# Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard

**Christopher Loperfido**

## **Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard:**

*Gone for a Soldier* Alfred Bellard, 1992      **The Civil War in Books** David J. Eicher, 1997 With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1 2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher's mammoth undertaking are indexed by author or editor and by title Gary Gallagher's foreword traces the development of Civil War bibliographies and declares that Eicher's annotation exceeds that of any previous comprehensive volume *The Civil War in Books* Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher's *The Civil War in Books* is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since *The Civil War Day by Day* will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs      *"Bully for the Band!"* Charles George, Herbert George, Jere George, 2012-01-23 From the commanding call of the bugle at reveille to combat instructions such as fix bayonets to reassuring songs around the campfire at night music was an integral part of the Civil War soldier's experience This volume presents the Civil War writings of Charles Herbert Jeremiah and Osman George four brothers from the town of Newbury Vermont who played in the 10th Vermont Infantry regimental band Their letters and a diary describe the life of an enlisted musician including forming a band rehearsals and repertory performances for officers troops and civilians and battlefield stretcher bearer duties Despite the hardships they suffered including the loss of one brother their writings supported by detailed scene setting narratives by editor Davis reveal the Georges fraternal bond that sustained them emotionally and ensured they would continue to serve their comrades in battle      **Collis' Zouaves** Edward J. Hagerty, 2005-03-30 Led by the enthralling and controversial colonel Charles H T Collis the 114th Pennsylvania Infantry was in many ways unique among the regiments serving in the Union Army In *Collis Zouaves* Edward J Hagerty reconstructs the Civil War experiences of this unusual group of soldiers who embraced the flamboyant uniform style made famous by the French army's Zouaves Recruited in the summer of 1862 from Philadelphia and surrounding counties the regiment battled Stonewall Jackson in the Shenandoah Valley campaign and went on to participate in many of the major battles of the war including Fredericksburg Chancellorsville Gettysburg and Petersburg      *The Historian's Red Badge of Courage* Paul A. Cimballa, 2020-07-08 For someone who did not actually fight in the American Civil War Stephen Crane was extraordinarily

accurate in his description of the psychological tension experienced by a youthful soldier grappling with his desire to act heroically his fears and redemption Stephen Crane's novel *The Red Badge of Courage* provides an extraordinary take on the battlefield experiences of a young soldier coming of age under extreme circumstances His writing took place a generation after the war's conclusion at a time when the entire nation was coming to grips with the meaning of the Civil War It was during this time in the late 19th century that the battle over the memory of the war was taking place This new annotated edition of the novel is designed to guide readers through references made through Crane's characters and how they reflect Civil War military experiences specifically how the youth's experiences reflect the reality of the multi day battle of Chancellorsville which took place in Virginia beginning on May 1 1863 and concluded on May 4 of the same year The annotated text is preceded by introductory essays on Crane and on the Civil War Crane's short story *The Veteran* is also included to allow readers to better understand the post war lives of Civil War soldiers

**A Taste for War** William C. Davis, 2003 Hardtack was positively unsuitable fodder for anything that claims to be human and I think it no exaggeration to say that any intelligent pig possessing the least spark of pride would have considered it a pure insult to have them put into his swill Wilbur Fisk Civil War soldier We know the uniforms they wore the weapons they carried and the battles they fought but what did they eat and of even greater curiosity was it any good Now for the very first time the food that fueled the armies of the North and the South and the soldiers opinions of it ranging from the sublime to just slime is front and center in a biting fascinating look at the Civil War as written by one of its most respected historians There's even a comprehensive cookbook of actual recipes included for those intrepid enough to try a taste of the Civil War

Inglorious Passages Brian Steel Wills, 2017-11-30 Of the hundreds of thousands of soldiers who died in the Civil War two thirds by some estimates were felled by disease untold others were lost to accidents murder suicide sunstroke and drowning Meanwhile thousands of civilians in both the north and south perished in factories while caught up in battles near their homes and in other circumstances associated with wartime production and supply These inglorious passages no less than the deaths of soldiers in combat devastated the armies in the field and families and communities at home *Inglorious Passages* for the first time gives these noncombat deaths due consideration In letters diaries obituaries and other accounts eminent Civil War historian Brian Steel Wills finds the powerful and poignant stories of fatal accidents and encounters and collateral civilian deaths that occurred in the factories and fields of the Union and the Confederacy from 1861 to 1865 Wills retrieves these stories from obscurity and the cold calculations of statistics to reveal the grave toll these losses exacted on soldiers and civilians families and society In its intimate details and its broad scope his book demonstrates that for those who served and those who supported them noncombat fatalities were as significant as battle deaths in impressing the full force of the American Civil War on the people called upon to live through it With the publication of *Inglorious Passages* those who paid the supreme sacrifice regardless of situation or circumstance will at last be included in the final tabulation of the nation's bloodiest conflict

