British Movie Entertainments on Vhs and DVD: A Classic Movie Fan's Guide John Howard Reid, 2010-11 Unlike their American colleagues British suppliers were extremely slow to release their country's superb libraries of classic films for movie fans to purchase on either VHS tapes or DVD discs In 2004 little over 100 titles were available But now there are around 700 with promises of many more to come This book details some of the best Over 400 movies in all are described in either minute detail or in summary form The quality or lack of quality in the DVD transfer is fearlessly indicated The author's emphasis is on movies made before 1970 especially those with popular stars such as Glynis Johns Gracie Fields George Formby Margaret Lockwood Arthur Askey Anna Neagle James Mason Patricia Roc Stewart Granger Vivien Leigh Laurence Olivier Will Hay Tommy Trinder Alec Guinness Michael Wilding Peter Finch Christopher Lee Peter Sellers David Niven Kenneth More Kay Kendall John Gregson etc **The Golden Age** Eve Morton, 2021-07-26 Seven years ago Sebastian Munro changed his life immensely by transitioning and starting a graduate degree at the University of Ottawa Now that his degree and his cash flow has run its course however he finds himself on a Greyhound bus back to his suburban town outside of Toronto in early 2006 Though his high school friends are well aware of his transition many have yet to see Sebastian face to face Instead of dreading the reunion Sebastian looks forward to it until his parents announce their divorce his former best friend won't speak to him and he realizes he has become a stranger in a place that was once so familiar Rather than returning to Ottawa he is forced to stay in Durham Region when he witnesses a crime at the local restaurant run by a family friend Until the trial finishes and until an academic job comes through Sebastian must learn to stay exactly where he is whether he now wants to or not When he reaches out to his former best friend's older brother Garrison their budding relationship shapes and changes everything Sebastian thought he knew about his previous life secret identities and the power of home Now that Sebastian has found a way to survive in his hometown as the person he always knew himself to be he realizes he faces a decision especially as an academic job opportunity emerges Does he continue with his new fantasy life in his hometown thereby leaving his former academic and trans community aside or does he go back to the life that made him who he is now and leave his family and friends one more time *Billboard*, 2003-05-17 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital
