Goldwyn A Biography:

Goldwyn A. Scott Berg, 1998-10-01 The legacy of silver screen tycoon Samuel Goldwyn comes to vivid life in this acclaimed biography from the Pulitzer Prize and National Book Award winning author of *Wilson Lindbergh* and *Max Perkins Editor of Genius* He was the premier dream maker of his era a fierce independent force in a time when studios ruled He was a producer of silver screen sagas who may have been in the words of Harper's Bazaar the last Hollywood tycoon In this riveting book biographer A Scott Berg tells the life story of Samuel Goldwyn as rich with drama as any feature length epic and as compelling as the history of Hollywood itself *The Search for Sam Goldwyn* Carol Easton, 2014-05-05 Sam Goldwyn's career spanned almost the entire history of Hollywood He made his first film *The Squaw Man* in 1913 and he died in 1974 at the age of ninety one In the many years between he produced an enormous number of films including such classics as *Wuthering Heights* *Street Scene* *Arrowsmith* *Dodsworth* *The Little Foxes* and *The Best Years of Our Lives* and worked with many luminaries Gary Cooper Ronald Colman Laurence Olivier George Balanchine Lillian Hellman Howard Hawks John Ford Eddie Cantor Busby Berkeley Danny Kaye Merle Oberon and Bob Hope among them When Samuel Goldfish was born in the Warsaw ghetto he was penniless when Sam Goldwyn died in Los Angeles he was worth an estimated 19 million *The Search for Sam Goldwyn* locates the real Sam Goldwyn and shatters the hostile conspiracy of silence that protected his legend In writing Goldwyn's story Carol Easton has given us a fine examination of the civilization known as Hollywood and how Goldwyn himself shaped that culture *Goldwyn A. Scott Berg*, 1990 *The Search for Sam Goldwyn* Carol Easton, 1967

Gershwin created some of the most beloved music of the twentieth century and along with Jerome Kern Irving Berlin and Cole Porter helped make the golden age of Broadway golden Howard Pollack draws from a wealth of sketches manuscripts letters interviews books articles recordings films and other materials including a large cache of Gershwin scores discovered in a Warner Brothers warehouse in 1982 to create an expansive chronicle of Gershwin s meteoric rise to fame He also traces Gershwin s powerful presence that even today extends from Broadway jazz clubs and film scores to symphony halls and opera houses Pollack s lively narrative describes Gershwin s family childhood and education his early career as a pianist his friendships and romantic life his relation to various musical trends his writings on music his working methods and his tragic death at the age of 38 Unlike Kern Berlin and Porter who mostly worked within the confines of Broadway and Hollywood Gershwin actively sought to cross the boundaries between high and low and wrote works that crossed over into a realm where art music jazz and Broadway met and merged The author surveys Gershwin s entire oeuvre from his first surviving compositions to the melodies that his brother and principal collaborator Ira Gershwin lyricized after his death Pollack concludes with an exploration of the performances and critical reception of Gershwin s music over the years from his time to ours

[Making The Best Years of Our Lives](#) Alison Macor, 2022-06-07 2023 Wall Award Finalist Theatre Library Association

How a Hollywood gem transformed the national discourse on post traumatic stress disorder Released in 1946 The Best Years of Our Lives became an immediate success Life magazine called it the first big good movie of the post war era to tackle the veterans problem Today we call that problem PTSD but in the initial aftermath of World War II the modern language of war trauma did not exist The film earned the producer Samuel Goldwyn his only Best Picture Academy Award It offered the injured director William Wyler a triumphant postwar return to Hollywood And for Harold Russell a double amputee who costarred with Fredric March and Dana Andrews the film provided a surprising second act Award winning author Alison Macor illuminates the film s journey from script to screen and describes how this authentic motion picture moved audiences worldwide General Omar Bradley believed The Best Years of Our Lives would help the American people to build an even better democracy following the war and the movie inspired broad reflection on reintegrating the walking wounded But the film s nuanced critique of American ideals also made it a target and the picture and its creators were swept up in the anti Communist witch hunts of the late 1940s In this authoritative history Macor chronicles the making and meaning of a film that changed America

the Hudson Richard Koszarski,2008-08-27 In Hollywood on the Hudson Richard Koszarski rewrites an important part of the history of American cinema During the 1920s and 1930s film industry executives had centralized the mass production of feature pictures in a series of gigantic film factories scattered across Southern California while maintaining New York as the economic and administrative center But as Koszarski reveals many writers producers and directors also continued to work here especially if their independent vision was too big for the Hollywood production line **Princeton Alumni Weekly**