At War with King

Alcohol Megan L. Bever, 2022-08-24 Liquor was essential to military culture as well as healthcare regimens in both the Union and Confederate armies But its widespread use and misuse caused severe disruptions as unruly drunken soldiers and officers stumbled down roads and through towns colliding with civilians The problems surrounding liquor prompted debates among military officials soldiers and civilians as to what constituted acceptable drinking While Americans never could agree on precisely when it was appropriate to make or drink alcohol one consensus emerged the wasteful manufacture and reckless consumption of spirits during a time of civil war was so unpatriotic that it sometimes bordered on disloyalty Using an array of sources temperance periodicals soldiers accounts legislative proceedings and military records Megan L Bever explores the relationship between war the practical realities of drinking alcohol and temperance sentiment within the United States Her insightful conclusions promise to shed new light on our understanding of soldiers and veterans lives civil military relations and the complicated relationship between drinking morality and masculinity *The Civil War Era* Lyde Cullen-Sizer, Jim Cullen, 2008-04-15 There is an extraordinary range of material in this anthology from Lincoln s Gettysburg address to a contemporary account of a visit from the Ku Klux Klan The primary sources reproduced are both visual and written and the secondary materials present a remarkable breadth and quality of relevant scholarship Contains an extensive selection of writings and illustrations on the American Civil War Reflects society and culture as well as the politics and key battles of the Civil War Reproduces and links primary and secondary sources to encourage exploration of the material Includes editorial introductions and study questions to aid understanding **Courageous Women of the Civil War** M. R. Cordell, 2016-08-01 At the outbreak of the Civil War nearly everybody was caught up in patriotic fervor men and women Union and Confederate Many women supported soldiers through knitting and sewing needed items growing food making bandages gathering medical supplies and more But others wished they could be closer to the fight These women defied society s expectations and bravely chose to take on more dangerous unconventional roles *Courageous Women of the Civil War* reveals the exploits of 16 of these remarkable women who served as medics spies battlefield helpers and even soldiers on the front lines Meet fascinating figures such as Maria Lewis a former slave who fought with the Union cavalry as it swept through Virginia Disguised as a white male soldier she put the fear of Hell into Confederate enemies Kady Brownell supported her husband s Rhode Island regiment as a vivandiere training with the soldiers fighting in battle and helping the injured Mary Carroll a Missouri rebel forged a copy of a jail cell key to break her brother out before his scheduled execution These and other little known stories are told through gripping narrative primary source documents and contextualizing sidebars Civil War history is woven throughout offering readers a clear overview of the era and the war Also including numerous historic photos source notes and a bibliography *Courageous Women of the Civil War* is an invaluable resource for any student s or history buff s bookshelf **The Maps of Second Bull Run** Bradley M. Gottfried, 2024-11-21 A map based analysis of the Second Bull Run Campaign detailing troop movements battles and strategies with full color cartography and insightful commentary The Maps

of Second Bull Run An Atlas of the Second Bull Run Manassas Campaign from the Formation of the Army of Virginia Through Chantilly June 26 September 1 1862 continues Bradley M Gottfried s efforts to study and illustrate the major campaigns of the Civil War This is the tenth book in the ongoing Savas Beatie Military Atlas Series President Abraham Lincoln s frustration with George B McClellan s inability to defeat Robert E Lee and capture Richmond dramatically increased after the unsuccessful Seven Days Battles In response Lincoln combined three small armies into the new Army of Virginia and placed it under Maj Gen John Pope who had overseen several successes in the Western Theater Pope s aggressiveness and McClellan s passivity on the Peninsula convinced Lee to send Thomas Stonewall Jackson s wing of the Army of Northern Virginia to confront Pope A bloody battle at Cedar Mountain on August 9 halted Pope s move south and Jackson s raid on the vast stores at Manassas Junction triggered another confrontation this time at Kettle Run When McClellan s troops abandoned the Peninsula Lee moved his other wing under James Longstreet rapidly north Pope missed an opportunity to prevent the junction of Lee s wings by not stopping Longstreet at Thoroughfare Gap The battle of Second Bull Run began on the evening of August 28 when Jackson tangled with Union troops at the Brawner Farm Pope spent much of the next day hammering Jackson s front with no idea that Longstreet was arriving on the field The Union assaults continued on August 30 until Longstreet launched a massive assault that rolled up the Union left flank and collapsed Pope s army The retreat was briefly interrupted by some of Jackson s units at Chantilly which ended the campaign The Maps of Second Bull Run plows new ground by breaking down the entire campaign into 24 map sets or action sections enriched with 122 detailed full page color maps These cartographic originals bore down to the regimental and battery level They include the march to and from the battlefields and virtually every significant event in between including cavalry actions At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the cavalry actions come alive This presentation allows readers to easily find a map and text on any portion of the sprawling campaign Serious students will appreciate the extensive endnotes and complete orders of battle and take the book with them to the battlefields A final bonus is that the maps unlock every other book or article written on any aspect of the campaign Perfect for the easy chair or for stomping the hallowed grounds The Maps of Second Bull Run is a seminal work that belongs on the bookshelf of every serious and casual student of the battle

