Competitive Bidding in the 21st Century Marshall Miles,2000 In this book Miles addresses the complex arena of competitive bidding methods for the more advanced player He discusses current thinking and recommends methods which will continue to be playable as bridge enters its second century This book will appeal to fairly serious players only There are two earlier books on this topic by the same author 5 and 10 years old respectively and therefore superseded by this new work

Bridge Barbara Seagram,Marc Smith,2000 A follow up book from the author team that produced the award winning and best selling 25 Bridge Conventions You Should Know Aimed at the same novice social player audience as their first book this new title deals with competitive auctions in which the opponents have opened the bidding This is the most complex area of bridge bidding and has never up to now been dealt with comprehensively in a book that is understandable for non experts

Eliminations & Throw Ins David Bird,Marc Smith,2000 The Bridge Technique Series is designed to take the reader through the most important aspects of card play technique at bridge Each book of the series focuses on a different topic and wherever possible the tactics and strategy are considered from the point of view of both declarer and defenders Eliminations and throw ins constitute one of the fundamental weapons in declarer s armory This book begins with basic types of the elimination play and moves on to more complex topics such as loser on loser plays and partial eliminations It also addresses how to anticipate and avoid throw ins from the point of view of the defenders Back cover

Thinking on Defense Jim Priebe,2001 Defense is the most difficult part of bridge and for most players the hardest part of defense is figuring out what kind of strategy they should be pursuing In this book the reader is shown step by step how to visualise declarer s cards from the bidding and play and then how to use this information to form a plan for the defense This book is based on Jim Priebe s popular articles

Visualisation on Defense which appeared in the ACBL Bulletin in early 2001

Tricks with Trumps David Bird,Marc Smith,2000 The Bridge Technique Series is designed to take the reader through the most important aspects of card play technique at bridge Each book of the series focuses on a different topic and wherever possible the tactics and strategy are considered from the point of view of both declarer and defenders This book covers the fundamental strategies available for developing extra tricks in the trump suit for both declarer and the defense Topics covered include dummy reversal the trump coup and how to defend against it the en passant play trump promotions and uppercuts on defense the fight for trump control

and unusual positions such as the smother play and the Devil s Coup Back cover
