on the other The author ranges for his often surprising examples from Keats to the great modernists such as Stevens and Williams to the contents of recent magazines He considers work by Ammons Ashbery Bogan Ginsberg Lowell Merwin O Hara and younger writers offering judgments and enthusiasms from a viewpoint that is consistent but unstereotyped Like his poetry Robert Pinsky s criticism joins the traditional and the innovative in ways that are thoughtful and unmistakably his own His book is a bold essay on the contemporary situation in poetry on the dazzling achievements of modernism and on the nature or situation of poetry itself **The First Book** Jesse Zuba,2016 An illuminating look at the poetic debut in twentieth century American literary culture We have many poets of the First Book the poet and critic Louis Simpson remarked in 1957 describing a sense that the debut poetry collection not only launched the contemporary poetic career but also had come to define it Surveying American poetry over the past hundred years The First Book explores the emergence of the poetic debut as a unique literary production with its own tradition conventions and dynamic role in the literary market Through new readings of poets ranging from Wallace Stevens and Marianne Moore to John Ashbery and Louise Gl ck Jesse Zuba illuminates the importance of the first book in twentieth century American literary culture which involved complex struggles for legitimacy on the part of poets critics and publishers

alike Zuba investigates poets diverse responses to the question of how to launch a career in an increasingly professionalized literary scene that threatened the authenticity of the poetic calling He shows how modernist debuts evoke markedly idiosyncratic paths while postwar first books evoke trajectories that balance professional imperatives with traditional literary ideals Debut titles ranging from Simpson's *The Arrivistes* to Ken Chen's *Juvenilia* stress the strikingly pervasive theme of beginning accommodating a new demand for career development even as it distances the poets from that demand Combining literary analysis with cultural history *The First Book* will interest scholars and students of twentieth century literature as well as readers and writers of poetry

Introspection and Contemporary Poetry Alan Bacher Williamson, 1984 In this bold defense of so called confessional poetry Alan Williamson shows us that much of the best writing of the past twenty five years is about the sense of being or having a self a knowable personal identity The difficulties posed by this subject help explain the fertility of contemporary poetic experiment from the jaggedness of the later work of Robert Lowell to the montage like methods of John Ashbery from the visual surrealism of James Wright and W S Merwin to the radical plainness of Frank Bidart Williamson examines these and other poets from a psychological perspective giving an especially striking reading of Sylvia Plath

The Title to the Poem Anne Ferry, 1996 The first six chapters are distinguished according to the nature of the question a reader might ask about the poem which the title purports to answer Who gives the title Who has the title Who says the poem Who hears the poem What genre does the poem belong to What is the poem about

Words in Air Elizabeth Bishop, Robert Lowell, 2010-03-16 Robert Lowell once remarked in a letter to Elizabeth Bishop that you have always been my favorite poet and favorite friend The feeling was mutual Bishop said that conversation with Lowell left her feeling picked up again to the proper table land of poetry and she once begged him Please never stop writing me letters they always manage to make me feel like my higher self I've been re reading Emerson for several days Neither ever stopped writing letters from their first meeting in 1947 when both were young newly launched poets until Lowell's death in 1977 Presented in *Words in Air* is the complete correspondence between Bishop and Lowell The substantial revealing and often very funny interchange that they produced stands as a remarkable collective achievement notable for its sustained conversational brilliance of style its wealth of literary history its incisive snapshots and portraits of people and places and its delicious literary gossip as well as for the window it opens into the unfolding human and artistic drama of two of America's most beloved and influential poets