**The Richmond Campaign of 1862** Gary W. Gallagher, 2000 Whiting s Confederate division in the battle of Gaines s Mill the role of artillery in the battle of Malvern Hill and the efforts of Radical Republicans in the North to use the Richmond campaign to rally support for emancipation

**BOOK JACKET** *The Fredericksburg Campaign* Gary W. Gallagher, 2000-11-09 It is well this is so terrible We should grow too fond of it said General Robert E Lee as he watched his troops repulse the Union attack at Fredericksburg on 13 December 1863 This collection of seven original essays by leading Civil War historians reinterprets the bloody

Fredericksburg campaign and places it within a broader social and political context By analyzing the battle's antecedents as well as its aftermath the contributors challenge some long held assumptions about the engagement and clarify our picture of the war as a whole The book begins with revisionist assessments of the leadership of Ambrose Burnside and Robert E Lee and a portrait of the conduct and attitudes of one group of northern troops who participated in the failed assaults at Marye's Heights Subsequent essays examine how both armies reacted to the battle and how the northern and southern homefronts responded to news of the carnage at Fredericksburg A final chapter explores the impact of the battle on the residents of the Fredericksburg area and assesses changing Union attitudes about the treatment of Confederate civilians The contributors are William Marvel Alan T Nolan Carol Reardon Gary W Gallagher A Wilson Greene George C Rable and William A Blair

**To the Gates of Richmond** Stephen W. Sears, 2014-11-11 This account of McClellan's 1862 campaign is a wonderful book Ken Burns and military history at its best The New York Times Book Review From the finest and most provocative Civil War historian writing today To the Gates of Richmond is the story of the one of the conflict's bloodiest campaigns Chicago Tribune Of the 250 000 men who fought in it only a fraction had ever been in battle before and one in four was killed wounded or missing in action by the time the fighting ended The operation was Gen George McClellan's grand scheme to march up the Virginia Peninsula and take the Confederate capital For three months McClellan battled his way toward Richmond but then Robert E Lee took command of the Confederate forces In seven days Lee drove the cautious McClellan out thereby changing the course if not the outcome of the war Deserves to be a classic The Washington Post

**From the Mountains to the Bay** Ethan S. Rafuse, 2022-12-09 From January to July of 1862 the armies and navies of the Union and Confederacy conducted an incredibly complex and remarkably diverse range of operations in the Commonwealth of Virginia Under the direction of leaders like Thomas Stonewall Jackson George McClellan Joseph E Johnston John Rodgers Robert E Lee Franklin Buchanan Irvin McDowell and Louis M Goldsborough men of the Union and Confederate armed forces marched over mountains and through shallow valleys maneuvered on and along great tidal rivers bridged and waded their tributaries battled malarial swamps dug trenches and constructed fortifications and advanced and retreated in search of operational and tactical advantage In the course of these operations the North demonstrated it had learned quite a bit from its setbacks of 1861 and was able to achieve significant operational and tactical success on both land and sea This enabled Union arms to bring a considerable portion of Virginia under Federal control in some cases temporarily and in others permanently Indeed at points during the spring and early summer of 1862 it appeared the North just might succeed in bringing about the defeat of the rebellion before the year was out A sweeping study of the operations on land and sea From the Mountains to the Bay is the only modern scholarly work that looks at the operations that took place in Virginia in early 1862 from the Romney Campaign that opened the year to the naval engagement between the Monitor and Merrimac to the movements and engagements fought by Union and Confederate forces in the Shenandoah Valley on the York James Peninsula and in northern

