## **Gone Fishing:**

*Gone Fishing* Tamera Will Wissinger, 2013 Children are invited to join nine year old Catfish Sam as he captures a day of adventure in his net. And in verse. In this unique novel told through poems and comic illustrations ***Gone Fishing*** Anzie Norris, 2006-11 Clearing his throat Pete said I have some really bad news guys the explosion blew a big hole in the bottom of the cabin I can hear sea water rushing in it's already flooding through the hold in the floor On a peaceful sunny Sunday in 1948 six couples from Ocala Florida step onto a wooden boat named Hazy Days docked off the Gulf of Mexico It's nearly thirty eight feet of old Florida charm with gaily painted racing stripes and enough room for the women to chat and the men to stretch out and fish The boat cruises under the expert care of its captain the old salt L B Wilson and his fishing guide trusted friend and close ally Buck Gilley The two expect little more on this fine Florida Sunday than a slight sunburn and an ice bin full of fresh Florida grouper But tragedy strikes the Hazy Days some thirty miles off the coast It catches fire and all fourteen hearty souls are forced to dive into the salty brine Among them they share nine life vests But it's not enough nine innocent lives are lost Author Anzie Norris lost her aunt and two uncles in the accident and seeks to tell their heartbreaking story in *Gone Fishing A Novel of Old Florida and Her Tragic Seas* ***Gone Fishing*** Earlene Long, 1987 A father and son go fishing with a big fishing rod for the daddy and a little one for the child *Gone Fishing* Pasquale De Marco, 2025-05-04 In the heart wrenching and heartwarming memoir *Gone Fishing* the author embarks on a poignant journey of self discovery and familial bonds through the lens of his father's unwavering passion for fishing With vivid prose and a keen eye for detail the author vividly captures the beauty of the natural world the thrill of the chase and the profound impact a father's legacy can have on a son This deeply personal narrative explores the complexities of family the enduring power of love and the bittersweet memories that shape our lives As the author reflects on his childhood fishing trips with his father he paints a nostalgic portrait of simpler times where the sound of crashing waves and the gentle tug of a fishing line create an unbreakable bond between father and son Through these shared experiences the author learns valuable lessons about patience perseverance and the importance of cherishing every moment But life is not without its challenges and the author soon finds himself grappling with the inevitable realities of aging and loss As his father's health declines the author must confront his own mortality and the impending void left by his father's absence Yet even in the face of adversity the author finds solace and strength in the memories of their fishing trips He discovers that the lessons he learned from his father extend far beyond the realm of fishing they are life lessons that guide him through the trials and tribulations of life Ultimately *Gone Fishing* is a testament to the enduring power of family the resilience of the human spirit and the transformative nature of love It is a story that will resonate with readers of all ages reminding us of the importance of cherishing our loved ones and the irreplaceable memories we create together If you like this book write a review on google books ***Gone Fishing***, 1999 The author captures the elusive truth about the joy of fishing in Wisconsin in word and image with nearly 90 full color
