

Apple Creative Writing Prompt

Personification is a literary device in which objects or animals are described as having human qualities or characteristics. The human characteristics given to these things may include emotions, behaviors, or actions that bring non-human things to life.

Examples:

- The sun smiled down on us.
- The suns were angry.
- The story jumped off the page.

.....

Your assignment is to use personification to write a story about an apple in an orchard.

Tell a story from the apple's perspective. What experiences does the apple have in the orchard? Does it leave the orchard? If so, where does it go? What people does the apple encounter along the way?

As you tell what happens to the apple, be sure to describe how the apple feels about the things that happen to it. How does it react?

Use one of the planning sheets on the following pages to plan out your story before you begin to write.