Virginia as a single comprehensive campaign Rafuse draws from extensive research in primary sources to provide a fast paced complete account of operations throughout Virginia while also incorporating findings of recent scholarship on the factors that shaped these campaigns The work provides invaluable insights into the factors and individuals who shaped these operations how they influenced the course of the war the relationships between political leaders and men in uniform and how all these factors affected the development and execution of strategy operations and tactics **New Jerseyans in the Civil War**

William J. Jackson,2000 Civil War aficionados and historians will welcome Jackson s analysis of the participation of New Jersey African Americans on the home front and in the military an important and much needed part of the book BOOK

JACKET Army History ,2014 Divided Houses Catherine Clinton,Nina Silber,1992 A collection of essays on gender in 19th century USA which explores specifically all major aspects of women s roles in the American Civil War **Virginia at War, 1864**

William C. Davis,James I. Robertson,2009-09-25 The fourth collection of essays in this Civil War series serves to remind us that there is much for us to discover beyond Virginia s battlefields H Net Reviews The fourth book in the Virginia at War series casts a special light on vital home front matters in Virginia during 1864 Following a year in which only one major battle was fought on Virginia soil 1864 brought military campaigning to the Old Dominion For the first time during the Civil War the majority of Virginia s forces fought inside the state s borders Yet soldiers were a distinct minority among the Virginians affected by the war In Virginia at War 1864 scholars explore various aspects of the civilian experience in Virginia including transportation and communication wartime literature politics and the press higher education patriotic celebrations and early efforts at reconstruction in Union occupied Virginia The volume focuses on the effects of war on the civilian infrastructure as well as efforts to maintain the Confederacy As in previous volumes Virginia at War 1864 concludes with an annotated excerpt from the Diary of a Southern Refugee During the War by Richmond s Judith Brockenbrough McGuire The most fully rounded account of Virginia s wartime experience Charles P Roland author of Reflections on Lee A Historian s Assessment This book covers some interesting areas of lesser known history of Virginia during the Civil War The Oklahoman

Death, Disease, and Life at War Christopher Loperfido,2017-07-19 A collection of letters from a Union surgeon in the American Civil War revealing what life was like for a doctor and a soldier in that era Union surgeon James Dana Benton witnessed firsthand the suffering and death brought about by the ghastly wounds infections and diseases that wreaked havoc to both the Union and Confederate armies A native of New York Dr Benton penned a series of letters throughout the war to his family relating his experiences with the 111th New York Infantry as an assistant surgeon and later with the 98th New York as surgeon This unique correspondence which covers a wide array of topics beyond medicine and the treatment of the injured is the basis of Death Disease and Life at War The Civil War Letters of Surgeon James D Benton 111th and 98th New York Infantry Regiments 1862 1865 Dr Benton was present for some of the war s most gruesome and important battles including Gettysburg Cold Harbor and the siege of Petersburg He was also present for the fall of Harpers Ferry Abraham

Lincoln's second Inaugural address and the collapse of Richmond. His pen offers an insightful and honest look into the everyday life of not only a Union surgeon but also an officer who suffered the same basic hardships other soldiers in the ranks endured. Chris Loperfido's *Death, Disease, and Life at War* is a valuable addition to the Civil War bookshelf. More than 600,000 men perished in the Civil War and many more were wounded or fell ill. Prompt and timely attention from an army surgeon was often the difference between life and death. James Benton's letters home provide a compelling glimpse into the everyday life of these doctors, their concerns and frustrations, their patients and colleagues, the places visited, and their opinions on the war. I commend Christopher Loperfido for bringing this interesting slice of the war to light. Scott L. Mingus, Sr., award-winning author of *Confederate General William B. Smith: From Virginia's Statehouse to Gettysburg Scapegoat*. Loperfido's excellent arrangement of Benton's letters provides a compelling look at the life of a Union doctor during a time when the practice of medicine was still primitive and an understanding of health in general was scanty at best. *Death, Disease, and Life at War* is another valuable piece to the puzzle of understanding what it was like to serve in the Civil War. Meg Groeling, author of *The Aftermath of the Battle: The Burial of the Civil War Dead*.

If you ally infatuation such a referred **Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard** books that will pay for you worth, get the certainly best seller from us currently from several preferred authors. ### **Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard Introduction**

In the digital age, access to information has become easier than ever before. The ability to download *Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard* has opened up a world of possibilities. Downloading *Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading

Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard Books**

1. Where can I buy Gone For A Soldier The Civil War Memoirs Of Private Alfred Bellard books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
