## Not Your Ordinary Day of Shopping

Who would think a day, let alone a day at a mall, could change your life? As our shopper was about to discover, it could. But this was no regular mall.

**M**any shops seemed normal enough: the mega food mart, clothing boutiques, and furniture stores. But strange happenings made him wonder—like talking to the man who thought government spies were going through his garbage, and seeing an elderly lady die while resting on a thoroughfare bench, then discovering a bus station on the third floor! Plus, it was hard to ignore the driver of a hackney arriving down the boulevard as he showed spheristics to the passing shoppers! So many mysteries to unravel.

A pattern emerges as he makes his way up this five-level mall. He had always thought happiness was something one stumbled onto, like a four-leaf clover. That day he found he was wrong. Happiness has components, like each of the leaves that make up that lucky shamrock. Will he make it to the top, the apex of happiness? Will he find the currency of life? Encounter the insights along with him.

*Gone Shopping* follows a man on an odyssey through a mysterious shopping mall. Walk along with him as he probes the essentials of human happiness.

*An engaging and thought-provoking novel. Tons of ideas are packed into these pages, and they build upon each other very neatly. It's an essential handbook for navigating today's materialistic society.*

—Jill Hardesty, University of Kansas

*The writing is exquisite and filled with penetrating insight. This is a gem and a winner. I highly recommend it for discussion groups.*
