Caught Up in You Beth Andrews, 2013-12-03 His teachers were never like this As a single dad and a partner in the family construction company Eddie Montesano's days are jammed Then he discovers his son Max's teacher is none other than Harper Kavanagh Gorgeous and smart single mom Harper is even more captivating than she was in high school Plus it's clear she's dedicated to helping Max with his learning issues How can Eddie resist making time for her Too bad there are clear rules limiting the relationship he and Harper have But with their attraction out of control Eddie is about to break those rules Because if it means the chance at a future with her he'll take the risk of getting caught *I'm Still Standing* Mel Carnegie, 2013 In *I'm Still Standing* Mel Carnegie vividly recounts how she has fought adversity since childhood beginning with the death of her father when she was just four years old and culminating with the discovery that her ten year marriage had been nothing but a sham She now believes that the man she called her soulmate was a sociopath Sociopaths or psychopaths as they are also known live and breathe among us They have no conscience No empathy No remorse And there is no easy way to tell them apart from other people Sociopaths are expert manipulators and they are real not just the fantasy of some Hollywood filmmaker They look normal and they sound normal Typically they come across as being charming charismatic and the life and soul of the party But underneath the mask they are nothing but predators searching for people

and situations that will give them their next hit whatever that might be money status sex a false sense of credibility They see other people as nothing more than providers who usually don't notice what they're doing until it's too late Leaving trails of chaos confusion and destruction behind them they'll simply move straight on to their next willing target without even a backwards glance When Mel discovered the truth about the man she called her soulmate she pulled on all her life experiences to make sense of an unimaginable mess and fight her way back to life and to ultimate victory Here she shares her journey with candid and often brutal honesty in the hope that she can help others recognise and escape the clutches of emotional abuse This is her heart-rending and ultimately inspirational story
