The Complete Golf Manual Steve Newell, 2019-11-05. Covering every aspect of the game, this is the ultimate self-improvement guide for every player, from the novice to the experienced club golfer. Showing readers exactly what it takes to achieve an effective and repeatable golf swing, this book works systematically through every type of shot, from tee shots, iron play, pitching, and chipping, to coping with bunkers and putting. Each section includes a test to establish your level of ability and provides a series of progressive exercises designed to develop your technique. A section on the ten most common faults that can creep into your game shows you how to fix them quickly and efficiently. The *Complete Golf Manual*, New Edition, also shows you routines to help you think more decisively on the course and deal with high-pressure situations. An invaluable reference section advises you on buying equipment, guides you through all important golf etiquette, clearly explains golf's most important rules, and defines all the key terms golfers use.

Sports, Exercise, and Fitness Mary Beth Allen, 2005-03-30. For reference librarians and researchers seeking information on sports and fitness, this guide is an important first stop. For collection development specialists, it is an invaluable selection guide. Allen describes and evaluates over 1,000 information sources on the complete spectrum of sports, from basketball, football, and hockey to figure skating, table tennis, and weight training. Focusing on English language works published between 1990 and the present, the guide thoroughly covers traditional reference sources, such as encyclopedias and bibliographies, along with instructional sources in print, formats online, databases, and Web sites. To enable users in search of information on specific sports or fitness activities, chapters are organized thematically according to broad type: aquatic sports, nautical sports, precision and accuracy, racket sports, ice and snow sports, ball sports, cycling, and so on, with subcategories for such individual sports as soccer, golf, and yoga. Within these categories, works are further organized by type: reference, instructional, and Web sites.
