Reading Comprehension in Polish and English

Monika Kusiak, 2013-06-01 This book is about reading Throughout the book the author explains the complexity of the dual language involvement of FL L2 reading by showing how L1 and FL L2 factors interplay in FL L2 reading The main aim of the book is to explore reading in English in the foreign second language context as a cross linguistic phenomenon and to present the results of a think aloud study which investigated reading in Polish as the L1 and English as the FL of Polish learners of English The project consisted of six stages each focussing on a different aspect

of reading Thus the following was explored reading strategies problems and solutions the way the subjects constructed their representations of the texts the students individual patterns of developing comprehension and effectiveness in identifying the main ideas The findings revealed both differences and similarities between the subjects reading in Polish and their reading in English The book offers implications for further research and elucidates the usefulness of think aloud protocols in foreign language instruction
