10 Christian Values Every Kid Should Know Donna Habenicht, 2000 Donna Habenicht A child development specialist provides more than 1 000 strategies for teaching kids respect responsibility self control honesty

compassion thankfulness perseverance humility loyalty and faith in God Children's Ministry Lawrence O. Richards, Larry Richards, 1988 This book combines both biblical and theological foundations for children's ministry with a careful assessment of other issues in nurturing children such as developmentalism the context of learning and growth values cognitive abilities and social relationships **Have We Lost Our Children Or Have They Lost Us?** Catherine Hosmer, 2008-04 WHAT'S HAPPENING TO PARENT'S RELATIONSHIPS WITH THEIR KIDS To find out the author interviewed hundreds of parents for their opinions Many felt that they were losing their children some thought they'd already lost them some say they didn't care But in interviews it became obvious that they care very much and that frustration about their children's futures in this topsy-turvy world has made them feel powerless The author wrote this book to find out if the bond is truly rupturing and if so what parents can do about it While uncovering data for the book she came to know great educators teachers psychologists as well as wise parents She contacted Sixty Minutes Nova numerous Internet sources and learned texts The opinions of many of these experts as well as parents' comments are included in this book The author found that most psychologists are competent caring people ready to help needy clients But many appeared badly trained or still echo the theories of Freud and Erickson and others who criticized parents for their children's problems Many mothers and fathers feel these criticisms have been unwarranted and unfair This book will show that parents are far wiser and more competent than they think Blame and Punish Bruce Carlson, 2021-03-23 The world is constantly changing and we never know how tomorrow will be different from today There are many things we can prepare for in life and some we can't It's the ones we can't that make us understand how fragile we are as humans Who would have thought in our time of technology superiority and medical wonderment we would shut down our world to deal with a virus from COVID 19 Why did we shut down our world What were we afraid of Getting a little sick Getting a lot sick Dying AHA DYING IS IT DYING ARE WE AFRAID OF DYING SERIOUSLY If our lives are so valuable to us then why do we allow ourselves to be killed so easily We can live one of two ways We can lock ourselves in or let ourselves out We may be able to protect ourselves more from dying if we lock ourselves in but if we let ourselves out welcome to your world In case you don't recognize it yours is the world where crime runs rampant murder is an everyday thing and there's a pretty good chance you a loved one or a friend of yours is going to be hurt by another human being who is someone's child and you will live with the pain of having been hurt by them for the rest of your life and the persons responsible for your pain will never get punished We need to stop our future from ending by going down the path it is We need to stop building ourselves wrong This book can help us start stopping There are nearly 7.5 billion people on earth It is estimated there are over 4,000 religions and it is believed people speak about 6,500 languages Yet there is no religion anywhere in the civilized world saying a person cannot kill us or our children There is no government saying the right person will be held responsible for stealing from us or our family There is no law of any land saying that a person is not allowed to make a mockery of tease bother insult lie about embarrass or in any way destroy another human being Each of us has the

right unrestricted to do anything evil hateful harmful and without justification to any other person on our planet without recourse How is that Because parents do something wrong if their children do something wrong And that means if their children EVER do something wrong ANY time ANY place 1 1 should not equal 3 unless the 3 is a good 3 Blame and Punish helps us understand what and why we need to begin believing and fixing For 300 000 years we ve been doing this wrong It s time to make sure we can live our lives without them ending prematurely so let s Blame and Punish right **The Future of Your Only Child** Carl E. Pickhardt, Ph.D.,2008-03-04 One child households have doubled over the last two decades making it one of the fastest growing family units in America Expert Carl Pickhardt aids families in understanding the common traits of many adult onlies like shyness perfection and intolerance so that they can better prepare for potential outcomes He also celebrates the positive qualities of only children and how to encourage characteristics like thoughtfulness creativity and ambition Pickhardt sheds new light on issues that many only child families encounter such as attachment problems conflicts between only child and parent performance anxiety unusually high personal expectations feelings of entitlement dependence problems with risk taking With a distinctive focus on long term effects this book will help refine and improve daily parenting methods Parents will welcome these insightful guidelines for the formative influence they wish to provide
