in 1974 now appears in a revised updated edition **The Heart of a Goof** Pelham Grenville Wodehouse, 1926 Nine short stories centred round a golf club and related by the Oldest Member who sits in a corner observing the highs and lows of younger members in matters of golf and love Characters appear in more than one story **Fish Preferred** Sir Pelham Grenville Wodehouse, Blandings Castle slept in the sunshine Dancing little ripples of heat mist played across its smooth lawns and stone flagged terraces The air was full of the lulling drone of insects It was that gracious hour of a summer afternoon midway between luncheon and tea when nature seems to unbutton its waistcoat and put its feet up In the shade of a laurel bush outside the back premises of this stately home of England Beach butler to Clarence ninth Earl of Emsworth its proprietor sat sipping the contents of a long glass and reading a weekly paper devoted to the doings of Society and the Stage His attention had just been arrested by a photograph in an oval border on one of the inner pages and for perhaps a minute he scrutinized this in a slow thorough pop eyed way absorbing its every detail Then with a fruity chuckle he took a penknife from his pocket cut out the photograph and placed it in the recesses of his costume At this moment the laurel bush which had hitherto not spoken said Psst The butler started violently A spasm ran through his ample frame Beach said the bush Something was now peering out of it This might have been a wood nymph but the butler rather thought not and he was right It was a tall young man with light hair He recognized his employer s secretary Mr Hugo Carmody and rose with pained reproach His heart was still jumping and he had bitten his tongue Startle you Beach Extremely sir I m sorry Excellent for the liver though Beach do you want to earn a quid The butler s austerity softened The hard look died out of his eyes Yes sir Can you get hold of Miss Millicent alone Certainly sir Then give her this note and don t let anyone see you do it Especially and this is where I want you to follow me very closely Beach Lady Constance Keeble I will attend to the matter immediately sir He smiled a paternal smile Hugo smiled back A perfect understanding prevailed between these two Beach understood that he ought not to be giving his employer s niece surreptitious notes and Hugo understood that he ought not to be urging a good man to place such a weight upon his conscience Perhaps you are not aware sir said the butler having trousered the wages of sin that her ladyship went up to London on the three thirty train Hugo uttered an exclamation of chagrin You mean that all this Red Indian stuff creeping from bush to bush and not letting a single twig snap beneath my feet has simply been a waste of time He emerged dusting his clothes I wish I d known that before he said I ve severely injured a good suit and it s a very moot question whether I haven t got some kind of a beetle down my back However nobody ever took a toss through being careful Very true sir Relieved by the information that the X ray eye of the aunt of the girl he loved was operating elsewhere Mr Carmody became conversational Nice day Beach Yes sir You know Beach life s rummy I mean to say you can never tell what the future holds in store Here I am at Blandings Castle loving it Sing of joy sing of bliss home was never like this And yet when the project of my coming here was first placed on the agenda I don t mind telling you the heart was rather bowed down with weight of woe
